25        owner or an agent of the owner shall register the vehicle and pay all  
26        required fees and taxes and submit for inspection the certificate of

DEPARTMENT OF PUBLIC SAFETY

POSITION PAPER - CSSS HB 456(Jud)

Support

April 25, 1986

CSSS HB 456(Jud). An Act relating to registration of commercial and non-commercial motor vehicles and providing a penalty for failure to obtain title or registration.

All commercial vehicles may now obtain a "trip permit" that allows them to operate in Alaska for up to 90 days. This gives summer commercial operators an advantage over Alaska residents who must pay full fees. This bill restricts use of the trip permit to only licensed ICC carriers and requires temporary operators to pay full fees. This is done to put non-residents on an equal economic basis with Alaska residents while, at the same time, not placing a restrictive burden on legitimate interstate carriers.

SUBJECT: CSSSHB 456 (Jud), Relating to Registration of Motor Vehicles

With increasing frequency, we hear complaints of commercial vehicles with out-of-state license plates operating on our highways. While some operators may pay the required registration fee, others do not. Enforcement of registration laws is difficult as there is no visual means to quickly identify the illegal nonregistered operator.

In addition, many new residents or nonresidents working temporarily instate fail to comply with state registration requirements, choosing instead to maintain their vehicle registration in other states. These residents benefit from our roads and jobs without paying the required fees.

CSSSHB 456 (Jud) would eliminate distinctions between nonresident and resident commercial vehicles for purposes of registration, assessing fees, and display of license plates. Only licensed ICC and FMC carriers and unladen commercial vehicles operating under a one way trip permit would be exempted although prominent display of permits would be required.

CSSSHB 456 (Jud) would shorten the length of time a nonresident, noncommercial vehicle is exempt from state registration requirements, require proof of any exemption from registration, and provide a specified fine for noncompliance with current registration and title laws.

We consider this legislation to be an important element of the Alaska residency and local hire issues in its attempt to enforce our vehicle registration laws and to legally, but forcefully, discourage the use of nonresident commercial vehicles.

SUMMARY

CSSSHB 456 (Jud)  
Relating to Vehicle Registration

Background

Current State law or regulations require the registration of all vehicles operating instate. However, many new residents or nonresidents working temporarily instate illegally maintain their vehicle registration in other states. These operators benefit from our roads and jobs without paying the required fees.

Current State law also does not specifically address the handling of nonresident commercial vehicles operating temporarily instate. Regulations now provide for permitting or registration for such vehicles. However, with the exception of licensed ICC and FMC carriers, the regulations do not require the display of a permit or registration for nonresident commercial vehicles. Thus, it is difficult for law enforcement officers and the public to distinguish between a vehicle holding a valid temporary permit and one operating illegally instate.

Additionally, fees for temporary permits for nonresident commercial vehicles are now determined administratively by prorating the resident commercial vehicle fee for the number of days the nonresident vehicle is registered for use instate. This method does not appear to result in fees appropriate for the privilege of operating nonresident commercial vehicles in Alaska.

CSSSHB 456 (Jud) would accomplish the following:

1. Shorten the length of time a nonresident, noncommercial vehicle is exempt from State registration requirements and require proof of any exemption from registration.
2. Eliminate the distinction between resident and nonresident commercial vehicles for purposes of registration, assessing fees, and display of license plates.
3. Limit the authority for issuance of special permits and the exemption from normal registration to only short-term, one-way unladen commercial vehicles and licensed ICC and FMC carriers. Permits would have to be prominently displayed.
4. Require that a specified fine be assessed for noncompliance with the State's registration and title laws.

DEPARTMENT OF PUBLIC SAFETY

POSITION PAPER - SS HB 456

Support

February 19, 1986

SS HB 456. An Act relating to issuance of temporary permits for commercial motor vehicles.

