STATE OF ALASKA

DEPARTMENT OF NATURAL RESOURCES

OFFICE OF THE COMMISSIONER

BILL SHEFFIELD, GOVERNOR

POUCH M
JUNEAU, ALASKA 99811
PHONE: 907-485-2400

February 12, 1985

The Honorable John Sund
Chairman
House Loans, Special Committee
Pouch V
Juneau, AK 99811

Dear Representative Sund:

The Department of Natural Resources supports the concept of offering loans for youth hostel development, as described in Section 1 of House Bill 61. The addition of loans to the current grant program administered by the Division of Parks and Outdoor Recreation would allow for repayment of funds to the state, increase the flexibility of the program, and continue the development of hostels in Alaska.

The youth hostel program in Alaska is a largely volunteer program that receives minimal funding and staff support from the department. Hostels are established by local groups to foster opportunities for inexpensive educational travel and recreation. They provide safe and inexpensive overnight accommodations that are supervised by houseparents.

The department is unable to support the loan terms and conditions described in Section 2 of this bill because of the current fiscal forecast for declining state revenues. Loan terms and conditions should be compatible with those of other state loan funds, and should provide for equitable payments of loan interest to the state.

The department is also unable to support the appropriation to the youth hostel loan fund authorized by House Bill 59.

If we may provide additional information about the youth hostel program or our comments on these bills, please let me know.

Sincerely,

F Esther C. Wunnicke
Commissioner

MINUTES OF THE ANNUAL MEETING

ALASKA COUNCIL, AMERICAN YOUTH HOSTELS

OCTOBER 19 - 21, 1984
Homer, Alaska

The meeting was called to order by President Brian Bennett at 8:20 a.m. on October 20, 1984. Board members present included Pat McGee (Anchorage), Robert Butts (Juneau), Ray Girves (Soldotna), Denton Pearson (Sitka), Dave Thomson (Juneau), Sandra Ensley (Ketchikan), Walt Morgan (Alyeska), Amythe Strobell (Fairbanks), Margaret Synan (Anchorage), Wayne Stout (Tok), and John Shaffer (Anchorage). Other participants included Michael Lee and Shirley Howe of Alaska State Parks and Outdoor Recreation, Barbara Shaffer (Accountant), Michelle McDowell (Tok Alternate) and guests Mary Dillion, Michael Zens and Bill Sullivan.

It was MOVED and SECONDED that the minutes of the previous two meetings be approved. The motion PASSED.

A discussion was then held on the agenda and meeting format. Several additions were made and the agenda was MOVED, SECONDED and PASSED.

A Nominating Committee was then appointed that was charged with preparing a slate of new officers. Walt was selected as Chairperson. Other members included Denton, Margaret, and Sandra.

PRESIDENT'S REPORT

Brian noted that the Council's Charter from the National Council was approved in February 1984 and will be valid through December 1986. He also pointed out the benefits of the National Extended Trips Program. A general discussion of a number of items then followed, including the upcoming National Meeting in Seattle, a need to organize a grass roots movement to increase membership, a need to revise the operations manual, the possibility of using the Learn Alaska Network for teleconferences, the grant application to the Alaska Seafood Marketing Institute for seafood at the National Meeting, what a fine job had been done with the two Hostel Posters, and a request to the Council from National to be paid \$1000 to fund a Field Representative.

VICE-PRESIDENT'S REPORT

Pat discussed the problems she had encountered in getting the Newsletters out over the previous year, her travels to the Aleutian Chain, her efforts to get the President of AYH on the Anchorage Chamber of Commerce's agenda, and her many discussions with people asking questions about AYH.

TREASURER'S REPORT

A summary was presented of the expenses, revenues, and assets of the Council for Fiscal Year 1984. They were:

Net Income	\$ 16,337.09
Expenses	4,791.95
Total Assets	33,122.94

The Council's Balance Sheet and Statement of Income and Expenses for 1984 is attached.

The balance in the State Park account is approximately \$17,000.

CORRESPONDING SECRETARY'S REPORT

Ray read a letter from Cliff Mettler explaining why he was not able to attend the meeting and a letter from Gene Rehfield announcing his resignation from the Board because of other commitments and the apparent lack of activity of the Council over the last year. Ray also stated that there was a need for a brochure or other type of information packet that would explain what activities and sights are available near the Hostels.

RECORDING SECRETARY'S REPORT

Bob reported that he had faithfully done the minutes and has been active in the Juneau Committee's efforts to develop a year-round Hostel.

BUSINESS ITEMS

A. NEWSLETTERS

A brief discussion was held on why the newsletters were not produced the previous year and what steps were necessary to ensure that they would be completed next year. Deadlines for the submission of articles and press dates were agreed to, which are:

<u>Submission Date</u>	<u>Press Dates</u>
Nov. 15	Nov. 30
Feb. 1	Feb. 15
May 1	May 15
Sep. 1	Sep. 15

B. STAFF PERSON

A lengthy discussion was held regarding the advantages of hiring a staff person, how he or she would be funded, and what the person would do. It was decided that the topic should be referred to the Organizational Committee.

