REVENUE

1. (DL Compact - Increase DL Fees - Sec. 15) This section doubles most driver licensing fees. Estimated increase for FY87 in revenue is \$575,000. At the present time, on a cost per year basis, the Alaska driver's license costs less now than in 1961, because the duration of the license was increased from 3 to 5 years in 1978, and the fees were not changed.
2. (Nat'l' Guard Plates - Sec. 9) Estimated increase of \$115,000 based on 3,000 new registrations the first year at \$30, plus the \$10 increase for 2,500 personalized license plates each year. The revenue estimates for this item could vary depending on the number of National Guard Members who obtain the special plate.
3. (Section 3) Exempting certain areas from registration will decrease revenues by approximately \$107,420 in FY87 and subsequent years.
4. Sections 7, 8 and 9, not including #2 above. Estimated increase of \$2,250,000 in FY87 based on 450,000 vehicles times \$5.00 per vehicle increase in registration fee.

4 al may be used against the person in a civil or criminal action or
5 proceeding arising out of an act alleged to have been committed by the
6 person while operating or driving a motor vehicle or operating an air-
7 craft or a watercraft while intoxicated, and that the refusal is a
8 misdemeanor, a chemical test may [SHALL] not be given, except as
9 provided by AS 28.35.035.

10 * Sec. 18. AS 28 is amended by adding a new chapter to read:

11 CHAPTER 37. DRIVER LICENSE COMPACT.

12 ARTICLE 1. GENERAL PROVISIONS.

13 Sec. 28.37.010. COMPACT ENACTED. The Driver License Compact is
14 enacted into law and entered into with all other jurisdictions legally
15 joining in it in the form substantially contained in AS 28.37.110 -
16 28.37.190.

17 Sec. 28.37.020. LICENSING AUTHORITY. In this chapter the term
18 "licensing authority" with reference to this state means the division
19 of motor vehicles in the Department of Public Safety. The department
20 shall furnish to the appropriate authority of another party state the
21 information or documents reasonably necessary to facilitate the admin-
22 istration of AS 28.37.130 - 28.37.150.

23 Sec. 28.37.030. EXPENSES OF ADMINISTRATOR. The compact adminis-
24 trator provided for in AS 28.37.170 is not entitled to additional
25 compensation on account of service as the administrator, but is enti-
26 tled to expenses incurred in connection with the duties and responsi-
27 bilities as the administrator, in the same manner as for expenses
28 incurred in connection with other duties or responsibilities of the
29 office or employment.

1 Sec. 28.37.040. EXECUTIVE HEAD. In this chapter, with reference
2 to this state, the term "executive head" means the governor.

3 ARTICLE 2. COMPACT TERMS.

4 Sec. 28.37.110. FINDINGS AND POLICY STATEMENT. (a) The party
5 states find that

6 (1) the safety of their streets and highways is materially
7 affected by the degree of compliance with state laws and local ordi-
8 nances relating to the operation of motor vehicles;

9 (2) violation of a law or ordinance is evidence that the
10 violator engages in conduct that is likely to endanger the safety of
11 persons and property;

12 (3) the continuance in force of a license to drive is
13 predicated upon compliance with laws and ordinances relating to the
14 operation of motor vehicles, in whichever jurisdiction the vehicle is
15 operated.

16 (b) It is the policy of the party states to

17 (1) promote compliance with the laws, ordinances, and
18 administrative regulations relating to the operation of motor vehicles
19 by their drivers in each of the jurisdictions where those drivers
20 operate motor vehicles;

21 (2) make the reciprocal recognition of licenses to drive
22 and eligibility for them more just and equitable by considering the
23 overall compliance with motor vehicle laws, ordinances, and adminis-
24 trative regulations as a condition precedent to the continuance or
25 issuance of a license by reason of which the licensee is authorized or
26 permitted to operate a motor vehicle in the party states.

27 Sec. 28.37.120. COMPACT DEFINITIONS. In this chapter

28 (1) "conviction" means a conviction of an offense related
29 to the use or operation of a motor vehicle that is prohibited by state

1 law, municipal ordinance, or administrative regulation, or a forfei-
2 ture of bail, bond or other security deposited to secure appearance by
3 a person charged with having committed an offense described in this
4 paragraph, and that is required to be reported to the licensing au-
5 thority under AS 28.37.130;

6 (2) "home state" means the state that has issued and has
7 the power to suspend or revoke the use of the license or permit to
8 operate a motor vehicle;

9 (3) "state" means a state, territory, or possession of the
10 United States, the District of Columbia, or the Commonwealth of Puerto
11 Rico.

12 Sec. 28.37.130. REPORTS OF CONVICTIONS. The licensing authority
13 of a party state shall report each conviction of a person from another
14 party state occurring within its jurisdiction to the licensing author-
15 ity of the home state of the licensee. The report shall clearly iden-
16 tify the person convicted; describe the violation specifying the
17 section of the statute, code, or ordinance violated; identify the
18 court in which action was taken; indicate whether a plea of guilty or
19 not guilty was entered, or the conviction was a result of the forfei-
20 ture of bail, bond or other security; and shall include any special
21 findings made in connection with the conviction.

22 Sec. 28.37.140. EFFECT OF CONVICTION IN PARTY STATE. (a) The
23 licensing authority in the home state, for the purposes of suspending,
24 revoking, or limiting the license to operate a motor vehicle, shall
25 give the same effect to the conduct reported under AS 28.37.130 as it
26 would if the conduct had occurred in the home state, in the case of a
27 conviction for

28 (1) manslaughter or negligent homicide resulting from the
29 operation of a motor vehicle;

1 (2) driving a motor vehicle while under the influence of
2 intoxicating liquor or a narcotic drug, or under the influence of any
3 other drug to a degree that renders the driver incapable of safely
4 driving a motor vehicle;

5 (3) any felony in the commission of which a motor vehicle
6 is used;

7 (4) failure to stop and render aid in the event of a motor
8 vehicle accident resulting in the death or personal injury of another.

9 (b) As to another conviction, reported under AS 28.37.130, the
10 licensing authority in the home state shall give the effect to the
11 conduct that is provided by the laws of the home state if the offense
12 constituting the conduct report under AS 28.37.130 has elements simi-
13 lar to those of the home state as defined in the home state at the
14 time the offense constituting the conduct report under AS 28.37.130
15 was committed.

16 (c) If the laws of a party state do not provide for offenses or
17 violations denominated or described in precisely the words employed in
18 (a) of this section, the party state shall construe the denominations
19 and descriptions appearing in (a) of this section as being applicable
20 to and identifying the offenses or violations of a substantially
21 similar nature, and the laws of the party state shall contain the
22 provisions necessary to ensure that full force and effect is given to
23 this section.

24 Sec. 28.37.150. GROUNDS REQUIRING REFUSAL TO ISSUE LICENSE.
25 Upon application for a license to drive, the licensing authority in a
26 party state shall ascertain whether the applicant has ever held, or is
27 the holder of a license to drive issued by another party state. The
28 licensing authority in the state where application is made may not
29 issue a license to drive to the applicant if

1 (1) the applicant has held a license, but the license has
2 been suspended by reason, in whole or in part, of a violation, and the
3 suspension period has not terminated;

4 (2) the applicant has held a license, but the license has
5 been revoked by reason, in whole or in part, of a violation, and the
6 revocation has not terminated; except that after the expiration of one
7 year from the date the license was revoked, the person may make appli-
8 cation for a new license if permitted by law; the licensing authority
9 may refuse to issue a license to an applicant if, after investigation,
10 the licensing authority determines that it will not be safe to grant
11 to the person the privilege of driving a motor vehicle on the public
12 highways;

13 (3) the applicant is the holder of a license to drive
14 issued by another party state and currently in force, unless the
15 applicant surrenders the license.

16 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as
17 expressly required by provisions of this chapter, nothing in this
18 chapter shall be construed to affect the right of a party state to
19 apply any of its other laws relating to licenses to drive to any
20 person or circumstance, nor to invalidate or prevent any driver li-
21 cense agreement or other cooperative arrangement between a party state
22 and a nonparty state.

23 Sec. 28.37.170. ADMINISTRATOR OF COMPACT. (a) The head of the
24 licensing authority of each party state shall be the administrator of
25 the compact for that state. The administrators of all party states,
26 acting jointly, shall have the power to formulate all necessary and
27 proper procedures for the exchange of information under this compact.

28 (b) The administrator of each party state shall furnish to the
29 administrator of each other party state the information or documents

1 reasonably necessary to facilitate the administration of the compact.

2 Sec. 28.37.180. COMPACT AS LAW; WITHDRAWAL PROCEDURE. (a) The
3 compact shall become effective as to any state in which the compact
4 becomes effective as the law of that state.

5 (b) A party state may withdraw from the compact by enacting a
6 statute repealing the compact as the law of the state, but a with-
7 drawal may not take effect until six months after the executive head
8 of the withdrawing state has given notice of the withdrawal to the
9 executive heads of all other party states. Withdrawal does not affect
10 the validity or applicability by the licensing authorities of states
11 remaining party to the compact of any report of conviction occurring
12 before the withdrawal.

13 Sec. 28.37.190. CONSTRUCTION AND VALIDITY; SEVERABILITY. The
14 compact shall be liberally construed so as to effectuate its purposes.
15 The provisions of the compact are severable and if any phrase, clause,
16 sentence, or provision of the compact is declared to be contrary to
17 the constitution of any party state or of the United States or the
18 applicability of it to a government, agency, person or circumstance is
19 held invalid, the validity of the remainder of the compact and the
20 applicability of it to any government, agency, person or circumstance
21 shall not be affected by it. If the compact is held contrary to the
22 constitution of any party state, the compact shall remain in full
23 force and effect as to the remaining states and in full force and
24 effect as to the state affected as to all severable matters.

