Dear Representative Grussendorf:

Under the authority of art. The new name more clearly reflects the actual functions of the division. The bill makes technical amendments to AS 44.21 to accomplish this change.

I urge your favorable consideration of this housekeeping measure.

Sincerely,

Dear Erik:

You inquired about the fiscal impact, if any, to HB 121, the bill which changes the Division of Telecommunications Systems to the Division of Telecommunications Operations.

Fiscal impact remains "0" because the Division will not incur FY 86 costs to accommodate this change. As a result of Commissioner Rudd's memorandum of June 7, 1984, the Division had stationery and outside sign changes made shortly thereafter. These changes were made for under \$500.00 and were paid from FY 84 operational monies.

If you have any questions, please call.

Sincerely,

Sioux Plummer