All commercial vehicles may now obtain a "trip permit" that allows them to operate in Alaska for up to 90 days. This gives summer commercial operators an advantage over Alaska residents who must pay full fees. This bill restricts use of the trip permit to only licensed ICC carriers and requires temporary operators to pay full fees. This is done to put non-residents on an equal economic basis with Alaska residents while, at the same time, not placing a restrictive burden on legitimate interstate carriers.

I recommend the bill be amended to consist of the two following amendments.

1. 28.10.011(9) add: F.M.C. (Federal Maritime Commission) carrier  
(a) a licensed ICC or FMC carrier under AS 28.10.141;
2. 28.10.141 add: F.M.C. (Federal Maritime Commission) carrier  
INTERSTATE USE OF VEHICLES. When a licensed ICC or FMC carrier in the course.....

Without the addition of the F.M.C. carrier, barge lines which transport commercial vehicles, (trailers) would not be eligible for trip permit when unloading at their destination.

**Sec. 28.10.121. Vehicles of nonresidents.** (a) A nonresident owner of a noncommercial vehicle registered outside the state is exempt from the registration provisions of this chapter for 90 days after entry into the state if the vehicle at all times when driven in this state is registered in and has displayed upon it a currently valid registration plate issued for it by another jurisdiction. However, if the person becomes gainfully employed in the state or takes action which indicates an intention to acquire residence in the state, the person shall comply with the licensing and registration provisions of this chapter within 15 days of commencement of employment or of taking action which indicates the person's intention to acquire residence. If the vehicle is a commercial vehicle, the vehicle must be registered when its commercial use begins in accordance with AS 28.10 141 and other applicable provisions of this chapter.

(b) A vehicle owned by a nonresident and of a type subject to registration under this chapter, which is leased or rented to a person having an established place of business, a residence or employment in this state, is subject to registration under this chapter either by the owner or lessee.

(c) A vehicle under (a) of this section which is owned and driven by a full-time student pursuing a course of study beyond the high school level and upon which current, valid registration by another jurisdiction is maintained need not be registered in this state unless the student establishes residence or accepts full-time employment in the state. This exemption applies only to the extent that the jurisdiction in which the vehicle is registered grants the same exemptions and privileges to a vehicle registered in this state. The issuance of the Alaska certificate of title shall be withheld until the registered or legal owner provides for the surrender of the out-of-state title, or in the case of a nontitle state, documents which satisfy the department of ownership and any liens on the vehicle, or until the posting of a vehicle surety bond equal to the market value of the vehicle which bond shall be maintained for two years. **Sec. 28.10.161. Registration plates to be furnished by department.** (a) Except as provided in AS 28.10.181(i), the department, upon registering a vehicle, shall issue the owner one fully reflectorized registration plate for a trailer or a motorcycle and two fully reflectorized registration plates for every other vehicle. Except as specifically provided in AS 28.10.181, the plate or plates shall remain with the vehicle as long as the vehicle is subject to registration under this chapter.

(b) After January 1, 1979, every passenger vehicle registration plate, except as specifically provided in AS 28.10.181, shall have displayed upon it

(1) the Alaska flag;

(2) the traditional colors of yellow-gold and blue;

(4) the registration number assigned to the vehicle for which it is issued;

(5) the name of this state which may be abbreviated; and

(6) the registration year number or expiration date for which time it is validated; the registration year number or expiration date may be part of the license plate or contained on a suitable sticker or tab device issued by the department.

**Sec. 28.10.171. When one registration plate is issued, it shall be attached to the rear of the vehicle for which issued.