REVENUE

(DL Compact - Increase DL Fees - Sec. 14) This section doubles most driver licensing fees. Estimated increase for FY87 in revenue is \$575,000. At the present time, on a cost per year basis, the Alaska driver's license costs less now than in 1961, because the duration of the license was increased from three to five years in 1978, and the fees were not changed. Also on a cost per year basis, only Wyoming charges less for a driver's license than Alaska.

(Natl' Guard Plates - Sec. 7) Estimated increase of \$115,000 based on 3,000 new registrations the first year at \$30, plus the \$10 increase for 2,500 personalized license plates each year. The revenue estimates for this item could vary depending on the number of National Guard members who obtain the special plate.

(Sec. 3) Exempting certain areas from registration will decrease revenues by approximately \$107,420 in FY87 and subsequent years.

7 motor vehicles; senior citizen motor vehicle tax
8 exemptions; licensing of certain drivers; fees for

13 * Section 1. AS 28.05.091 is amended to read:

14 Sec. 28.05.091. VEHICLE IMPOUNDMENT [SEIZURE OF UNSAFE OR DE-
15 FECTIVELY EQUIPPED VEHICLE]. A motor vehicle that [WHICH] is driven
16 on a highway or vehicular way or area, and that [WHICH] has been
17 determined to be defective in equipment so as to be unsafe for driv-
18 ing, or on which the vehicle identification number has been removed,
19 defaced, or otherwise altered, is an unlawful vehicle and may be
20 impounded by a peace officer or an employee of the department offi-
21 cially designated for that purpose. The owner or person in lawful
22 possession of a vehicle that is driven on a highway or vehicular way
23 or area and that is so defective in equipment as to be unsafe for
24 driving [THE VEHICLE] shall pay the necessary costs of impounding and
25 storing the vehicle. The impounding of a vehicle is in addition to
26 any other penalty. Nothing in this section prevents the driving or
27 moving of a defective vehicle in the manner directed by the peace
28 officer or employee to a place for

29 the correction of a defect in the equipment;

1 (2) dismantling or wrecking; or

2 (3) storage without repair.

3 * Sec. 2. AS 28.05.141(c) is amended to read:

4 (c) If at the hearing under (a) of this section it appears that
5 the record of the person sustains suspension, revocation, limitation,
6 denial, or other remedial action, the hearing officer shall so order
7 and the department may suspend, revoke, limit, deny, or take other
8 remedial action against that person's license, registration, or title
9 and, if appropriate, the department shall adjust the person's point
10 total accumulated under AS 28.15.231.

11 * Sec. 3. AS 28.10.011(11) is repealed and reenacted to read:

12 (11) being driven or moved on a highway, vehicular way, or a
13 public parking place in the state that is not connected by a land
14 highway or vehicular way to

15 (A) the land-connected state highway system, or

16 (B) a highway or vehicular way with an average daily
17 traffic volume greater than 499;

18 * Sec. 4. AS 28.10.051 is amended to read:

19 Sec. 28.10.051. DEPARTMENT MAY SUSPEND OR REVOKE REGISTRATION.
20 The department may suspend or revoke the registration of a vehicle,
21 the certificate of registration or registration plates for a vehicle,

25 erroneously issued;

26 (2) the department determines that a registered vehicle is
27 mechanically unsafe to be driven or moved on a highway, vehicular way
28 or area, or other public property in this state and the vehicle has
29 been seized or impounded under AS 28.05.091;

1 (3) a registered vehicle has been scrapped, dismantled or
2 destroyed beyond repair;

3 (4) the department determines that a required fee or tax
4 has not been paid and the fee or tax is not paid upon reasonable
5 notice and demand;

6 (5) a registration plate, permit, or certificate is know-
7 ingly displayed upon a vehicle other than the vehicle for which is-
8 sued;

9 (6) the department determines that the owner of a vehicle
10 has committed an offense under this chapter involving the registration
11 or the certificate, plate, or permit to be suspended or revoked;

12 (7) the vehicle has been reported to the department as
13 stolen or unlawfully converted; or

14 (8) the department is otherwise required to do so under the
15 laws of this state.

16 * Sec. 5. AS 23.10.181 is amended by adding a new subsection to read:

17 (m) Special request plates for Alaska National Guard personnel.
18 Upon application by the owner of a passenger vehicle, noncommercial
19 van or pick-up truck, or motor home who presents satisfactory proof of
20 current membership in the Alaska National Guard, the department may
21 design and issue registration plates that identify the vehicle as
22 registered to a member of the Alaska National Guard. The owner shall
23 return the registration plates to the department within 10 days fol-
24 lowing discharge from the Alaska National Guard.

25 * Sec. 6. AS 23.10.411(c) is amended to read:

18 for the transportation of persons or property for hire or for other
19 commercial use, including, but not limited to, a boat trailer, baggage
20 trailer, box trailer, utility trailer or house trailer \$ 5.

21 * Sec. 8. AS 28.10.421(c) is amended to read:

23 imposed and are based upon the actual unladen weight as established by
24 the manufacturer's advertised weight or upon the actual weight which
25 the owner shall furnish, subject to the approval of the commissioner
26 or the commissioner's representative, for a vehicle, including a motor
27 vehicle pulling a trailer or semi-trailer, used or maintained for the
28 transportation of passengers for hire, excepting taxicabs and buses
29 under (b) of this section, or for the transportation of property for

1 hire or for other commercial use, including a commercial vehicle such
2 as a trailer, semi-trailer, truck, wrecker, tow car, hearse,
3 ambulance, and tractor, as follows:

- 4 (1) up to and including 5,000 pounds \$50 [\$45];

10 ARTICLE 1. GENERAL PROVISIONS.

11 Sec. 28.37.010. COMPACT ENACTED. The Driver License Compact is
12 enacted into law and entered into with all other jurisdictions legally
13 joining in it in the form substantially contained in AS 28.37.110 -
14 28.37.190.

15 Sec. 28.37.020. LICENSING AUTHORITY. In this chapter the term
16 "licensing authority" with reference to this state means the division
17 of motor vehicles in the Department of Public Safety. The department
18 shall furnish to the appropriate authority of another party state the
19 information or documents reasonably necessary to facilitate the admin-
20 istration of AS 28.37.130 - 28.37.150.

21 Sec. 28.37.030. EXPENSES OF ADMINISTRATOR. The compact adminis-
22 trator provided for in AS 28.37.170 is not entitled to additional
23 compensation on account of service as the administrator, but is enti-
24 tled to expenses incurred in connection with the duties and responsi-

ARTICLE 2. COMPACT TERMS.

Sec. 28.37.110. FINDINGS AND POLICY STATEMENT. (a) The party states find that

(1) the safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles;

(2) violation of a law or ordinance is evidence that the violator engages in conduct that is likely to endanger the safety of persons and property;

(3) the continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of the party states to

(1) promote compliance with the laws, ordinances, and administrative regulations relating to the operation of motor vehicles by their drivers in each of the jurisdictions where those drivers operate motor vehicles;

(2) make the reciprocal recognition of licenses to drive and eligibility for them more just and equitable by considering the overall compliance with motor vehicle laws, ordinances, and administrative regulations as a condition precedent to the continuance or issuance of a license by reason of which the licensee is authorized or permitted to operate a motor vehicle in the party states.

Sec. 28.37.120. COMPACT DEFINITIONS. In this chapter

(1) "conviction" means a conviction of an offense related to the use or operation of a motor vehicle that is prohibited by state law, municipal ordinance, or administrative regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by

1 a person charged with having committed an offense described in this
2 paragraph, and that is required to be reported to the licensing au-
3 thority under AS 28.37.130;

4 (2) "home state" means the state that has issued and has
5 the power to suspend or revoke the use of the license or permit to
6 operate a motor vehicle;

7 (3) "state" means a state, territory, or possession of the
8 United States, the District of Columbia, or the Commonwealth of Puerto
9 Rico.

10 Sec. 28.37.130. REPORTS OF CONVICTIONS. The licensing authority
11 of a party state shall report each conviction of a person from another
12 party state occurring within its jurisdiction to the licensing author-
13 ity of the home state of the licensee. The report shall clearly iden-
14 tify the person convicted; describe the violation specifying the
15 section of the statute, code, or ordinance violated; identify the
16 court in which action was taken; indicate whether a plea of guilty or
17 not guilty was entered, or the conviction was a result of the forfei-
18 ture of bail, bond or other security; and shall include any special
19 findings made in connection with the conviction.

20 Sec. 28.37.140. EFFECT OF CONVICTION IN PARTY STATE. (a) The
21 licensing authority in the home state, for the purposes of suspending,
22 revoking, or limiting the license to operate a motor vehicle, shall
23 give the same effect to the conduct reported under AS 28.37.130 as it
24 would if the conduct had occurred in the home state, in the case of a
25 conviction for

26 (1) manslaughter or negligent homicide resulting from the
27 operation of a motor vehicle;

28 (2) driving a motor vehicle while under the influence of
29 intoxicating liquor or a narcotic drug, or under the influence of any

1 other drug to a degree that renders the driver incapable of safely
2 driving a motor vehicle;

3 (3) any felony in the commission of which a motor vehicle
4 is used;

5 (4) failure to stop and render aid in the event of a motor
6 vehicle accident resulting in the death or personal injury of another.

7 (b) As to another conviction, reported under AS 28.37.130, the
8 licensing authority in the home state shall give the effect to the
9 conduct that is provided by the laws of the home state if the offense
10 constituting the conduct report under AS 28.37.130 has elements simi-
11 lar to those of the home state as defined in the home state at the
12 time the offense constituting the conduct report under AS 28.37.130
13 was committed.

