* HONORING - EAST ANCHORAGE HIGH BOYS BASKETBALL TEAM *

The members of the Thirteenth Alaska Legislature, on behalf of all citizens of the the 49th state, extend hearty congratulations to the East Anchorage High Thunderbirds, Alaska State Boys Basketball Champions for 1984.

An exciting and impressive team, the East Anchorage High boys team has made sports pages all over Alaska. Sports writers and broadcasters have generally acknowledged that this remarkable basketball organization would be tops in any field of competition. Those predictions certainly came true during the recent state tournament as the East Anchorage High Thunderbirds clearly indicated why they are so highly thought of. Speed, coordination and skill, the result of many long hours of practice drills and work outs, paid off for the squad.

To coaches Chuck White, Gary Holtz and Rick Dogget our congratulations for their obvious abilities. Managers Mike Bolin, Sean Egan and Kevin Holtz can share a great deal of the credit for this championship season.

And all Alaskans wish to extend warmest congratulations to the skilled, determined and enthusiastic members of the East Anchorage High Thunderbirds; Jim Blake, Malcolm Bolin, Frank Carney, Hammie Davidson, LeMorris Harris, Rod Hill, Karl Jenkins, Michael Liggon, Vladimir Melovidov, Tony Reed, Paul Schoenborn, Billy Ray Spires and Lennie Toussant.

The Honorable Jalmar Kerttula
Alaska State Senate
Pouch V
Juneau, AK 99811

Dear Senator Kerttula:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill appropriating a total of \$314,205 to the Alaska Court System.

The first section of the bill appropriates \$285,000 from the general fund to offset the deficit created by underfunding the FY 83 cost-of-living pay increase. When funds were appropriated for that increase, the level of funding was set at approximately 75 percent of the estimated cost of the increase for existing employees. In addition, pay increase funds were not provided for the eight new positions received by the trial courts in FY 84. The court system has attempted to reduce the deficit by extending vacancies, eliminating overlaps, and reducing overtime to the extent possible. Through these efforts, the trial courts will have realized a savings of \$400,000 by the end of this fiscal year.

The second section of the bill appropriates \$29,205 from the general fund to pay FY 83 outstanding obligations for library materials. Inadvertently, invoices were not processed in a timely manner, and the court system has actually lapsed sufficient funds to cover these claims.

Additional backup material will be furnished to the finance committee.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bill Sheffield".