C. NATIONAL MEETING

The meeting was discussed and Barbara handed out an agenda. It was MOVED, SECONDED, and PASSED to have the representatives attending the meeting select Alaska's delegate. Final decisions on who should go would be determined after the election of new officers, however, it was MOVED, SECONDED and PASSED to have the Council pay Amythe's registration since she will be in the Seattle area.

D. PASS SALES

Barbara passed out a summary of pass sales during Fiscal Year 84 and a brief discussion on Pass Sales ensued. The information is attached.

E. BOARD MEETINGS

A lengthy discussion was then held concerning when Board Meetings should be held during the coming year. After considerable chaos, it was MOVED, SECONDED and PASSED that there will be four board meeting teleconferences, which will occur on January 15, May 14, July 9, and September 10. The motion was then amended to have the teleconference on January 15 be for Executive Committee members only. See the attached calendar.

The meeting was then recessed for LUNCH.

The group reconvened after lunch and the meeting continued.

F. EXTENDED TRIPS

The Extended Trips Program, which is sponsored by National, was discussed and it was generally agreed that it would be a good idea for the Council to sponsor one this year. However, staffing was seen as a problem. The issue was referred to committee for further analyses.

G. GRANTS TO HOSTELS

The Council's grant program was then discussed and the fact that few grants have been made recently. It was MOVED, SECONDED, and PASSED that the Fund Raising Committee explore the idea of making large grants (greater than

\$2000) to Hostels in Juneau, Anchorage and Fairbanks. A discussion of the \$2000 and \$400 grants was referred to the Finance Committee.

H. PROMOTIONS

Denny suggested that a central reservation system be made available for use throughout the State. A general discussion of reservations then ensued and it was MOVED and SECONDED to require all Hostels in the State to accept reservations. After a discussion of the motion, it was withdrawn from consideration. It was then MOVED, SECONDED, and PASSED to have Denny explore the potential of a statewide reservation system.

Ray then suggested that a event be held quarterly for all AYH members in Alaska. He also showed the group the Christmas card he is planning to send to Hostellers who had visited his Hostel and suggested that the Council also send out a Christmas Card with a membership renewal form. Both ideas were referred to the Promotion Committee.

Pat then suggested that the Council develop short (30 second or so) spots for television. No action was taken on the proposal.

Margaret then volunteered to update and improve the Council's brochure.

I. COMMENT CARDS

Brian received about 100 comment cards. The response to the Anchorage Hostel was "leaning toward the positive," Homer's was a bit better, Haines was good, and Soldotna was very good. Brian will ensure that comment cards are available at all the Hostels and will do what he can to ensure that they are used.

J. INTRODUCTORY PASSES

A discussion was then conducted on recent National initiatives concerning the use of Introductory Passes, which will likely be a hot topic at the National meeting. After a protracted debate on the subject, it was MOVED, SECONDED, and PASSED that all the Hostels in Alaska charge \$3.00 per night for the pass and that after three nights the person will be required to purchase a regular membership.

K. RESOLUTIONS AT THE NATIONAL MEETING

It was MOVED and SECONDED that the Alaska go on record in supporting a move to have National increase the duration of the Charters that it provides to State Councils from the current two years to ten years, or thereabouts. If it was found that standards were not being met or fees not being paid, then the Charter could be revoked. The motion was PASSED.

It was then MOVED and SECONDED that the name of the organization be changed from American Youth Hostels, Inc. to American Hosteling Association. The motion was then AMENDED to have the name be American International Hostels,

Inc. After further debate, the amended motion was PASSED with the caveat that the resolution would be introduced only if no one else introduced a similar motion.

A motion was then MOVED and SECONDED that the Alaska Council go on record as being opposed to changes that are currently being discussed in the relationship between National and Hostels. The motion was then amended to have the delegates explore the issue and report back to the Council. The amended motion was then PASSED.

Amythe proposed that the Alaska Council request funds for Hostel Development in Alaska. It was decided to have Margaret explore the process for applying for the funds.

It was then MOVED, SECONDED and apparently PASSED (my notes are not clear) that National be mandated to work with Federal outdoor recreational agencies in the development of Cooperative Agreements regarding the development of Hostels.

L. GRANTWRITING

Brian reported that the Seafood Grant from the Alaska Seafood Marketing Institute had not been approved, but pointed out that there is money out there for people who put together well supported grant proposals.

K. TELECONFERENCES

There was a general discussion of the use of teleconferences for Board meetings and the desire of non-Board members to participate. It was then MOVED, SECONDED and PASSED to allow other interested parties to participate in the teleconferences.

M. TO INCORPORATE OR NOT TO INCORPORATE, THAT WAS THE QUESTION

The pros and cons of Hostel Committees incorporating was discussed, including the various ways it could be done. Many questions arose, but after a lengthy discussion, it was decided that the subject was best dealt with elsewhere.

