POSITION PAPER

RE: House Bill 694

SPONSOR: C&RA Committee

Program Effects of the Bill:

This Bill would amend the Alaska Statute Sec 18.55.996 to include Metlakatla Indian Community for establishment of the Metlakatla Housing Authority.

Comments:

The Metlakatla Housing Authority would have the power to enter into agreements with local governments, political subdivisions of the State, or the Federal government for the exercise of a function or power relating to construction, operation and maintenance of public facilities or public utilities. The Metlakatla Housing Authority would have the power to acquire, construct, operate and maintain housing units within their established jurisdictional boundaries.

The effect that passage of that bill would have on the Department of Community and Regional Affairs, Housing Assistance Division is that Metlakatla Housing Authority would be eligible to receive supplemental funding for on-site water and sewer, roads and electrical distribution facilities from DCRA for future Indian housing projects approved for development by HUD. Passage of the bill would not qualify Metlakatla Housing Authority as eligible to receive these funds for projects currently approved for development by HUD and/or under construction.
