REPRESENTATIVE WALT FURNACE

To: Representative Mae Tischer, Chairman
House Health, Education and Social Services Committee

From: Representative Walt Furnace

Date: January 30, 1984

RE: CS SB 129 (Rules)

Attached please find an amendment which I feel would strengthen CS SB 129 (Rules). Specifically it establishes a standard by which CPR classes should be taught.

Additionally, for the Alaska Chapter of the National Heart Association, February 13th begins National Heart Month. This might be an appropriate date for a hearing on CS SB 129 (Rules).

*P.S. Mae - this amendment is a recommendation
of the American Heart Association.*

Dear Representative Tischer:

At the risk of bugging you, I'd like to reiterate my request of February 7th. You remember I asked you to move CSSB 129 if you found it within yourself so to do? From what you told me in the hall the other day, I assumed that it was just a question of time.

Time becomes a little more critical now, inasmuch as the Senate passed the companion appropriation bill SB 130 on the morning of February 21st.

Thanks again for any consideration you may show us.

Regards,

RLZ

Robert H. Ziegler, Sr.
