STAFF REVIEW

SB 362, "An Act relating to the applicability of the scholarship loan program to students attending more than one postsecondary educational institution; and providing for an effective date," introduced by Senator Kerttula, makes a change in AS 14.43.160 (2), the Scholarship Loan Program, that allows students attending more than one postsecondary educational institution, one or more of which may not be associated with an eligible consortium of postsecondary education institutions, to be eligible to participate in the state's student loan program.

The bill provides for an immediate effective date.
