JAY S. HAMMOND
GOVERNOR

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

February 11, 1982

The Honorable Jalmar Kerttula
President of the Senate
Alaska State Legislature
Pouch V
Juneau, Alaska 99811

Dear Mr. President:

Under the authority of art. III, sec. 18 of the Alaska Constitution, I am transmitting a bill extending the lapse date for \$13,684,800 of the FY 82 appropriation to the Department of Natural Resources to fund land disposal surveys. The difference between this \$13,684,800 and the \$15,000,000 which appears on page 108, line 19, of ch. 82, SLA 1981 represents the amount appropriated for operating expenses of the land disposal program. Although in prior years the program's surveying costs were funded through capital appropriations, last year they were included in the appropriation for HB 31 (SCS CSHB 31 (Fin) am S (am FCC); ch. 113, SLA 1981) as operating expenses. Thus the unspent and unobligated part of the appropriation will lapse at the end of FY 82. However, surveying activities normally begin in the spring and continue through the fall, relying more on weather than on fiscal years. The surveying which will begin this spring is for FY 83 land disposals, and it is necessary to extend the lapse date for the appropriation.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "Jay S. Hammond".

Hearing:

SB 730 An Act establishing the Aleksandr Baranof State Game Refuge.
SB 745 An Act extending the lapse date for the FY 82 appropriation for land disposal surveys.
SF 759 An Act relating to the size of trapping cabins.
SB 832 An Act extending the lapse date for the FY 82 appropriation for the Citizen Advisory Commission.

SB 745

Jeff Haynes, Deputy Commissioner, Department of Natural Resources, explained that this capital appropriation is necessary to continue survey work (\$11 million) and municipal grants (\$2 million).

Senator Fischer asked that SB 832 be heard before any action was taken on SB 745.

SB 832

Senator Fischer stated he would like SB 745 and SB 832 combined since they both amend the same line of the same statute.

Senator Fahrenkamp expressed opposition in consideration of the sponsors.

Senator Mulcahy moved SB 745 and SB 832 with individual recommendations.

SB 759

Jeff Haynes stated that the existing statute limits the size of trapping cabins to 192 square feet. DNR feels the increase to 768 square feet that SB 759 would provide is too great. A smaller size would discourage the establishment of a permanent residence on a \$10/year trapping permit.

Senator Fahrenkamp said a Committee Substitute had been prepared that limits the size to 400 square feet.

Senator Eliason disagreed with the size limit, stating that criteria for obtaining a permit limit the cabin's use to trapping.

Senator Gilman moved the adoption of the Committee Substitute for SB 759. He then moved CSSB 759 with individual recommendations.

SB 730

Senator Sturgulewski moved to rescind the Committee's action on SB 730.

Senator Fahrenkamp explained that after action was taken last Friday, the land manager in Kodiak called about a technical error in the bill.

Senator Mulcahy stated that on page 1 line 29, and page 2 line 1, "21" should read "23". He moved the adoption of the Committee Substitute for SB 730. He then moved CSSB 730 with individual recommendations.

The meeting was adjourned at 2:00 p.m.
