Arthur Peterson, Department of Law, testified that the CS takes care of many of the problems he had identified in the original bill. He stated that he had some concern that the project may be taking on too much. He went through the list of things to be included in the journal and commented on each one. He discussed the benefits of the provision which disclaims liability for the contents of the journal.

Senator Rodey moved and asked for unanimous consent to pass the bill from committee with individual recommendations. There were no objections.

SB 194--Relating to "ice classics"

Senator Sackett (prime sponsor) testified that he had been asked to help create a "Kuskokwim Ice Classic" by Bethel Social Services. This group wants to reduce their dependence on state money.

Senator Ray suggested that the title of the bill be changed to " An Act relating to Establishment of the Kuskokwim Ice Classic".

Senator Fischer suggested a minor change on line 13 of the bill.

Senator Ray moved and asked unanimous consent that these changes be incorporated in a committee substitute, that the committee substitute be adopted and passed out of committee with individual recommendations. There was no objection.

SB 137--Requiring public employees to comply with the Regulation of Lobbying Act.

Senator Faiks (prime sponsor) testified that she had contemplated a sponsor substitute but decided against it. She reviewed the substance of the bill and described the current situation where municipal and university lobbyists do not have to register and disclose while private sector lobbyists do. She described lobbying laws in other states. She stated that it was very difficult to get information on lobbying expenditures from the Municipality of Anchorage.

Senator Ray asked if, for example, a municipal attorney who answered questions for a legislator or legislative staff person would have to register. Senator Faiks responded that that would be true if the public employee was lobbying for money. She pointed out that "substantial and regular" portions of this person's salary must come from lobbying.