14 (c) If the laws of a party state do not provide for offenses or
15 violations denominated or described in precisely the words employed in
16 (a) of this section, the party state shall construe the denominations
17 and descriptions appearing in (a) of this section as being applicable
18 to and identifying the offenses or violations of a substantially
19 similar nature, and the laws of the party state shall contain the
20 provisions necessary to ensure that full force and effect is given to
21 this section.

22 Sec. 28.37.150. GROUNDS REQUIRING REFUSAL TO ISSUE LICENSE.
23 Upon application for a license to drive, the licensing authority in a
24 party state shall ascertain whether the applicant has ever held, or is
25 the holder of a license to drive issued by another party state. The
26 licensing authority in the state where application is made may not
27 issue a license to drive to the applicant if

28 (i) the applicant has held a license, but the license has
29 been suspended by reason, in whole or in part, of a violation, and the

1 suspension period has not terminated;

2 (2) the applicant has held a license, but the license has
3 been revoked by reason, in whole or in part, of a violation, and the
4 revocation has not terminated; except that after the expiration of one
5 year from the date the license was revoked, the person may make appli-
6 cation for a new license if permitted by law; the licensing authority
7 may refuse to issue a license to an applicant if, after investigation,
8 the licensing authority determines that it will not be safe to grant
9 to the person the privilege of driving a motor vehicle on the public
10 highways;

11 (3) the applicant is the holder of a license to drive
12 issued by another party state and currently in force, unless the
13 applicant surrenders the license.

14 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as
15 expressly required by provisions of this chapter, nothing in this
16 chapter shall be construed to affect the right of a party state to
17 apply any of its other laws relating to licenses to drive to any
18 person or circumstance, nor to invalidate or prevent any driver li-
19 cense agreement or other cooperative arrangement between a party state
20 and a nonparty state.

21 Sec. 28.37.170. ADMINISTRATOR OF COMPACT. (a) The head of the
22 licensing authority of each party state shall be the administrator of
23 the compact for that state. The administrators of all party states,
24 acting jointly, shall have the power to formulate all necessary and
25 proper procedures for the exchange of information under this compact.

26 (b) The administrator of each party state shall furnish to the
27 administrator of each other party state the information or documents
28 reasonably necessary to facilitate the administration of the compact.

29 Sec. 28.37.180. COMPACT AS LAW; WITHDRAWAL PROCEDURE. (a) The

1 compact shall become effective as to any state in which the compact
2 becomes effective as the law of that state.

3 (b) A party state may withdraw from the compact by enacting a
4 statute repealing the compact as the law of the state, but a with-
5 drawal may not take effect until six months after the executive head
6 of the withdrawing state has given notice of the withdrawal to the
7 executive heads of all other party states. Withdrawal does not affect
8 the validity or applicability by the licensing authorities of states
9 remaining party to the compact of any report of conviction occurring
10 before the withdrawal.

11 Sec. 28.37.190. CONSTRUCTION AND VALIDITY; SEVERABILITY. The
12 compact shall be liberally construed so as to effectuate its purposes.
13 The provisions of the compact are severable and if any phrase, clause,
14 sentence, or provision of the compact is declared to be contrary to
15 the constitution of any party state or of the United States or the
16 applicability of it to a government, agency, person or circumstance is
17 held invalid, the validity of the remainder of the compact and the
18 applicability of it to any government, agency, person or circumstance
19 shall not be affected by it. If the compact is held contrary to the
20 constitution of any party state, the compact shall remain in full
21 force and effect as to the remaining states and in full force and
22 effect as to the state affected as to all severable matters.

REVENUE

1. (DL Compact - Increase DL Fees - Sec. 15) This section doubles most driver licensing fees. Estimated increase for FY87 in revenue is \$575,000. At the present time, on a cost per year basis, the Alaska driver's license costs less now than in 1961, because the duration of the license was increased from 3 to 5 years in 1978, and the fees were not changed.
2. (Nat'l Guard Plates - Sec. 9) Estimated increase of \$115,000 based on 3,000 new registrations the first year at \$30, plus the \$10 increase for 2,500 personalized license plates each year. The revenue estimates for this item could vary depending on the number of National Guard Members who obtain the special plate.
3. (Section 3) Exempting certain areas from registration will decrease revenues by approximately \$107,420 in FY87 and subsequent years.
4. Sections 7, 8 and 9, not including #2 above. Estimated increase of \$2,250,000 in FY87 based on 450,000 vehicles times \$5.00 per vehicle increase in registration fee.

REVENUE

(DL Compact - Increase DL Fees - Sec. 14) This section doubles most driver licensing fees. Estimated increase for FY87 in revenue is \$575,000. At the present time, on a cost per year basis, the Alaska driver's license costs less now than in 1961, because the duration of the license was increased from three to five years in 1978, and the fees were not changed. Also on a cost per year basis, only Wyoming charges less for a driver's license than Alaska.

(Natl' Guard Plates - Sec. 7) Estimated increase of \$115,000 based on 3,000 new registrations the first year at \$30, plus the \$10 increase for 2,500 personalized license plates each year. The revenue estimates for this item could vary depending on the number of National Guard members who obtain the special plate.

(Sec. 3) Exempting certain areas from registration will decrease revenues by approximately \$107,420 in FY87 and subsequent years.

INTRODUCTORY COMMENTS

INTRODUCTORY COMMENTS

I. The Driver License Compact: SB 278.

Currently it is possible for a driver to lose his or her driver's license in another state, move to Alaska and get an Alaska driver's license.

This bill would require Alaska to exchange information on traffic convictions and license suspensions with the 32 other states which are members of the Driver License Compact.

If this bill becomes law, an applicant would be denied an Alaska driver's license if his driver's license were currently suspended in another state.

An Example:

A 16-year-old Anchorage girl died on Halloween Night 1980 when the pick-up truck in which she was a passenger was struck at 80 mph on Tudor Road in Anchorage by a 23-year-old drunk driver whose license was suspended indefinitely in Ohio for DWI and other traffic violations.

The driver, Thomas Arnold, had had no trouble getting an Alaska license. His blood alcohol the night of the accident was about 2.0.

If the Compact had been in effect, Arnold would have been refused an Alaska driver's license for the duration of his Ohio suspension. A life might have been saved.

This bill is found in Sections 14, 16 and 18 of the bill.

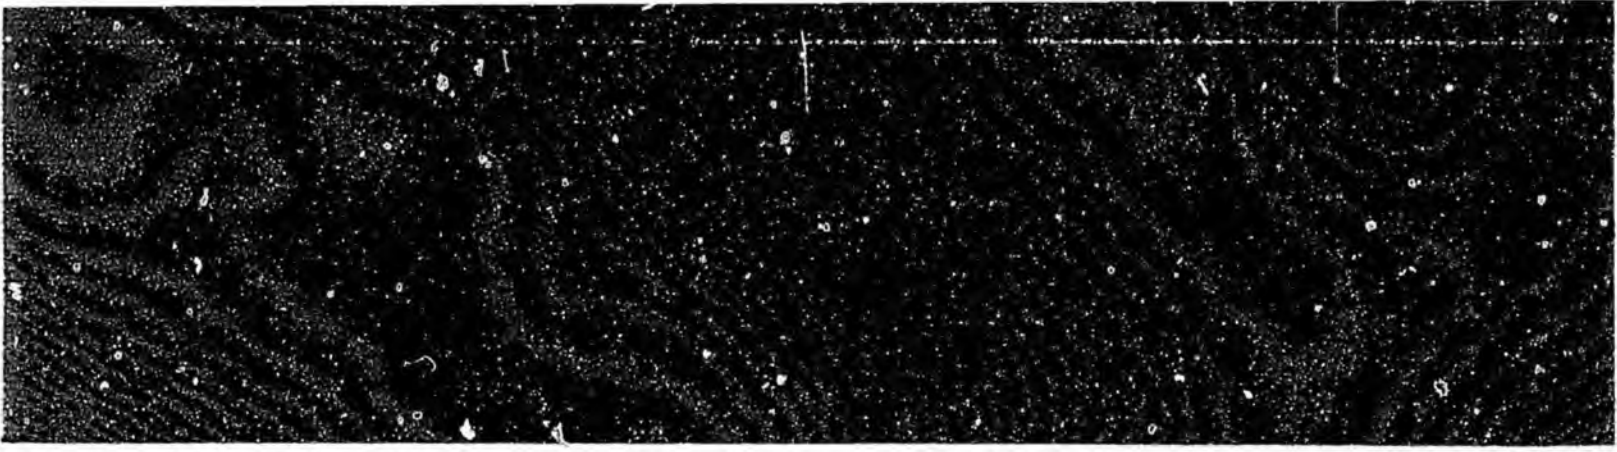

II. The Governor's Bill: SB 84.

This bill was first introduced during the 1984 session (SB499). It passed the Senate 19-0 but died in the House Judiciary Committee without a hearing.

It contains miscellaneous changes to statutes which clarify current practices and address omissions in current law. These are explained in the Sectional Analysis.

This bill is in Sections 1, 2, 4, 6, 10, 11, 12, 13, 15 and 17 of the bill.

ENDORSEMENTS OF THE DRIVER LICENSE COMPACT

The following organizations endorse the Driver License Compact:

MAJOR PROVISIONS OF THE COMPACT

THE MAJOR PROVISIONS

The Driver License Compact allows states to overcome jurisdictional limitations which have previously allowed drivers to obtain licenses in one state, although their licenses are suspended in another.

The Driver License Compact contains four provisions. Member states are committed to uphold them. The provisions are:

1. one driver's license
2. one driver's record
3. exchange of information between states
4. uniform and predictable treatment of offenders

1. The one driver's license concept.

Requires applicants for a license to surrender an out-of-state driver's license. This prevents individual drivers from obtaining multiple driver's licenses.

How this is enforced: Member states attempt to determine at the time of application whether the applicant has ever held a driver's license issued by another state or states.

