Constitutional Amendment VETERANS' HOUSING BONDING AUTHORITY CS HJR 71 (SA)

This amendment to article IX, section 8, of the Alaska Constitution would expand the State's authority to incur indebtedness by allowing the State to issue general obligation bonds for veterans' housing loans. The Constitution currently permits the State to issue bonds secured by the general obligation of the State only for capital improvements.

Constitutional Amendment CHANGES IN COMMISSION ON JUDICIAL QUALIFICATIONS CS HJR 32 (Jud) am S

The amendment to article IV, section 10, of the Alaska Constitution re-names the Commission on Judicial Qualifications and changes the makeup of the body. Membership of the new Commission on Judicial Conduct would include: three justices or judges of state courts (instead of the present requirement of five from specified courts); three (instead of two) lawyers; and three (instead of two) persons who are neither members of the state bar nor judges. Judicial members would be elected by all justices and judges, rather than their respective courts, and lawyer members would be appointed by the governor from

Constitutional Amendment AMENDMENT LIMITING INCREASES IN APPROPRIATIONS FCCS SJR 4

This amendment adds a new section to article IX of the Alaska Constitution. The section limits appropriations for a fiscal year to \$2.5 billion, adjusted annually for changes in population and inflation since 1981. At least one-third of the limitation amount is reserved for appropriations for capital projects and state loan programs. The remainder (up to two-thirds) may be spent for governmental operations. Appropriations to the Alaska Permanent Fund and appropriations or bond authorizations for capital projects may exceed this limit if they are not vetoed by the governor and are approved by the voters. The limit could also be exceeded to meet a state of disaster declared by the governor. The limit would not apply to appropriations for Permanent Fund dividends, general obligation bond payments, appropriations from revenue bonds proceeds, or for costs associated with relocation of the capital (if Ballot Measure No. 8 is passed). The amendment provides for reconsideration of the limit by the voters at the 1986 general election.

BALLOT MEASURE NO. 5

Initiative No. 80-01 CLAIMING STATE OWNERSHIP OF FEDERAL LAND

This initiative, in effect, claims state ownership of all federal land in Alaska except Mount McKinley National Park, national monuments established before 1977, native corporation selections, the Annette Islands Reserve, and land controlled by the Department of Defense or the Alaska Power Administration. If approved, the initiative would provide Alaska with additional grounds to join other states which have similar laws constitutionally challenging federal ownership of land within their boundaries. The proposal would have the State hold this land in trust for the people of Alaska until terms and conditions for its disposal are prescribed by law.

Initiative No. 80-04 LIMITING STATE FUNDING OF ABORTIONS

This initiative would amend the provisions of Title 47 of the Alaska Statutes, Welfare, Social Services and Institutions, by prohibiting state funding of abortions except upon written certification of a physician that the procedure was necessary to preserve the life of the patient and that all reasonable efforts were made to preserve the life of the unborn. The bill provides that the prohibition of state funding of abortions will not affect state participation in the Medicaid program established under Title XIX of the Social Security Act.

BALLOT MEASURE NO. 7

Initiative No. 80-08 PERSONAL CONSUMPTION OF FISH AND GAME

This proposal would, for fishing, hunting, or trapping for personal consumption, prevent classification of persons on the basis of economic status, land ownership, local residency, past use or dependence on the resource, or lack of alternative resources. It would, as does existing law, also bar classification by race or sex for any taking of fish or game. It repeals existing provisions of the Fish and Game Code which provide for, or relate to, subsistence hunting and fishing.