(b) Every registration plate issued under this chapter shall be securely fastened to the vehicle to which it is assigned, with the upper edge of the plate horizontal, at a height of not less than 12 inches from the ground measuring from the bottom of the plate, and maintained in a location and condition so as to be clearly legible. However, when considered necessary to insure legibility, the commissioner may provide by regulation for another method of installation. (§ 7 ch 178 SLA 1978)

**Sec. 28.10.181. Registration of unique and special vehicles and vehicles used for special purposes.** (a) The department shall register unique and special vehicles and vehicles used for special purposes and issue registration plates as provided in this section. Notwithstanding other provisions of this chapter, registration plates issued under this section remain with the person or organization to whom they are issued when vehicle ownership is transferred or title or interest in the vehicle is assigned, except for plates issued under (b), (h) and (i) of this section. Registration plates issued under this section may not be used on, or transferred to, a vehicle other than the vehicle for which the plates are issued without the approval of the department and payment of any required fees and taxes prescribed in AS 28.10.421(d), 28.10.431 and 28.10.441; however, if the plates issued under (c), (f) and (j) of this section are transferred to a vehicle for which the registration fee is more than the fee for the vehicle from which the plates are transferred, the owner shall pay the difference between the two fees. Registration plates issued under this section to which a person is no longer entitled or the transfer of the plates to another vehicle which the department does not approve shall be returned immediately to the department by the person or organization to whom the plates were originally issued.

(b) **Historic vehicles.** The owner of an historic vehicle may make application for special registration under this subsection. The department, when satisfied that the vehicle meets the requirements for historic vehicle registration under regulations adopted by the commissioner, shall register the vehicle and issue two permanent registration plates of distinctive design and color bearing no date. These plates remain with the vehicle as long as it is registered under this subsection. Vehicles qualifying for registration under this subsection shall be issued registration plates numbered in a separate numerical series beginning with "Historic Vehicle No. 1."

(c) **Special request plates.** Upon application by the owner of a passenger vehicle, noncommercial van or pick-up truck, or motor home, the department may design and issue registration plates containing a series of not more than six letters or numbers or combination of letters and numbers as requested by the owner. The department may, in its discretion, disapprove the issuance of registration plates under this subsection when the requested symbols are a duplication of an existing registration or when the symbols are considered unacceptable by the department.

person who presents to the department written proof that the person is at least 70 per cent disabled or medically handicapped and should be given special consideration by the public with respect to the parking or standing of the person's vehicle in designated spaces, may register one passenger vehicle without charge. The proof required under this subsection may consist of evidence that the person receives at least 70 per cent disability compensation from a government agency at the time of registration or an affidavit signed by a physician licensed to practice medicine in this state. Upon the request of the applicant the department shall issue a specially designed registration plate which displays

(1) recognition of the disabled veteran if the applicant's disability originated from the applicant's service with the armed forces of the United States; or

(2) the standard handicap symbol (the wheelchair logo).

(e) Vehicles owned by the state, municipalities, and charitable organizations of the state. Every certificate of registration and registration plate issued to the state, a municipality or charitable organization of the state is in effect until the vehicle for which the registration certificate and plate were issued is no longer owned and operated by the state, the municipality or the charitable organization of the state or until the department, in its discretion, declares its expiration. The state, municipality or charitable organization of the state shall maintain a current listing of all vehicles registered to it in the order of the registration number assigned to each vehicle, and shall provide a copy of the listing to the department upon request. The listing shall include a description of each vehicle and other identifying information required by the department. Registration plates issued under this subsection shall be of a distinctive design and numbering system. For the purposes of this subsection, "charitable organization" means a nonprofit association, corporation, society or other entity organized, incorporated or headquartered in the state for educational, cultural, scientific or other charitable purposes, as prescribed in regulations of the department.

(f) Vehicles owned by elected state officials. The department shall issue special registration plates to each incumbent elected state official for display on noncommercial motor vehicles owned and driven by the official. The department shall number or design the plates so that registration by an elected state official is indicated upon the plates. The registration plates issued under this subsection remain with the owner of the vehicle only during the official's term of office.

(g) Vehicles owned by consular officers of foreign governments. A vehicle owned by a consular officer of a foreign government shall be issued registration plates displaying the title "consular corps" or "cc." However, the commissioner may waive the registration of consular vehicles and the payment of fees and taxes when consistent with international treaties or agreements.

