SENATE LETTER OF INTENT RE CSSB 19 (Finance)

It is the intention of the Senate that construction of student housing at the University of Alaska-Anchorage and the Anchorage Community College, and the University of Alaska-Juneau, shall proceed as expeditiously as possible.

The FY 83 capital supplemental appropriation bill, now before the Governor, contains design funds for these projects.

Sec. 1 of CSSB 19 also contains 9.9 million dollars for necessary land acquisition in Anchorage, related to student housing.

It is the intention of the Senate that construction funds for student housing at these campuses will be appropriated when the projects are design-ready and the land is in state ownership.