Applicants who state they have never been licensed previously are questioned about prior state residency and are asked to sign a non-driving affidavit.

2. The one driver record concept.

Under the Compact, it is absolutely necessary that each driver have one and only one complete driving record. This record should include traffic offenses in all states. Ideally, it would follow the driver from state to state.

How this works: Under the Compact, a driver's complete record is on file in his home state. It is made available to other states when the driver moves or applies for a license in another state.

What the record should include: Basic information such as name, date of birth, address, physical description, test results and license restrictions.

In addition, it should include information relating to any previous out of state driver's license held: information regarding any violations, accidents, driver improvement actions and any suspensions or revocations.

3. Exchange of information.

This makes the one-driver, one-license concept possible. It allows reports of serious traffic convictions of out-of-state drivers with the home state.

How this works:

- * Compact member states check the information in the National Driver Register to verify issuance of all original licenses.
- * They notify the Register of all license withdrawals for suspension or revocation and all license reinstatements.
- * They send notification of convictions for serious traffic offenses by non-residents to the driver's home state.
- * They forward to the home state convictions not requiring the withdrawal of a person's driving privilege.

4. Uniform and predictable treatment.

IMPORTANT: The home state of a driver treats the conviction in the same manner it would if the offense occurred at home.

To compensate for varying definitions of offenses among states, the Compact limits the offenses to those universally recognized as extremely serious.

These offenses are:

- a. manslaughter or negligent homicide
- b. driving while intoxicated
- c. conviction of a felony for which a motor vehicle was used
- d. hit and run

Action taken under the Compact is based upon the home state law. The laws of the state in which the offense occurred are not considered.

The state in which the offense occurred may take unilateral action against the out-of-state driver's right to drive in that state. But action against the home state license privileges remains the responsibility of the home state.

Procedures: each citation is reviewed, conviction date is entered on the home state record, required action is taken (such as license withdrawal for mandatory convictions or demerit points).

ADVANTAGES OF MEMBERSHIP

ADVANTAGES OF MEMBERSHIP

Advantages to states:

1. Drivers who commit serious traffic violations away from home do not escape corrective action by the state in which they are licensed.
2. Drivers cannot move to a new state with a "clean slate". They cannot receive a license despite suspension of the license in another state.

The Driver License Compact provides an effective means of determining a driver's nationwide driving record. In a highly mobile state such as Alaska, it can be an immensely valuable tool in traffic safety efforts.

SECTIONAL ANALYSIS

Sectional Analysis - CSSB278 (Fin) (am)

Section 1 (AS 28.05.091) In Governor's Bill.

Make it clear that a peace officer may impound a motor vehicle if the vehicle's identification number has been altered or removed. (Impounding is necessary to investigate whether the vehicle has been stolen).

Current language does not clearly authorize a seizure of this sort.

Section 2 (AS 28.05.141(c)) In Governor's Bill.

Allows a DMV hearing officer to take action against a person's vehicle title or registration as well as against the person's driver's license.

This conforms with current administrative practice.

Section 3 (AS 28.10.011(11)) Sen. Ferguson's amendment.

Exempts vehicles from registration if the roads they are driven on are small volume or are not connected to the state highway system.

Section 4 (AS 28.10.051) In Governor's Bill.

Makes it clear that a vehicle registration may be suspended or revoked when it was fraudulently obtained.

Current language says "when fraudulently or erroneously issued."

Section 5 (AS 28.10.181) Sen. Kelly's amendment.

Allows special request plates for Alaska National Guard personnel.

Section 6 (AS 28.10.411(c)) In Governor's Bill.

Makes it clear that senior citizens aged 65 or older on the date the vehicle registration fee is due is exempt from the fee.

Section 7 (AS 28.10.421(b) Rep. Gruenberg-Miller amendment.
Increases by \$5 annual registration for private
vehicles, pickup trucks, taxicabs, commercial busses,
motorcycles and certain trailers.

Section 8 (AS 28.10.421(c) Rep. Gruenberg-Miller amendment.
Increases by \$5 annual registration for commercial
vehicles.

Section 9 (AS 28.10.421(d)) Sen. Kelly's amendment.

Sets \$30 fee for Alaska National Guard plates.

Revenue increase from Sections 7, 8 and 9: \$2,250,000 in
FY87, based on 450,000 vehicles.

Section 10 (AS 28.15.051(d)

Section 11 (AS 28.15.071(a)

Section 12 (AS 28.15.071(o) In Governor's Bill.

Currently a person under 18 cannot apply for an
automobile or motorcycle permit unless a parent or
guardian agrees to assume responsibility for damages.

These sections allow an 18-year-old or older spouse of
a minor to assume this responsibility.

Section 13 (AS 28.15.171(a)) In Governor's Bill

Clarifies that a court has the authority to suspend or
revoke a nonresident's driving privileges in the same
way an Alaska driver's license may be suspended or
revoked.

Section 14 (AS 28.15.221(a)) Driver License Compact

Adds a section from this bill to existing law.

The added section (28.37.130) requires each member
state of the Compact to report each conviction of a
person from another member state to the offender's home
state.

Section 15 (AS 28.15.231) In Governor's Bill.

Allows the Division of Motor Vehicles to use
first-class mail (as they do now by regulation) to tell
drivers they are half way to enough points to lose
their license.

Section 16 (AS 28.15.271) Driver License Compact

Doubles most driver licensing fees. At the present time, on a cost per year basis, an Alaska driver's license costs less than in 1961 because the license duration increased from three to five years in 1978 but the fees were not changed.

Estimated revenue increase is \$575,000.

Section 17 (AS 28.35.032(a)) In Governor's Bill.

Drafter's language change ("shall" to "may"). Does not change meaning.

Section 18 (AS 28.15.271) Driver License Compact Bill

Raises driver's license fees. Estimated revenue increase is \$575,000.

At present, on a cost per year basis, the Alaska driver's license costs less now than it did in 1961. (The duration of the license changed from three years to five in 1978 but the cost did not increase.)

THE COMPACT

THE DRIVER LICENSE COMPACT

ARTICLE I
Findings and Declaration of Policy

- (a) The party states find that:
- (1) The safety of their streets and highways is materially affected by the degree of compliance with state and local ordinances relating to the operation of motor vehicles.
 - (2) Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.
 - (3) The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.
- (b) It is the policy of each of the party states to:
- (1) Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.
 - (2) Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II

Definitions

As used in this Compact:

- (a) "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.
- (b) "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.
- (c) "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III

Report of Convictions

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

ARTICLE IV

Effect of Conviction

- (a) The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this Compact, as it would if such conduct had occurred in the home state, in the case of convictions for:
- (1) Manslaughter or negligent homicide resulting from the operation of a motor vehicle;
 - (2) Driving a motor vehicle while under the influence of intoxicating liquor or narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;
 - (3) Any felony in the commission of which a motor vehicle is used;
 - (4) Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.
- (b) As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.
- (c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision (a) of this Article, such party state shall construe the denominations and descriptions appearing in the subdivision (a) hereof as being applicable to and identifying those offenses or violations of a substantially similar nature and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this Article.

ARTICLE V

Applications for New Licenses

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

- (1) The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.
- (2) The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant, if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.
- (3) The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI

Applicability of Other Laws

Except as expressly required by provisions of this Compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other cooperative arrangement between a party state and a non-party state.

ARTICLE VII

Compact Administrator and Interchange of Information

- (a) The head of the licensing authority of each party state shall be the administrator of this Compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and proper procedures for the exchange of information under this Compact.
- (b) The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this Compact.

ARTICLE VIII

Entry Into Force and Withdrawal

- (a) This Compact shall enter into force and become effective as to any state when it has enacted the same into law.
- (b) Any party state may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the Compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX

Construction and Severability

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state party thereto, the Compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

WHAT OTHER STATES
SAY ABOUT THE COMPACT

WHAT MEMBER STATES SAY ABOUT COMPACT PARTICIPATION

ILLINOIS

"Our (motor vehicle administrators) overriding objective is to serve all motorists and continue to provide the safest highway transportation system in the world. Compact membership provides all states with an opportunity to accept their share of responsibility in meeting this objective."

VIRGINIA

"While we are confident that many lives have already been saved as a result of the Driver License Compact, we will be far from realizing our real potential until all states are members. As long as even one state provides a haven for people who want to get a second or third license, there is a weakness in the security we are trying to build."

FLORIDA

"We believe the Driver License Compact promotes uniformity, highway safety, responsible actions on the part of the driving population, the one license-one record concept, and leads to a greater degree of reciprocity while assisting law enforcement."

UTAH

"The benefits derived from this association (as a member of the Driver License Compact) far outweigh the costs."

HISTORY OF THE LICENSE

HISTORY OF THE DRIVER LICENSE COMPACT

In 1958, the Congress of the United States enacted a law based on the Beamer Resolution--which reaffirmed the principle that the states should bear primary responsibility for traffic safety--and granted congressional approval in advance to interstate compacts to further highway traffic safety.

The Council of State Governments began drafting what would become the Driver License Compact in 1960, in close cooperation with state motor vehicle administrators and the American Association of Motor Vehicle Administrators (AAMVA). The DLC was supported early on by a number of individuals and organizations, including legislators from a variety of states, the Interstate Compact Committee of the National Conference of Commissioners on Uniform State Law, the Western Interstate Committee on Highway Policy Problems, and the Western Governors' Conference.

Other organizations have endorsed the DLC, including: the International Association of Chiefs of Police, the National Association of Attorneys General, the National Grange, the National Highway Users' Conference, Inc., the National Safety Council, and the National Highway Traffic Safety Administration.

Nevada became the first state to adopt the DLC in 1961. Mississippi followed in 1962, putting the Compact into effect. Ten additional states joined in 1963. The number grew to twenty by 1966 and currently stands at 29.