(h) Vehicles owned by ranchers, farmers, and dairymen. A vehicle

not exceeding an unladen total gross weight of 16,000 pounds, owned by a person deriving the person's primary source of livelihood from the operation of a ranch, farm, or dairy where the person resides full-time, and which vehicle is used exclusively to transport the person's own ranch, farm, or dairy products to and from the market or to transport supplies, commodities or equipment to be used on the person's ranch, farm or dairy, may be registered under this subsection and may be issued registration plates of a distinctive design or system of numbering.

(i) Amateur mobile radio station vehicles. A validly licensed amateur radio operator who presents satisfactory proof that the owner holds an unexpired Federal Communications Commission amateur radio operator's license of any renewable class, and who presents satisfactory proof that the vehicle contains or carries an amateur radio transmitter and receiving unit of a type applicable to the license class applied for, and who is permitted by law to operate a fixed station, may register one amateur mobile radio station vehicle for each radio license issued by the federal government and may receive for the vehicle distinctive registration plates instead of regular registration plates. The number on the plates shall be the radio call sign of the owner.

(j) Vehicles owned by dealers. A state-registered and bonded vehicle dealer may apply for dealer registration plates. A plate issued under this subsection may be used only on dealer-owned vehicles during the routine and normal course of the dealer's business, excluding service vehicles, or for transporting an unregistered vehicle from a port of entry to the dealer's facilities or from one dealer to another or, in the case of a house trailer, from the retail facility to a trailer space. If the dealer sells or transfers the vehicle, the dealer plates may be used on the vehicle by the new owner or transferee for a period of not more than five days after the sale or transfer. The department may seize the dealer plates if it has reason to believe that the plates are being used to defeat the purposes of, or are in violation of, this chapter.

(k) Occasional users of highways. The department may issue a license to the owner of a vehicle which is only occasionally used on a highway. The applicant must show to the satisfaction of the department that the vehicle to be licensed under this subsection will travel upon state highways less than five per cent of its total hours of operation. The department may not issue more than two licenses under this subsection to a single person.

(l) Vehicles owned by former prisoners of war. The department, upon receipt of written proof, may issue without charge special registration plates for one noncommercial motor vehicle to a person who has been a prisoner of war during a declared war or other conflict, as determined by the Department of Defense under federal regulations. The design and color of the prisoner of war plates shall be solely within the discretion of the commissioner. (AS 7 ch 173 SLA 1978; am § 2 ch 54 SLA 1979; am § 1 ch 151 SLA 1984)

(b) The owner of a vehicle described in AS 28.10.011 as being exempt from registration and the owner of a snowmobile or off-highway vehicle may not apply for, nor may the department issue, a certificate of title for such a vehicle. However, the department may issue a certificate of title to the owner of a vehicle exempt from registration under AS 28.10.011(3), (6), (7), (11), or (12) only upon application by that owner.

**Sec. 28.10.211. Application for title.** (a) The owner of a vehicle required to be titled under this chapter shall apply for title by properly completing and surrendering the forms prescribed by the commissioner and by complying with all applicable laws and regulations, after which the department shall issue a certificate of title.

(b) An application for title or transfer of title shall contain

(1) the signature in ink of the owner, or if there is more than one owner, the signature in ink of at least one of the owners and the name of each owner stated in the conjunctive or in the disjunctive; and

**Sec. 28.10.216. Inadequate evidence of ownership.** (a) When the department is not satisfied as to the ownership of a vehicle or believes that there may be undisclosed security interests in it, the department may register the vehicle but shall either

(1) withhold issuance of a certificate of title until the applicant presents documents sufficient to satisfy the department

(A) as to the ownership of the vehicle by applicant, and

(B) that there are no undisclosed security interests in the vehicle; or

(2) require the applicant, as a condition of the issuance of a certificate of title, to file with the department either

(A) a bond in the form prescribed by the department and executed by the applicant, or

(B) a deposit of cash.

