CSSSHB517(SA)  
Fiscal Note Analysis  
Prepared by the Division of Personnel  
Department of Administration  
April 4, 1984

This revised Fiscal Note reflects the change in the House State Affairs Committee Substitute for SSHB 517. The sponsor substitute would have made applications for all job classes available for public inspection. A considerable number of requests for copies was expected. The committee substitute would make the application for only partially exempt and exempt positions subject to public inspection. The number of such applications is much smaller than projected in the original Fiscal Note. Additionally, they are not maintained by the Division of Personnel. We are pleased to be able to submit this "0" Fiscal Note for CSSSHB517(SA).
