SB 4--Repeal of the beverage dispensary license board

Senator Sturgulewski (prime sponsor) stated that the provision to be repealed is never used and is thus unnecessary.

Senator Rodey moved and asked unanimous consent to pass the bill out of committee with individual recommendations. There was no objection.

SB 132--Establishing an Alaska Administrative Journal

Senator Fahrenkamp (prime sponsor) testified for the bill. The idea of the bill is to promote efficiency in administrative action. She proposed a committee substitute and outlined its contents. She stated that the bill could be implemented without great cost for an 18 month trial period. At the end of the trial period, cost and demand for the journal will be known.

Lt. Governor Steven McAlpine testified that the 18 month trial period was a positive feature of the bill and that the fiscal note was his highest guess. The big question is the demand for such a publication and how much revenue it will generate.

Senator Ray asked if the "no effect until publication" section would work. Lt. Governor McAlpine responded that this problem was covered in subsection "d" of the committee substitute.

Arthur Peterson, Department of Law, testified that the CS takes care of many of the problems he had identified in the original bill. He stated that he had some concern that the project may be taking on too much. He went through the list of things to be included in the journal and commented on each one. He discussed the benefits of the provision which disclaims liability for the contents of the journal.

Senator Rodey moved and asked for unanimous consent to pass the bill from committee with individual recommendations. There were no objections.

SB 194--Relating to "ice classics"

Senator Sackett (prime sponsor) testified that he had been asked to help create a "Kuskokwim Ice Classic" by Bethel Social Services. This group wants to reduce their dependence on state money.

Senator Ray suggested that the title of the bill be changed to " An Act relating to Establishment of the Kuskokwim Ice Classic".

Senator Fischer suggested a minor change on line 13 of the bill.

Senator Ray moved and asked unanimous consent that these changes be incorporated in a committee substitute, that the committee substitute be adopted and passed out of committee with individual recommendations. There was no objection.

SB 137--Requiring public employees to comply with the Regulation of Lobbying Act.

Senator Faiks (prime sponsor) testified that she had contemplated a sponsor substitute but decided against it. She reviewed the substance of the bill and described the current situation where municipal and university lobbyists do not have to register and disclose while private sector lobbyists do. She described lobbying laws in other states. She stated that it was very difficult to get information on lobbying expenditures from the Municipality of Anchorage.

Senator Ray asked if, for example, a municipal attorney who answered questions for a legislator or legislative staff person would have to register. Senator Faiks responded that that would be true if the public employee was lobbying for money. She pointed out that "substantial and regular" portions of this person's salary must come from lobbying.

Senator Ray asked if legislators would be required to comply with the Act if this bill were passed. Senator Faiks was of the opinion that this legislation would not affect legislators.

Senator Ray suggested that municipal lobbyists were a local problem which would best be addressed by local ordinance. Senator Faiks disagreed saying that the crux of the problem is spending public money through lobbying to get more public money.

Vickie Rippie, A.P.O.C. assistant director, referred to APOC's position paper and summarized its content. This bill would apply to legislators and staff. She stated that the Commission feels that government productivity might suffer as 2000 employees could be affected.

Senator Rodey suggested that the bill be held over for further study. The committee agree by consensus to hold the bill over.

SB 190--Special appropriation for Wrangell Totem Poles

Senator Ferguson testified in favor of the bill. He stated that this bill would help save some important elements of the Native culture.

Senator Kelly asked if section 2 of the bill was duplicated by other programs. Senator Ferguson said that this was not the case.

David Katzeek, Sealaska Heritage Foundation, testified for the bill. He described various foundation activities to save and display valuable artifacts.

Senator Sturgulewski asked if the project which is the subject of this bill will extend into future years and require further funding. Mr. Katzeek stated that this depended on the process laid out in the bill.

Senator Ray moved and asked unanimous consent that the bill pass from committee with individual recommendations. There was no objection.

The remainder of the calendar was not taken up.

Senator Fischer adjourned the meeting at 4:23pm.