(b) A bond or cash deposit filed under (a)(2) of this section shall be equal in amount to one and one-half times the value of the vehicle as determined by the department and be conditioned to indemnify former owners, secured parties, and subsequent purchasers of the vehicle and their successors against loss resulting from a defect in or undisclosed security interest on the title of the applicant. An injured party may sue on the bond for a breach of its conditions, but the liability of the surety or the department may not exceed the amount of the bond or deposit.

(c) The bond or deposit shall be returned (1) at the end of three years from its filing, or (2) when the vehicle is no longer registered in the state if (2) is earlier and if the certificate of title is surrendered to the department. (2) the vehicle has been scrapped, dismantled or destroyed beyond repair;

(3) the vehicle has been reported to the department as stolen or unlawfully converted, until the department learns of the recovery of the vehicle or that the report of its theft or conversion was false or erroneous; or

(4) authorized by any other provision of law.

(b) Suspension or revocation of a certificate of title under (a) of this section does not affect the rights of a lienholder named on the certificate.

**Sec. 28.10.261. Evidence.** (a) In a civil or criminal proceeding, when the title or right to possession of a vehicle is involved, the record of registrations and certificates of title as they appear in the files and records of the department are prima facie evidence of the ownership or right to possession. Proof of ownership or right to possession of a vehicle shall be made by a copy of the record certified by the department or by an original certificate of registration or title issued by the department.

NOTES TO DECISIONS

**Editor's notes.** — The cases cited in the note below were decided under former AS 28.10.560.

**Parties to an action** may introduce evidence to show who is in fact the true owner of a vehicle required to be registered under the provisions of the Alaska Motor Vehicle Act. *State Farm Mut. Auto. Ins. Co. v. Clark*, 397 F. Supp. 745 (D. Alaska 1975).

**Oral testimony.** — Subsection (a) does not preclude oral testimony as to the ownership, or right to possession, of a motor vehicle. *Weaver v. O'Meara Motor*

*Co., Sup. Ct. Op. No. 535 (File No. 961), 452 P.2d 87 (1969).*

Ordinarily oral evidence of a party that he owns property, or proof of possession, when not rebutted, is sufficient to establish the requisite ownership to maintain an action for property damage. Most courts have accepted such evidence as sufficient to establish the plaintiff's ownership of a motor vehicle so as to enable him to maintain an action for damages thereto. *Weaver v. O'Meara Motor Co., Sup. Ct. Op. No. 535 (File No. 961), 452 P.2d 87 (1969).*

Transfer of vehicle by owner.** (a) When the owner of a registered vehicle transfers or assigns the owner's title or interest in the vehicle, the registration of the vehicle expires; however, the registration plates remain on the vehicle except as otherwise provided in AS 28.10.181.

(b) The owner shall, at the time of delivery of the vehicle, endorse an assignment and warranty of title to the transferee in the space provided on the certificate of title. The owner shall deliver the certificates of title and registration to the transferee at the time of delivery of the vehicle, except as otherwise provided in AS 28.10.291.

(c) The owner shall notify the department of the transfer or assignment of the owner's title or interest in the vehicle within 10 days following transfer or assignment. This notification shall constitute a valid transfer under AS 28.10.321 and 28.10.361. The notice form to be provided by the department shall include the following information:

- (1) name and address of owner;
- (2) name and address of transferee;

**Sec. 28.10.281. Transfer to dealer.** (a) When the owner of a registered vehicle transfers or assigns the owner's title or interest to a vehicle dealer under AS 28.10.271, the dealer is not required to present the certificates of registration and title to the department as provided in AS 28.10.321 and 28.10.361 until the vehicle is transferred by the dealer.

(b) A vehicle transferred to a dealer may not be driven unless it is re-registered under this chapter or is driven under dealer registration plates issued under AS 28.10.181(j). (§ 7 ch 178 SLA 1978)

NOTES TO DECISIONS

*Sec. 28.10.290. Temporary permits. [Repealed, § 7 ch 178 SLA 1978.]*

**Sec. 28.10.291. Transfer from dealer.** (a) A vehicle dealer, upon transferring a vehicle, shall execute an assignment and a warranty of title to the transferee as provided in AS 28.10.271 and furnish proof of the sale of the vehicle to the transferee.

