LETTER OF INTENT - SB 469
4/21/1986

It is the intent of the Legislature that SB 469, An Act exempting commercial fishermen from workers' compensation coverage, be used to clarify potential issues, not to imply that fishermen may have been covered by workers' compensation prior to the enactment of the legislation.

The Department has no objection to the provisions of Senate Bill 469 exempting commercial fishermen from workers' compensation coverage.

This legislation does not change any current practice in Alaska's Workers' Compensation System, but does serve to clarify "twilight zone" issues of potentially overlapping coverage that have resulted from various Supreme Court decisions.

The House Labor and Commerce Committee's Letter of Intent will make it clear to the court's that Senate Bill 469 is intended as a clarification and that it does not infer that fishermen have previously been covered by workers' compensation.