In March 1965, the American Association of Motor Vehicle Administrators adopted a recommendation that AAMVA serve as the secretariat for states participating in the Compact. The Compact states ratified this action.

A Driver License Compact Commission (DLCC), made up of motor vehicle administrators from Compact states, was established in 1983 to administer the DLC and develop a long-term plan to increase membership and service. AAMVA also serves as secretariat of this organization.

QUESTIONS & ANSWERS

QUESTIONS AND ANSWERS

- Q. Must highway safety compacts be ratified by state legislative action?
- A. Yes. An interstate compact is the most formal, binding and stable kind of agreement for cooperative action by the states. Since it is a contract among signatory states, it must be entered into by state legislative action. The text of the compact should be identical in all states, but supplementary provisions may be varied to fit state law and policy.
- Q. Does the Driver License Compact contain new concepts in driver licensing procedures?
- A. No. Highway safety compacts are "agreements between party states entered into for the purpose of resolving mutual problems in interstate highway safety. The provisions of the DLC closely parallel--and are consistent with--the provisions of the Uniform Vehicle Code, Chapter 6, which has been developed over the years by the National Committee on Uniform Traffic Laws and Ordinances as a guide for state legislatures in dealing with licensing of drivers.
- Q. If a state has adopted the driver licensing provisions of the Uniform Vehicle Code, why does it need to adopt the DLC?
- A. Although the Uniform Vehicle Code provisions may have been adopted and general arrangements made with other states to implement its provisions, the Driver License Compact provides the stability and uniform applicability needed to control problem drivers effectively.

Q. Doesn't the National Driver Register provide adequate control of problem drivers?

A. No. It is only a partial remedy. The NDR covers about half of all revocations--those resulting from convictions of driving while intoxicated (DWI) or driving under the influence (DUI) and traffic violation convictions in connection with loss of life. It does not get information on other offenses, including many serious ones. And the Register does not automatically notify the home state of any out-of-state convictions of one of its drivers.

Q. What driver licensing principles does the DLC promote?

A. The following principles are emphasized:

- a. The driver's entire driving record, including out-of-state convictions, is known to the home state due to the exchange of information between states.
- b. The driver's record follows the driver on any moves from one state to another.
- c. The "one license" concept has become a realistic possibility among states in the Compact. Under the DLC, a driver should not be able to obtain a new license in another party state until surrendering a valid license and the driving record is reviewed. The only exception might be a driver who has never been licensed before.
- d. All drivers of a state are treated alike for purposes of suspensions or revocation, regardless of whether their violations occurred in the home state or out-of-state.

Q. Is information exchanged on all out-of-state convictions?

A. No. Only convictions which must be reported to the central state licensing authority in the state where the violation occurs are reported to the driver's home state. Normally, this includes only the most serious violations. Parking violations and other minor offenses are not reported.

The DLC recognizes four serious offenses that require action against the driver, regardless of where the convictions occur. These are: (1) manslaughter or negligent homicide; (2) driving under the influence; (3) a felony using a motor vehicle; and (4) hit-and-run driving resulting in injury or death.

Q. May a state withdraw from this Compact?

A. Yes. Any party may withdraw from this Compact by enacting a statute repealing the enabling legislation. No withdrawal can take effect until six months after the governor of the withdrawing state has given notice of the withdrawal to the governors of all other party states.

Q. Does ratification of the Compact affect other state laws or other interstate agreements?

A. No. Nothing contained in the DLC affects the rights of any party state to apply any of its other laws relating to licensing drivers. Nor does the Compact invalidate any cooperative agreements between a party state and a non-party state.

22 which a driver's license is required, result in the denial or revoca-
23 tion of the license or nonresident privilege to drive, that the refus-
24 al may be used against the person in a civil or criminal action or
25 proceeding arising out of an act alleged to have been committed by the

1 * Sec. 16. AS 28 is amended by adding a new chapter to read:

2 CHAPTER 37. DRIVER LICENSE COMPACT.

3 ARTICLE 1. GENERAL PROVISIONS.

4 Sec. 28.37.010. COMPACT ENACTED. The Driver License Compact is
5 enacted into law and entered into with all other jurisdictions legally
6 joining in it in the form substantially contained in AS 28.37.110 -
7 28.37.190.

8 Sec. 28.37.020. LICENSING AUTHORITY. In this chapter the term
9 "licensing authority" with reference to this state means the division
10 of motor vehicles in the Department of Public Safety. The department
11 shall furnish to the appropriate authority of another party state the
12 information or documents reasonably necessary to facilitate the admin-
13 istration of AS 28.37.130 - 28.37.150.

14 Sec. 28.37.030. EXPENSES OF ADMINISTRATOR. The compact adminis-
15 trator provided for in AS 28.37.170 is not entitled to additional
16 compensation on account of service as the administrator, but is enti-
17 tled to expenses incurred in connection with the duties and responsi-
18 bilities as the administrator, in the same manner as for expenses
19 incurred in connection with other duties or responsibilities of the
20 office or employment.

21 Sec. 28.37.040. EXECUTIVE HEAD. In this chapter, with reference
22 to this state, the term "executive head" means the governor.

23 ARTICLE 2. COMPACT TERMS.

24 Sec. 28.37.110. FINDINGS AND POLICY STATEMENT. (a) The party
25 states find that

26 (1) the safety of their streets and highways is materially
27 affected by the degree of compliance with state laws and local ordi-
28 nances relating to the operation of motor vehicles;

29 (2) violation of a law or ordinance is evidence that the

1 violator engages in conduct that is likely to endanger the safety of
2 persons and property;

3 (3) the continuance in force of a license to drive is
4 predicated upon compliance with laws and ordinances relating to the
5 operation of motor vehicles, in whichever jurisdiction the vehicle is
6 operated.

7 (b) It is the policy of the party states to

8 (1) promote compliance with the laws, ordinances, and
9 administrative regulations relating to the operation of motor vehicles
10 by their drivers in each of the jurisdictions where those drivers
11 operate motor vehicles;

12 (2) make the reciprocal recognition of licenses to drive
13 and eligibility for them more just and equitable by considering the
14 overall compliance with motor vehicle laws, ordinances, and adminis-
15 trative regulations as a condition precedent to the continuance or
16 issuance of a license by reason of which the licensee is authorized or
17 permitted to operate a motor vehicle in the party states.

18 Sec. 28.37.120. COMPACT DEFINITIONS. In this chapter

19 (1) "conviction" means a conviction of an offense related
20 to the use or operation of a motor vehicle that is prohibited by state
21 law, municipal ordinance, or administrative regulation, or a forfei-
22 ture of bail, bond or other security deposited to secure appearance by
23 a person charged with having committed an offense described in this
24 paragraph, and that is required to be reported to the licensing au-
25 thority under AS 28.37.130;

26 (2) "home state" means the state that has issued and has
27 the power to suspend or revoke the use of the license or permit to
28 operate a motor vehicle;

29 (3) "state" means a state, territory, or possession of the

1 United States, the District of Columbia, or the Commonwealth of Puerto
2 Rico.

3 Sec. 28.37.130. REPORTS OF CONVICTIONS. The licensing authority
4 of a party state shall report each conviction of a person from another
5 party state occurring within its jurisdiction to the licensing author-
6 ity of the home state of the licensee. The report shall clearly iden-
7 tify the person convicted; describe the violation specifying the
8 section of the statute, code, or ordinance violated; identify the
9 court in which action was taken; indicate whether a plea of guilty or
10 not guilty was entered, or the conviction was a result of the forfei-
11 ture of bail, bond or other security; and shall include any special
12 findings made in connection with the conviction.

13 Sec. 28.37.140. EFFECT OF CONVICTION IN PARTY STATE. (a) The
14 licensing authority in the home state, for the purposes of suspending,
15 revoking, or limiting the license to operate a motor vehicle, shall
16 give the same effect to the conduct reported under AS 28.37.130 as it
17 would if the conduct had occurred in the home state, in the case of a
18 conviction for

19 (1) manslaughter or negligent homicide resulting from the
20 operation of a motor vehicle;

21 (2) driving a motor vehicle while under the influence of
22 intoxicating liquor or a narcotic drug, or under the influence of any
23 other drug to a degree that renders the driver incapable of safely
24 driving a motor vehicle;

25 (3) any felony in the commission of which a motor vehicle
26 is used;

27 (4) failure to stop and render aid in the event of a motor
28 vehicle accident resulting in the death or personal injury of another.

29 (b) As to another conviction, reported under AS 28.37.130, the

1 licensing authority in the home state shall give the effect to the
2 conduct that is provided by the laws of the home state if the offense
3 constituting the conduct report under AS 28.37.130 has elements simi-
4 lar to those of the home state as defined in the home state at the
5 time the offense constituting the conduct report under AS 28.37.130
6 was committed.

7 (c) If the laws of a party state do not provide for offenses or
8 violations denominated or described in precisely the words employed in
9 (a) of this section, the party state shall construe the denominations
10 and descriptions appearing in (a) of this section as being applicable
11 to and identifying the offenses or violations of a substantially
12 similar nature, and the laws of the party state shall contain the
13 provisions necessary to ensure that full force and effect is given to
14 this section.

15 Sec. 28.37.150. GROUNDS REQUIRING REFUSAL TO ISSUE LICENSE.
16 Upon application for a license to drive, the licensing authority in a
17 party state shall ascertain whether the applicant has ever held, or is
18 the holder of a license to drive issued by another party state. The
19 licensing authority in the state where application is made may not
20 issue a license to drive to the applicant if

21 (1) the applicant has held a license, but the license has
22 been suspended by reason, in whole or in part, of a violation, and the
23 suspension period has not terminated;

24 (2) the applicant has held a license, but the license has
25 been revoked by reason, in whole or in part, of a violation, and the
26 revocation has not terminated; except that after the expiration of one
27 year from the date the license was revoked, the person may make appli-
28 cation for a new license if permitted by law; the licensing authority
29 may refuse to issue a license to an applicant if, after investigation,

1 the licensing authority determines that it will not be safe to grant
2 to the person the privilege of driving a motor vehicle on the public
3 highways;

4 (3) the applicant is the holder of a license to drive
5 issued by another party state and currently in force, unless the
6 applicant surrenders the license.