(b) The dealer shall, within 30 days of the transfer of the vehicle, forward to the department the transferee's completed application for new certificates of title and registration except as provided in (c) of this section. The application shall contain the vehicle dealer's license number and shall be accompanied by any required fees and taxes.

(c) If the transferee indicates in a sworn affidavit that the transferee does not intend to use the vehicle in a manner requiring registration in this state, the dealer may deliver the certificate of title to the transferee directly. The dealer shall mail or deliver the affidavit to the department within five days of the transfer. (§ 7 ch 178 SLA 1978)

*Sec. 28.10.300. False statements. [Repealed, § 7 ch 178 SLA 1978.]*

**Sec. 28.10.301. Transfer of motor vehicle to minor.** (a) An agreement for the purchase of a motor vehicle by a minor who has not been emancipated is void unless a parent or guardian of the minor is also a party to the agreement.

(b) In this section, "emancipated" means that a minor to whom the term refers is a resident of this state and is at least 16 years of age, is living separate and apart from the minor's parents or guardian, and is capable of self-support and of managing the minor's own financial affairs.

(c) If a vehicle is improperly transferred to a minor, the title to and registration of the vehicle remains with the owner and does not transfer to the minor or the parent or guardian of the minor. However, if the certificate of title and registration for the vehicle has been delivered to the minor or the parent or guardian of the minor, that person shall immediately deliver the certificate of title and registration to the department. The department shall reissue title to the previous owner of record. (§ 7 ch 178 SLA 1978)

*Sec. 28.10.310. Refusal. [Repealed, § 7 ch 178 SLA 1978.]*

**Sec. 28.10.311. Transfer by operation of law.** (a) When the title to, or interest in, a registered vehicle passes to another person other than by a voluntary transfer, the registration of that vehicle expires.

(b) A person holding a certificate of title to a vehicle whose interest in the vehicle has been extinguished or transferred other than by voluntary transfer shall mail or deliver the certificates of title and registration to the department upon request of the department. The delivery of the certificates of title and registration to the department upon its request does not affect the rights of the person surrendering the certificate of title, and the action of the department in issuing a new certificate of title or registration as provided in this chapter is not conclusive upon the rights of an owner or lienholder named in the surrendered certificate of title. (§ 7 ch 178 SLA 1978)

*Sec. 28.10.320. Issuance. [Repealed, § 7 ch 178 SLA 1978.]*

**Sec. 28.10.321. New owner to secure transfer of registration and new title.** (a) Except as provided under AS 28.10.281 and 28.10.291, the new owner shall, within 30 days, present the certificates of title and registration properly endorsed to the department, apply for a new title, and register the vehicle as upon an original registration.

(b) An application for certificates of title and registration shall be accompanied by any required registration fees and taxes, transfer of title and lien fees, and by the previous certificates of title and registration, if any. (§ 7 ch 178 SLA 1978; am § 40 ch 21 SLA 1985)

**Effect of amendments.** — The 1985 amendment, effective May 10, 1985, deleted "and motor freight carrier or bus transportation fees, if any," following "lien fees" in subsection (b).

*Sec. 28.10.330. Delivery. [Repealed, § 7 ch 178 SLA 1978.]*

**Sec. 28.10.331. Department to issue new certificates of title and registration.** The department, upon receipt of the certificate of title properly endorsed, the certificate of registration, the registration plates, if any, the application for new title and registration and all required fees and taxes, shall issue a certificate of title and a certificate of registration to the transferee or the lienholder lawfully entitled to the certificates. **Sec. 28.10.371. Filing documents evidencing liens or encumbrances.** A conditional sales contract, chattel mortgage, or other lien or encumbrance or title retention document on a registered vehicle, other than a lien dependent upon possession, is not valid against a vehicle owner's creditor who acquires a lien dependent upon possession, or by levy or attachment, or against a subsequent purchaser or encumbrancer without notice, until the requirements of AS 28.10.371 — 28.10.401 are satisfied. *Sec. 28.10.380. Dealer's transfer. (Repealed. § 7 ch 178 SLA 1975.)*

**Sec. 28.10.381. Provisions for filing and issuance of title.** (a) A copy of the document creating and evidencing a lien or encumbrance shall be filed with the department.

