The Honorable W.E. Bradley
Alaska State Senate
Pouch V, State Capitol Building
Juneau, Alaska 99811

Dear Senator Bradley:

The Alaska State Hospital Association wishes to express our support of Senate Concurrent Resolution 26 which would designate the week of May 10-17 as Nursing Home Week. We believe that this is a most fitting manner to recognize residents, as well as those providing services in nursing homes in Alaska. Further, a proclamation by the Governor would encourage Alaskans to remember the needs of nursing home residents and the wealth of knowledge and experience they have to share.

Sincerely,

Dennis L. DeWitt
Executive Director