7 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as
8 expressly required by provisions of this chapter, nothing in this
9 chapter shall be construed to affect the right of a party state to
10 apply any of its other laws relating to licenses to drive to any
11 person or circumstance, nor to invalidate or prevent any driver li-
12 cense agreement or other cooperative arrangement between a party state
13 and a nonparty state.

14 Sec. 28.37.170. ADMINISTRATOR OF COMPACT. (a) The head of the
15 licensing authority of each party state shall be the administrator of
16 the compact for that state. The administrators of all party states,
17 acting jointly, shall have the power to formulate all necessary and
18 proper procedures for the exchange of information under this compact.

19 (b) The administrator of each party state shall furnish to the
20 administrator of each other party state the information or documents
21 reasonably necessary to facilitate the administration of the compact.

22 Sec. 28.37.180. COMPACT AS LAW; WITHDRAWAL PROCEDURE. (a) The
23 compact shall become effective as to any state in which the compact
24 becomes effective as the law of that state.

25 (b) A party state may withdraw from the compact by enacting a
26 statute repealing the compact as the law of the state, but a with-
27 drawal may not take effect until six months after the executive head
28 of the withdrawing state has given notice of the withdrawal to the
29 executive heads of all other party states. Withdrawal does not affect

1 the validity or applicability by the licensing authorities of states
2 remaining party to the compact of any report of conviction occurring
3 before the withdrawal.

4 Sec. 28.37.190. CONSTRUCTION AND VALIDITY; SEVERABILITY. The
5 compact shall be liberally construed so as to effectuate its purposes.
6 The provisions of the compact are severable and if any phrase, clause,
7 sentence, or provision of the compact is declared to be contrary to
8 the constitution of any party state or of the United States or the
9 applicability of it to a government, agency, person or circumstance is
10 held invalid, the validity of the remainder of the compact and the
11 applicability of it to any government, agency, person or circumstance
12 shall not be affected by it. If the compact is held contrary to the
13 constitution of any party state, the compact shall remain in full
14 force and effect as to the remaining states and in full force and
15 effect as to the state affected as to all severable matters.

16 * Sec. 17. AS 28.40.100(a)(19) is amended to read:

17 (19) "vehicular way or area" means a way, path or area,
18 other than a highway [OR PRIVATE PROPERTY], which is designated by
19 official traffic control devices or customary usage and which is open
20 to the public for purposes of pedestrian or vehicular travel [, AND
21 WHICH WAY OR AREA MAY BE RESTRICTED IN USE TO PEDESTRIANS, BICYCLES,
22 OR OTHER SPECIFIC TYPES OF VEHICLES AS DETERMINED BY THE DEPARTMENT OR
23 OTHER AGENCY HAVING JURISDICTION OVER THE WAY, PATH OR AREA].

20 after being advised by the officer that the refusal will, if that per-
21 son was arrested for [WHILE] operating or driving a motor vehicle for
22 which a driver's license is required, result in the denial or revoca-
23 tion of the license or nonresident privilege to drive, that the refus-
24 al may be used against the person in a civil or criminal action or
25 proceeding arising out of an act alleged to have been committed by the
26 person while operating or driving a motor vehicle or operating an air-
27 craft or a watercraft while intoxicated, and that the refusal is a
28 misdemeanor, a chemical test shall not be given, except as provided by
29 AS 28.35.035.

1 * Sec. 16. AS 28 is amended by adding a new chapter to read:

2 CHAPTER 37. DRIVER LICENSE COMPACT.

3 ARTICLE 1. GENERAL PROVISIONS.

4 Sec. 28.37.010. COMPACT ENACTED. The Driver License Compact is
5 enacted into law and entered into with all other jurisdictions legally
6 joining in it in the form substantially contained in AS 28.37.110 -
7 28.37.190.

8 Sec. 28.37.020. LICENSING AUTHORITY. In this chapter the term
9 "licensing authority" with reference to this state means the division
10 of motor vehicles in the Department of Public Safety. The department
11 shall furnish to the appropriate authority of another party state the
12 information or documents reasonably necessary to facilitate the admin-
13 istration of AS 28.37.130 - 28.37.150.

14 Sec. 28.37.030. EXPENSES OF ADMINISTRATOR. The compact adminis-
15 trator provided for in AS 28.37.170 is not entitled to additional
16 compensation on account of service as the administrator, but is enti-
17 tled to expenses incurred in connection with the duties and responsi-
18 bilities as the administrator, in the same manner as for expenses
19 incurred in connection with other duties or responsibilities of the
20 office or employment.

21 Sec. 28.37.040. EXECUTIVE HEAD. In this chapter, with reference
22 to this state, the term "executive head" means the governor.

23 ARTICLE 2. COMPACT TERMS.

24 Sec. 28.37.110. FINDINGS AND POLICY STATEMENT. (a) The party
25 states find that

26 (1) the safety of their streets and highways is materially
27 affected by the degree of compliance with state laws and local ordi-
28 nances relating to the operation of motor vehicles;

29 (2) violation of a law or ordinance is evidence that the

1 violator engages in conduct that is likely to endanger the safety of
2 persons and property;

3 (3) the continuance in force of a license to drive is
4 predicated upon compliance with laws and ordinances relating to the
5 operation of motor vehicles, in whichever jurisdiction the vehicle is
6 operated.

7 (b) It is the policy of the party states to

8 (1) promote compliance with the laws, ordinances, and
9 administrative regulations relating to the operation of motor vehicles
10 by their drivers in each of the jurisdictions where those drivers
11 operate motor vehicles;

12 (2) make the reciprocal recognition of licenses to drive
13 and eligibility for them more just and equitable by considering the
14 overall compliance with motor vehicle laws, ordinances, and adminis-
15 trative regulations as a condition precedent to the continuance or
16 issuance of a license by reason of which the licensee is authorized or
17 permitted to operate a motor vehicle in the party states.

18 Sec. 28.37.120. COMPACT DEFINITIONS. In this chapter

19 (1) "conviction" means a conviction of an offense related
20 to the use or operation of a motor vehicle that is prohibited by state
21 law, municipal ordinance, or administrative regulation, or a forfei-
22 ture of bail, bond or other security deposited to secure appearance by
23 a person charged with having committed an offense described in this
24 paragraph, and that is required to be reported to the licensing au-
25 thority under AS 28.37.130;

26 (2) "home state" means the state that has issued and has
27 the power to suspend or revoke the use of the license or permit to
28 operate a motor vehicle;

29 (3) "state" means a state, territory, or possession of the

1 United States, the District of Columbia, or the Commonwealth of Puerto
2 Rico.

3 Sec. 28.37.130. REPORTS OF CONVICTIONS. The licensing authority
4 of a party state shall report each conviction of a person from another
5 party state occurring within its jurisdiction to the licensing author-
6 ity of the home state of the licensee. The report shall clearly iden-
7 tify the person convicted; describe the violation specifying the
8 section of the statute, code, or ordinance violated; describe the
9 rights to hearing and due process given the person; identify the court
10 in which action was taken; indicate whether a plea of guilty or not
11 guilty was entered, or the conviction was a result of the forfeiture
12 of bail, bond or other security; and shall include any special
13 findings made in connection with the conviction.

14 Sec. 28.37.140. EFFECT OF CONVICTION IN PARTY STATE. (a) The
15 licensing authority in the home state, for the purposes of suspending,
16 revoking, or limiting the license to operate a motor vehicle, shall
17 give the same effect to the conduct reported under AS 28.37.130 as it
18 would if the conduct had occurred in the home state, in the case of a
19 conviction for

20 (1) manslaughter or negligent homicide resulting from the
21 operation of a motor vehicle;

22 (2) driving a motor vehicle while under the influence of
23 intoxicating liquor or a narcotic drug, or under the influence of any
24 other drug to a degree that renders the driver incapable of safely
25 driving a motor vehicle;

26 (3) any felony in the commission of which a motor vehicle
27 is used;

28 (4) failure to stop and render aid in the event of a motor
29 vehicle accident resulting in the death or personal injury of another.

1 (b) As to another conviction, reported under AS 28.37.130, the
2 licensing authority in the home state shall give the effect to the
3 conduct that is provided by the laws of the home state if the offense
4 constituting the conduct report under AS 28.37.130 has elements simi-
5 lar to those of the home state as defined in the home state at the
6 time the offense constituting the conduct report under AS 28.37.130
7 was committed.

8 (c) If the laws of a party state do not provide for offenses or
9 violations denominated or described in precisely the words employed in
10 (a) of this section, the party state shall construe the denominations
11 and descriptions appearing in (a) of this section as being applicable
12 to and identifying the offenses or violations of a substantially
13 similar nature, and the laws of the party state shall contain the
14 provisions necessary to ensure that full force and effect is given to
15 this section.