(b) If a certificate of title is issued before a lien or encumbrance attaches, the copy of the document creating and evidencing the lien or encumbrance shall be accompanied by the certificate of title issued for the vehicle.

(c) If the vehicle is of a type subject to registration but is not registered and no certificate of title is issued for it, then the certified copy of the document creating and evidencing the lien or encumbrance shall be accompanied by an application from the owner for original certificates of registration and title. When a document creating and evidencing a lien or encumbrance is filed with the department, the lien filing fee required under AS 28.10.441 shall be paid.

(d) Upon receipt of the application and documents, the department shall endorse on them the date of receipt at the central office of the department and file them. If the department is satisfied as to the genuineness and regularity of the application, it shall issue a new certificate of title giving the name of the owner and a statement of liens or encumbrances certified to the department as existing against the vehicle. The certificate of title shall be delivered by the department to the person holding the lien or encumbrance. (§ 7 ch 178 SLA 1973)

*Sec. 28.10.390. Transfer to dealer. (Repealed. § 7 ch 178 SLA 1973.)*

**Sec. 28.10.391. Filing and date of notice.** (a) The filing of the application and documents under AS 28.10.381 and the issuance of a new certificate of title are constructive notice of any liens or encumbrances against the vehicle described in the certificate to a creditor of the owner, or to a subsequent purchaser or encumbrancer. However, a lien or encumbrance on a vehicle for labor, material, transportation, storage or similar activity, whether or not dependent on possession for its validity, is subordinate only to a mortgage, conditional sale contract, or similar lien or encumbrance properly filed on or before the time that the vehicle is subject to, or comes into possession of, the lien or encumbrance claimant for the labor, material, transportation, storage or similar activity.

(b) If the documents referred to in AS 28.10.371 — 28.10.401 are received and filed in the central office of the department within 10 days after the date that the documents were executed, the constructive notice dates from the time of the execution of the documents. Otherwise, constructive notice dates from the time of receipt and filing of the documents by the department as shown in its endorsement on the documents.

(c) Filing as provided in AS 28.10.371 — 28.10.401 is the exclusive method of giving constructive notice of a lien or encumbrance on a registered vehicle, except as to a lien dependent upon possession.

(d) A lien or encumbrance, or a document creating and evidencing a lien or encumbrance is exempt from the other provisions of law which require or relate to the recording or filing of a document creating and evidencing a lien or encumbrance upon a vehicle of a type subject to registration under this chapter. (§ 7 ch 178 SLA 1973)

NOTES TO DECISIONS

**Editor's notes.** — The cases cited in the note below were decided under former AS 28.10.510.

**Determination of priority of liens rests with the legislature,** and its intent should be the controlling factor. *Blackard v. City Nat'l Bank*, 16 Alaska J44, 142 F. Supp. 753 (D. Alaska 1956); *Decker v. Aurora Motors, Inc.*, Sup. Ct. Op. No. 314 (File No. 593), 409 P.2d 603 (1966).

**Mechanic's lien subordinated to prior recorded security interest.** — AS 34.35.200(2), when read in conjunction with former AS 28.10.510, evidenced the legislature's intent to subordinate a mechanic's lien to a prior recorded security interest. *Decker v. Aurora Motors, Inc.*, Sup. Ct. Op. No. 314 (File No. 593), 409 P.2d 603 (1966).

Therefore, the priority given to a mechanic's lien by AS 45.05.750 is not applicable. *Decker v. Aurora Motors, Inc.*, Sup. Ct. Op. No. 314 (File No. 593), 409 P.2d 603 (1966).

