### PROPOSED 1981 LEGISLATION

The Department of Military Affairs has asked the Governor to introduce one bill in the 1981 Legislation.

The bill has three parts:

The first part proposes that the reimbursement of tuition and fees for members who attend an educational, vocational or training school in Alaska be extended to retired members. This proposal is designed to provide an additional incentive to stay in the Guard until retirement and reward, in a small way, those retired members who would like to continue their education. We anticipate that no more than 15 members would take advantage of this proposal each year. The average reimbursement is \$125.00 per year per person, making the total cost of this proposal between 2 and 3 thousand dollars annually.

The second proposal is designed to protect the families of the lower rank enlisted members from a dramatic financial loss in the event of an extended State Duty period. It also ensures that members called to State Active Duty are covered by the Workman's Compensation Act. The fiscal impact of this proposal would be felt only in the event of a major disaster. The funding would come from the Governor's Emergency Fund.

The third part is identical to a bill submitted by the Governor last year and proposes a restructuring of the reenlistment bonus. A reenlistment bonus in the amount of \$3,000 will be paid for the first 6 year reenlistment only. The payments will be \$1,000 each, payable every two years. At the end of the initial reenlistment, the bonus stops. Payments would be made to the Guard members during their 6th through 12th year of total military service. This period has been determined as the "decision making" time for Guard members as to whether to stay until retirement or quit. We feel that paying this bonus during the decision years is the best possible use of a reenlistment bonus and conforms very closely to the bonus offered by the Federal Government for the active component personnel. Those members currently receiving a reenlistment bonus under AS 26.05.265 would continue to receive those bonus payments.

RICHARD KOUNTREE  
MIL AFFRS

January 12, 1981

President of the Senate  
Alaska State Legislature  
Pouch V  
Juneau, AK 99811

Dear Mr. President:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to pay and benefits for members of the Alaska National Guard and Naval Militia. The bill would increase benefits for education, active service pay, workers' compensation, and the reenlistment bonus.

Section 1 of the bill would authorize a sorely-needed change in the pay for members called to active service in an emergency. Under existing law enlisted members of the National Guard in the lower pay grades and their families would suffer grave hardship if the members were called away from their regular employment to active service at very low pay. The section sets a minimum daily compensation which will help insure that a member's family will have enough money while the member is away on active service. The minimum compensation will increase with an increase in the Consumer Price Index for Anchorage, Alaska.

Sections 2 and 3 of the bill would provide for coverage of members of the National Guard under the Workers' Compensation Act while they are on active service in an emergency.

Section 5 of the bill would amend the provision which establishes the reenlistment bonus to provide for three lump sum payments of \$1,000 instead of the more numerous but smaller payments provided under existing law. Those members of the National Guard who are receiving a bonus under existing law would continue to receive that bonus and would not receive the reenlistment bonus that is proposed in this bill.

Section 6 of the bill would extend the education benefits currently available to retired members. Under the current law, only active members may claim this benefit.

Sincerely,

S/JSH

Jay S. Hammond

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

Sections 1 - 3 have no budget impact except in the event of a disaster. This funding is received from the Governor's Emergency Fund.

Section 5 will require expenditures of \$330.0 in FY 84, \$197.0 in FY 85, and \$454.0 in FY 86. Beginning FY 87, the expenditures will decrease each year as current (1980-81) members drawing the old bonus payment will begin to retire or leave the Guard for other reasons. As these older members retire or drop out, the new program will have completed paying 33 1/3% of the new members. Attached to this fiscal note is a break down of the payments to be paid FY 84-87.

Section 6 extends reimbursement of tuition to retired members. About 15 retired members would use this benefit. The average reimbursement is \$125.00 for active members. Shown above as \$5,000 each year.

Sections 7 through 9 are administrative in nature.

Analysis of state funded benefits the Alaska National Guard and Naval Militia now enjoy:

#### RETIREMENT SYSTEM

Current law passed in the last session of the legislature provides for a retirement payment of \$100.00 for every month served in the Alaska National Guard or Naval Militia provided the retiree has a total of 20 years of service a minimum of five of which as a member of the guard

#### TUITION REIMBURSEMENT

The State of Alaska will pay an amount equal to 50% of all tuition and required fees paid by the member to schools in Alaska. The schools include all technical vocational or educational institutions. Eligibility requirements are, that the guard member attend 90% of all scheduled drills and 15 days of annual training each year. This eligibility is certified by the unit commander.

#### REENLISTMENT BONUS

Current statute provides that the state will pay the equivalent of 10 days base pay at the rank held upon satisfactory completion of a members initial enlistment who reenlists or extends that enlistment for any period of time. Average reenlistment bonus payment is approximately \$350.00. Our proposal in SB 54 changes this to a \$3,000 payment for the initial six year reenlistment after the completion of the initial contract.

#### VETERANS BENEFITS

Members of the Alaska National Guard and Naval Militia who have served five or more years with the Alaska National Guard or Naval Militia obtain veterans status for procurement of state loans.

NATIONAL GUARD LOSSES 1980

TOTAL LOSSES            110

DROP OUTS AT ETS        76

Of 76 lost, 52 dropped out during "Decision Making" period, or 68.4% could be saved by a larger reenlistment payment that can be used by the family group. In most cases the family makes the decision to leave or stay in the Guard.