16 (d) For the conduct reported under AS 28.37.130 to be given the
17 same effect as if the conduct had occurred in the home state, the
18 person must have been guaranteed substantially the same rights to
19 hearing and due process as required by the home state in prosecuting
20 an offense that has elements similar to the conduct reported under
21 AS 28.37.130

22 Sec. 28.37.150. GROUNDS REQUIRING REFUSAL TO ISSUE LICENSE.
23 Upon application for a license to drive, the licensing authority in a
24 party state shall ascertain whether the applicant has ever held, or is
25 the holder of a license to drive issued by another party state. The
26 licensing authority in the state where application is made may not
27 issue a license to drive to the applicant if

28 (1) the applicant has held a license, but the license has
29 been suspended by reason, in whole or in part, of a violation, and the

1 suspension period has not terminated;

2 (2) the applicant has held a license, but the license has
3 been revoked by reason, in whole or in part, of a violation, and the
4 revocation has not terminated; except that after the expiration of one
5 year from the date the license was revoked, the person may make appli-
6 cation for a new license if permitted by law; the licensing authority
7 may refuse to issue a license to an applicant if, after investigation,
8 the licensing authority determines that it will not be safe to grant
9 to the person the privilege of driving a motor vehicle on the public
10 highways;

11 (3) the applicant is the holder of a license to drive
12 issued by another party state and currently in force, unless the
13 applicant surrenders the license.

14 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as
15 expressly required by provisions of this chapter, nothing in this
16 chapter shall be construed to affect the right of a party state to
17 apply any of its other laws relating to licenses to drive to any
18 person or circumstance, nor to invalidate or prevent any driver li-
19 cense agreement or other cooperative arrangement between a party state
20 and a nonparty state.

21 Sec. 28.37.170. ADMINISTRATOR OF COMPACT. (a) The head of the
22 licensing authority of each party state shall be the administrator of
23 the compact for that state. The administrators of all party states,
24 acting jointly, shall have the power to formulate all necessary and
25 proper procedures for the exchange of information under this compact.

26 (b) The administrator of each party state shall furnish to the
27 administrator of each other party state the information or documents
28 reasonably necessary to facilitate the administration of the compact.

29 Sec. 28.37.180. COMPACT AS LAW; WITHDRAWAL PROCEDURE. (a) The

1 compact shall become effective as to any state in which the compact
2 becomes effective as the law of that state.

3 (b) A party state may withdraw from the compact by enacting a
4 statute repealing the compact as the law of the state, but a with-
5 drawal may not take effect until six months after the executive head
6 of the withdrawing state has given notice of the withdrawal to the
7 executive heads of all other party states. Withdrawal does not affect
8 the validity or applicability by the licensing authorities of states
9 remaining party to the compact of any report of conviction occurring
10 before the withdrawal.

11 Sec. 28.37.190. CONSTRUCTION AND VALIDITY; SEVERABILITY. The
12 compact shall be liberally construed so as to effectuate its purposes.
13 The provisions of the compact are severable and if any phrase, clause,
14 sentence, or provision of the compact is declared to be contrary to
15 the constitution of any party state or of the United States or the
16 applicability of it to a government, agency, person or circumstance is
17 held invalid, the validity of the remainder of the compact and the
18 applicability of it to any government, agency, person or circumstance
19 shall not be affected by it. If the compact is held contrary to the
20 constitution of any party state, the compact shall remain in full
21 force and effect as to the remaining states and in full force and
22 effect as to the state affected as to all severable matters.

23 * Sec. 17. AS 28.40.100(a)(19) is amended to read:

24 (19) "vehicular way or area" means a way, path or area,
25 other than a highway [OR PRIVATE PROPERTY], which is designated by
26 official traffic control devices or customary usage and which is open
27 to the public for purposes of pedestrian or vehicular travel [, AND
28 WHICH WAY OR AREA MAY BE RESTRICTED IN USE TO PEDESTRIANS, BICYCLES,
29 OR OTHER SPECIFIC TYPES OF VEHICLES AS DETERMINED BY THE DEPARTMENT OR

1 OTHER AGENCY HAVING JURISDICTION OVER THE WAY, PATH OR AREA].

12 al may be used against the person in a civil or criminal action or
13 proceeding arising out of an act alleged to have been committed by the
14 person while operating or driving a motor vehicle or operating an air-

19 CHAPTER 37. DRIVER LICENSE COMPACT.

20 ARTICLE 1. GENERAL PROVISIONS.

21 Sec. 28.37.010. COMPACT ENACTED. The Driver License Compact is
22 enacted into law and entered into with all other jurisdictions legally
23 joining in it in the form substantially contained in AS 28.37.110 -
24 28.37.190.

25 Sec. 28.37.020. LICENSING AUTHORITY. In this chapter the term
26 "licensing authority" with reference to this state means the division
27 of motor vehicles in the Department of Public Safety. The department
28 shall furnish to the appropriate authority of another party state the
29 information or documents reasonably necessary to facilitate the admin-

1 istration of AS 28.37.130 - 28.37.150.

2 Sec. 28.37.030. EXPENSES OF ADMINISTRATOR. The compact adminis-
3 trator provided for in AS 28.37.170 is not entitled to additional
4 compensation on account of service as the administrator, but is enti-
5 tled to expenses incurred in connection with the duties and res-
6 ponsibilities as the administrator, in the same manner as for expenses
7 incurred in connection with other duties or responsibilities of the
8 office or employment.

9 Sec. 28.37.040. EXECUTIVE HEAD. In this chapter, with reference
10 to this state, the term "executive head" means the governor.

11 ARTICLE 2. COMPACT TERMS.

12 Sec. 28.37.110. FINDINGS AND POLICY STATEMENT. (a) The party
13 states find that

14 (1) the safety of their streets and highways is materially
15 affected by the degree of compliance with state laws and local ordi-
16 nances relating to the operation of motor vehicles;

17 (2) violation of a law or ordinance is evidence that the
18 violator engages in conduct that is likely to endanger the safety of
19 persons and property;

20 (3) the continuance in force of a license to drive is
21 predicated upon compliance with laws and ordinances relating to the
22 operation of motor vehicles, in whichever jurisdiction the vehicle is
23 operated.

24 (b) It is the policy of the party states to

25 (1) promote compliance with the laws, ordinances, and
26 administrative regulations relating to the operation of motor vehicles
27 by their drivers in each of the jurisdictions where those drivers
28 operate motor vehicles;

29 (2) make the reciprocal recognition of licenses to drive

1 and eligibility for them more just and equitable by considering the
2 overall compliance with motor vehicle laws, ordinances, and adminis-
3 trative regulations as a condition precedent to the continuance or
4 issuance of a license by reason of which the licensee is authorized or
5 permitted to operate a motor vehicle in the party states.

6 Sec. 28.37.120. COMPACT DEFINITIONS. In this chapter

7 (1) "conviction" means a conviction of an offense related
8 to the use or operation of a motor vehicle that is prohibited by state
9 law, municipal ordinance, or administrative regulation, or a forfei-
10 ture of bail, bond or other security deposited to secure appearance by
11 a person charged with having committed an offense described in this
12 paragraph, and that is required to be reported to the licensing au-
13 thority under AS 28.37.130;

14 (2) "home state" means the state that has issued and has
15 the power to suspend or revoke the use of the license or permit to
16 operate a motor vehicle;

17 (3) "state" means a state, territory, or possession of the
18 United States, the District of Columbia, or the Commonwealth of Puerto
19 Rico.

20 Sec. 28.37.130. REPORTS OF CONVICTIONS. The licensing authority
21 of a party state shall report each conviction of a person from another
22 party state occurring within its jurisdiction to the licensing author-
23 ity of the home state of the licensee. The report shall clearly iden-
24 tify the person convicted; describe the violation specifying the
25 section of the statute, code, or ordinance violated; identify the
26 court in which action was taken; indicate whether a plea of guilty or
27 not guilty was entered, or the conviction was a result of the forfei-
28 ture of bail, bond or other security; and shall include any special
29 findings made in connection with the conviction.

1 Sec. 28.37.140. EFFECT OF CONVICTION IN PARTY STATE. (a) The
2 licensing authority in the home state, for the purposes of suspending,
3 revoking, or limiting the license to operate a motor vehicle, shall
4 give the same effect to the conduct reported under AS 28.37.130 as it
5 would if the conduct had occurred in the home state, in the case of a
6 conviction for

7 (1) manslaughter or negligent homicide resulting from the
8 operation of a motor vehicle;

9 (2) driving a motor vehicle while under the influence of
10 intoxicating liquor or a narcotic drug, or under the influence of any
11 other drug to a degree that renders the driver incapable of safely
12 driving a motor vehicle;

13 (3) any felony in the commission of which a motor vehicle
14 is used;

15 (4) failure to stop and render aid in the event of a motor
16 vehicle accident resulting in the death or personal injury of another.

17 (b) As to another conviction, reported under AS 28.37.130, the
18 licensing authority in the home state shall give the effect to the
19 conduct that is provided by the laws of the home state.

20 (c) If the laws of a party state do not provide for offenses or
21 violations denominated or described in precisely the words employed in
22 (a) of this section, the party state shall construe the denominations
23 and descriptions appearing in (a) of this section as being applicable
24 to and identifying the offenses or violations of a substantially
25 similar nature, and the laws of the party state shall contain the
26 provisions necessary to ensure that full force and effect is given to
27 this section.

28 Sec. 28.37.150. GROUNDS REQUIRING REFUSAL TO ISSUE LICENSE.
29 Upon application for a license to drive, the licensing authority in a

1 party state shall ascertain whether the applicant has ever held, or is
2 the holder of a license to drive issued by another party state. The
3 licensing authority in the state where application is made may not
4 issue a license to drive to the applicant if

5 (1) the applicant has held a license, but the license has
6 been suspended by reason, in whole or in part, of a violation, and the
7 suspension period has not terminated;

8 (2) the applicant has held a license, but the license has
9 been revoked by reason, in whole or in part, of a violation, and the
10 revocation has not terminated; except that after the expiration of one
11 year from the date the license was revoked, the person may make appli-
12 cation for a new license if permitted by law; the licensing authority
13 may refuse to issue a license to an applicant if, after investigation,
14 the licensing authority determines that it will not be safe to grant
15 to the person the privilege of driving a motor vehicle on the public
16 highways;

17 (3) the applicant is the holder of a license to drive
18 issued by another party state and currently in force, unless the
19 applicant surrenders the license.

