Title: An Act Relating to Alaska Bidder preference
Sponsor: Ward, etc.
Requestor: _____

1. Estimated fiscal impacts on:

a. Expenditures:

(Thousands of Dollars)

	FY 83	FY 84	FY 85	FY 86
Capital	0	0	0	0
Operating	0	50.0*	50.0*	50.0*
Total	0	50.0*	50.0*	50.0*

b. Revenues:

Revenue	0	0	0	0	0
---------	---	---	---	---	---

2. Source of funds to offset fiscal impact of bill:

3. *Assumptions: The only quantifiable costs associated with this bill are the impact on Agency operating budgets for commodities and non-professional services, which would have occurred if the bill passed last year. The larger and more unquantifiable costs would be due to reduced competition as out-of-State firms are driven out of the Alaskan market.

This cost estimate does not include effects on construction contracts, travel, and professional services which are not effected by this Act.

The State already spends a majority of its commodity and non-professional dollars with Alaska vendors.

4. Disclaimer: This statement has not been reviewed by the OMB in the Office of the Governor.

1,000,000.00
4,500
850,000.00 ~~1,000,000.00~~

~~Company~~ like:

2. If the low bid from Seattle Inc, is 1, mill and the next ^{low} bid was Alaska Inc 1,500,000 would Alaska Inc ~~get~~ have to accept the bid for 850,000?

3. Could not the outside bidders submit real low bids in order to force the State to award the bids to Alaska's Compamer and by doing so, cause a contractor to go broke because he had to accept a bid for less money than it would cost?

4. Is this in conflict with the fair trade laws?