If an artisan retains possession, he has a lien whether he records it or not. The Motor Vehicle Act respects this right. *Blackard v. City Nat'l Bank*, 16 Alaska J44, 142 F. Supp. 753 (D. Alaska 1956).

**Effect of Uniform Commercial Code.** — Nothing contained in the Uniform Commercial Code altered the priorities under former AS 28.10.510 and AS 34.35.200(2). *Decker v. Aurora Motors, Inc.*, Sup. Ct. Op. No. 314 (File No. 593), 409 P.2d 603 (1966).

**Sec. 28.10.400. Transfer by dealer.** (Repealed. § 7 ch 178 SLA 1978.)

**Sec. 28.10.401. Assignment or release by lienholder.** (a) A person holding a lien or encumbrance upon a vehicle, other than a lien dependent solely upon possession, may assign that person's title to or interest in the vehicle to a person other than the owner without the consent of the owner and without affecting the interest of the owner or the registration of the vehicle. The person assigning the interest shall give written notice of the assignment to the owner. Upon receiving a certificate of title assigned by the holder of a lien or encumbrance shown on the certificate and the name and address of the assignee, accompanied by the title fee required under AS 28.10.441, the department shall issue a new certificate of title.

(b) A person holding a lien or encumbrance upon a vehicle, as shown on a certificate of title, may release the lien or encumbrance or assign that person's interest to the owner of the vehicle without affecting the registration of the vehicle. Upon receiving a certificate of title upon which a lienholder has released or assigned the lienholder's interest to the owner, or upon receipt of a certificate not endorsed but accompanied by a legal release from a lienholder of the lienholder's interest to a vehicle, and upon payment of the title fee required under AS 28.10.441, the department shall issue a new certificate of title. a motor vehicle, has a possessory lien on the vehicle. This lien attaches when the person acts under a contract with the owner or at the direction of a public officer acting lawfully or a person entitled to possession of the property upon which the motor vehicle is parked without consent. The lien remains in effect while the motor vehicle is in the possession of the person, and the vehicle may be sold, as provided in (c) of this section, to pay the charges for towing, transportation or storage.

(b) A lien under this section is limited to towing and storage charges assessed according to the tariff filed by the carrier with the Alaska Transportation Commission; however, in the absence of a filed tariff, the towing or storage charge shall be the same as the lowest similar charge in the other filed tariffs covering the same service or route. Storage charges cease to be part of the lien after 60 days unless the registered owner or primary lienholder, if any, has been given actual notice of the possessory lien within that time or unless a certified letter has been mailed within that time to the owner and primary lienholder, if any, at their addresses of record with the Department of Public Safety or the corresponding office in another jurisdiction in which the title to the motor vehicle and the lien on it are recorded.

(c) If the motor vehicle remains unclaimed for a period of 30 days in the possession of the person who performed the towing, transportation or storage, it shall be sold on giving 20 days notice of the sale. The notice shall be delivered to the proper officer and personally served on the registered owner and all lienholders, if any, of the motor vehicle in the same manner as provided by law for service of summons. If either of these persons cannot be located and served personally, notice of the sale shall be forwarded to the registered owner and all lienholders, if any, at their last known address by certified mail, return receipt requested. This notice shall contain a description of the motor vehicle, including its registration plate number and vehicle identification number, together with the time and place of sale, a statement of the amount due, and the name and address of the person to whom the charges are due.

(d) The money realized from a sale made under this section shall be applied first to the payment of costs and expenses of the sale and secondly to the lawful charges of the person having a lien on the motor vehicle under this section. Remaining proceeds from the sale shall be retained by the Department of Public Safety to be distributed to the registered and legal owner or lienholder entitled to the remaining proceeds. A purchaser in good faith of a titled motor vehicle sold under this section takes the motor vehicle free of any rights of prior lien. (§ 21 ch 178 SLA 1978)