20 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as
21 expressly required by provisions of this chapter, nothing in this
22 chapter shall be construed to affect the right of a party state to
23 apply any of its other laws relating to licenses to drive to any
24 person or circumstance, nor to invalidate or prevent any driver li-
25 cense agreement or other cooperative arrangement between a party state
26 and a nonparty state.

27 Sec. 28.37.170. ADMINISTRATOR OF COMPACT. (a) The head of the
28 licensing authority of each party state shall be the administrator of
29 the compact for that state. The administrators of all party states,

1 acting jointly, shall have the power to formulate all necessary and
2 proper procedures for the exchange of information under this compact.

3 (b) The administrator of each party state shall furnish to the
4 administrator of each other party state the information or documents
5 reasonably necessary to facilitate the administration of the compact.

6 Sec. 28.37.180. COMPACT AS LAW; WITHDRAWAL PROCEDURE. (a) The
7 compact shall become effective as to any state in which the compact
8 becomes effective as the law of that state.

9 (b) A party state may withdraw from the compact by enacting a
10 statute repealing the compact as the law of the state, but a with-
11 drawal may not take effect until six months after the executive head
12 of the withdrawing state has given notice of the withdrawal to the
13 executive heads of all other party states. Withdrawal does not affect
14 the validity or applicability by the licensing authorities of states
15 remaining party to the compact of any report of conviction occurring
16 before the withdrawal.

17 Sec. 28.37.190. CONSTRUCTION AND VALIDITY; SEVERABILITY. The
18 compact shall be liberally construed so as to effectuate its purposes.
19 The provisions of the compact are severable and if any phrase, clause,
20 sentence, or provision of the compact is declared to be contrary to
21 the constitution of any party state or of the United States or the
22 applicability of it to a government, agency, person or circumstance is
23 held invalid, the validity of the remainder of the compact and the
24 applicability of it to any government, agency, person or circumstance
25 shall not be affected by it. If the compact is held contrary to the
26 constitution of any party state, the compact shall remain in full
27 force and effect as to the remaining states and in full force and
28 effect as to the state affected as to all severable matters.

29 * Sec. 17. AS 28.40.100(a)(19) is amended to read:

1 (19) "vehicular way or area" means a way, path or area,
2 other than a highway [OR PRIVATE PROPERTY], which is designated by
3 official traffic control devices or customary usage and which is open
4 to the public for purposes of pedestrian or vehicular travel [, AND
5 WHICH WAY OR AREA MAY BE RESTRICTED IN USE TO PEDESTRIANS, BICYCLES,
6 OR OTHER SPECIFIC TYPES OF VEHICLES AS DETERMINED BY THE DEPARTMENT OR
7 OTHER AGENCY HAVING JURISDICTION OVER THE WAY, PATH OR AREA].

25 nances relating to the operation of motor vehicles;

26 (2) violation of a law or ordinance is evidence that the
27 violator engages in conduct that is likely to endanger the safety of
28 persons and property;

29 (3) the continuance in force of a license to drive is

1 predicated upon compliance with laws and ordinances relating to the
2 operation of motor vehicles, in whichever jurisdiction the vehicle is
3 operated.

4 (b) It is the policy of the party states to

5 (1) promote compliance with the laws, ordinances, and
6 administrative regulations relating to the operation of motor vehicles
7 by their drivers in each of the jurisdictions where those drivers
8 operate motor vehicles;

9 (2) make the reciprocal recognition of licenses to drive
10 and eligibility for them more just and equitable by considering the
11 overall compliance with motor vehicle laws, ordinances, and adminis-
12 trative regulations as a condition precedent to the continuance or
13 issuance of a license by reason of which the licensee is authorized or
14 permitted to operate a motor vehicle in the party states.

15 Sec. 28.37.120. COMPACT DEFINITIONS. In this chapter

16 (1) "conviction" means a conviction of an offense related
17 to the use or operation of a motor vehicle that is prohibited by state
18 law, municipal ordinance, or administrative regulation, or a forfei-
19 ture of bail, bond or other security deposited to secure appearance by
20 a person charged with having committed an offense described in this
21 paragraph, and that is required to be reported to the licensing au-
22 thority under AS 28.37.130;

23 (2) "home state" means the state that has issued and has
24 the power to suspend or revoke the use of the license or permit to
25 operate a motor vehicle;

26 (3) "state" means a state, territory, or possession of the
27 United States, the District of Columbia, or the Commonwealth of Puerto
28 Rico.

29 Sec. 28.37.130. REPORTS OF CONVICTIONS. The licensing authority

1 of a party state shall report each conviction of a person from another
2 party state occurring within its jurisdiction to the licensing author-
3 ity of the home state of the licensee. The report shall clearly iden-
4 tify the person convicted; describe the violation specifying the
5 section of the statute, code, or ordinance violated; identify the
6 court in which action was taken; indicate whether a plea of guilty or
7 not guilty was entered, or the conviction was a result of the forfei-
8 ture of bail, bond or other security; and shall include any special
9 findings made in connection with the conviction.

10 Sec. 28.37.140. EFFECT OF CONVICTION IN PARTY STATE. (a) The
11 licensing authority in the home state, for the purposes of suspending,
12 revoking, or limiting the license to operate a motor vehicle, shall
13 give the same effect to the conduct reported under AS 28.37.130 as it
14 would if the conduct had occurred in the home state, in the case of a
15 conviction for

16 (1) manslaughter or negligent homicide resulting from the
17 operation of a motor vehicle;

18 (2) driving a motor vehicle while under the influence of
19 intoxicating liquor or a narcotic drug, or under the influence of any
20 other drug to a degree that renders the driver incapable of safely
21 driving a motor vehicle;

22 (3) any felony in the commission of which a motor vehicle
23 is used;

24 (4) failure to stop and render aid in the event of a motor
25 vehicle accident resulting in the death or personal injury of another.

26 (b) As to another conviction, reported under AS 28.37.130, the
27 licensing authority in the home state shall give the effect to the
28 conduct that is provided by the laws of the home state.

29 (c) If the laws of a party state do not provide for offenses or

1 violations denominated or described in precisely the words employed in
2 (a) of this section, the party state shall construe the denominations
3 and descriptions appearing in (a) of this section as being applicable
4 to and identifying the offenses or violations of a substantially
5 similar nature, and the laws of the party state shall contain the
6 provisions necessary to ensure that full force and effect is given to
7 this section.

8 Sec. 28.37.150. GROUNDS REQUIRING REFUSAL TO ISSUE LICENSE.
9 Upon application for a license to drive, the licensing authority in a
10 party state shall ascertain whether the applicant has ever held, or is
11 the holder of a license to drive issued by another party state. The
12 licensing authority in the state where application is made may not
13 issue a license to drive to the applicant if

14 (1) the applicant has held a license, but the license has
15 been suspended by reason, in whole or in part, of a violation, and the
16 suspension period has not terminated;

17 (2) the applicant has held a license, but the license has
18 been revoked by reason, in whole or in part, of a violation, and the
19 revocation has not terminated; except that after the expiration of one
20 year from the date the license was revoked, the person may make appli-
21 cation for a new license if permitted by law; the licensing authority
22 may refuse to issue a license to an applicant if, after investigation,
23 the licensing authority determines that it will not be safe to grant
24 to the person the privilege of driving a motor vehicle on the public
25 highways;

26 (3) the applicant is the holder of a license to drive
27 issued by another party state and currently in force, unless the
28 applicant surrenders the license.

29 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as

1 expressly required by provisions of this chapter, nothing in this
2 chapter shall be construed to affect the right of a party state to
3 apply any of its other laws relating to licenses to drive to any
4 person or circumstance, nor to invalidate or prevent any driver li-
5 cense agreement or other cooperative arrangement between a party state
6 and a nonparty state.

7 Sec. 28.37.170. ADMINISTRATOR OF COMPACT. (a) The head of the
8 licensing authority of each party state shall be the administrator of
9 the compact for that state. The administrators of all party states,
10 acting jointly, shall have the power to formulate all necessary and
11 proper procedures for the exchange of information under this compact.

12 (b) The administrator of each party state shall furnish to the
13 administrator of each other party state the information or documents
14 reasonably necessary to facilitate the administration of the compact.

15 Sec. 28.37.180. COMPACT AS LAW; WITHDRAWAL PROCEDURE. (a) The
16 compact shall become effective as to any state in which the compact
17 becomes effective as the law of that state.

18 (b) A party state may withdraw from the compact by enacting a
19 statute repealing the compact as the law of the state, but a with-
20 drawal may not take effect until six months after the executive head
21 of the withdrawing state has given notice of the withdrawal to the
22 executive heads of all other party states. Withdrawal does not affect
23 the validity or applicability by the licensing authorities of states
24 remaining party to the compact of any report of conviction occurring
25 before the withdrawal.

26 Sec. 28.37.190. CONSTRUCTION AND VALIDITY; SEVERABILITY. The
27 compact shall be liberally construed so as to effectuate its purposes.
28 The provisions of the compact are severable and if any phrase, clause,
29 sentence, or provision of the compact is declared to be contrary to

1 the constitution of any party state or of the United States or the
2 applicability of it to a government, agency, person or circumstance is
3 held invalid, the validity of the remainder of the compact and the
4 applicability of it to any government, agency, person or circumstance
5 shall not be affected by it. If the compact is held contrary to the
6 constitution of any party state, the compact shall remain in full
7 force and effect as to the remaining states and in full force and
8 effect as to the state affected as to all severable matters.

19 Upon application for a license to drive, the licensing authority in a
20 party state shall ascertain whether the applicant has ever held, or is
21 the holder of a license to drive issued by another party state. The
22 licensing authority in the state where application is made may not
23 issue a license to drive to the applicant if

10 Sec. 28.37.160. APPLICATION OF OTHER STATE LAWS. Except as