N. BOB TARBUSKOVICH'S PAYMENT

Barbara noted that she had checked her records and found the canceled check for the National Meeting that Bob had attended. Barbara has sent Bob a letter regarding the matter.

O. BUDGET

Ideas for the budget were brought-up and referred to the Finance Committee for its consideration.

The meeting was then recessed for the evening to allow the Committees to meet.

The meeting was called back to order at 8:40 a.m., October 21, at the Kopper Kettle after the participants had gorged themselves on eggs, hash browns, pancakes and bacon. Local reports were first on the agenda.

LOCAL REPORTS

A. Fairbanks

Amythe reported that it was a good summer and that they made a little money. A location for next summer remains uncertain.

B. Sitka

The visitor count was down (about 435), although overall "it was a great, successful summer," according to Denny. There were, however, several problems with houseparents.

C. Homer

Brian reported that he was hopeful that the Homer Committee would get back together. Rent payments remain troublesome. The Hostel had about 650 visitors and will likely close January through March. He also told the group of the very successful "Fun runs" that the Hostel had sponsored.

D. Alyeska Guest House

Walt plans to open in November with six beds, a sauna, wood heat, and propane lights. Water and sewer are on their way. He advised the group to make sure that sleeping areas have adequate ventilation as a room can get mighty rank when you have it full of smelly, sleeping men. No comments were made about smelly women. Cost will be \$5.00 night.

E. Juneau

Dave Thomson reported on Juneau's efforts to get a year-round Hostel built in Cope Park and that the summer had gone quite well except for a houseparent who was taken quite ill and had to head south earlier than expected.

F. Soldotna International Youth Hostel

Ray reported that he had used the grant money received from the Council to build new sleeping quarters that will house 24 people. Overall, things are going well.

G. Ketchikan

Sandra reported that they had about 900 people and "the most wonderful houseparents." The Hostel has moved to the basement of the church, which took lots of work, but turned out to be a great improvement. Some cooking was also available and the houseparents were paid \$100 a month.

H. Nome

Barbara gave a quick summary of past history of the Hostel in Nome.

I. Anchorage

Margaret reported that the season started earlier this year (April) and that they had more Americans than in previous years (1800 out of 2200). They also raised their rates (\$10.75 without a Pass) and have new houseparents and a new business manager. The Hostel has been painted, a storage area is now available, and a load of new plants have been installed. They have also been active with slide shows, movies, and weekend excursions.

J. Haines

According to Brian, the number of Hostellers staying at the Haines Hostel is climbing and that comments have been good. Unfortunately, funds are tight.

K. Susitna

Mike Lee reported that they now have several cabins and a mobile trailer. The Hostel is located at Mile 101 and is "a growing concern."

COMMITTEE REPORTS were then begun.

A. Operations Committee

Two recommendations of the Committee were MOVED and PASSED:

1. That houseparents be given about 1/2 hour of air time after the teleconference in July; and
2. That an Operations Manual be sent to all local Committees for their review and comment.

B. Organization Committee

It was MOVED that a staff person be hired to assist the Council in its work. After some discussion, the motion was TABLED until the Budget discussion.

C. Nominating Committee

Walt presented the recommendations of the Nominating Committee for next year's officers, which were:

President	Brian Bennett
Vice-President	Pat McGee
Recording Secretary	Bob Butts
Corresponding Secretary	Dave Thomson
Treasurer	Denton Pearson

Ray Girves indicated that he was still interested in being the Recording Secretary and threw his hat into the ring. It was then MOVED and SECONDED that all the unopposed candidates be elected. The motion PASSED. An election was then held for Corresponding Secretary, which was won by Ray.

D. Pass Sales

Barbara provided some instruction on how to fill out the AYH Pass and general procedures for pass sales. The attached information was distributed.

E. Promotion Committee

The Committee:

1. recommended that the VP, new staff person, and Mike Lee be in charge of promotional efforts;
2. encouraged the use of posters, brochures, and public service spots;
3. suggested that the November Newsletter contain a Christmas card and a membership renewal form; and
4. agreed to put together a new brochure. Ray will explore the idea further.

F. Finance Committee

The committee MOVED that the T Shirts that are still around be written off as an advertising expense. The motion PASSED. It was also noted that promotional efforts in the future need to be treated in the same manner as pass sales.

The \$2000 grant to Homer was discussed. It had been included in the Parks grant when it was transferred to the Council, thus it was paid. It was MOVED and PASSED to correct the books.

It was then MOVED that Hostels be limited to one \$2000 grant with the exception of those that are in the highest priority category in the Council's Development Plan. After some discussion, the motion was PASSED.

The proposed budget was then MOVED and discussed. After several amendments were made, it was PASSED. The budget is attached.

Three \$2000 grant applications were then MOVED and discussed. They included:

Juneau -- For design work on a new Hostel
Sitka -- For showers
Tok -- For showers

The motion was PASSED.

G. Development Committee

It was MOVED and PASSED that Juneau, Anchorage, and Fairbanks be given the highest priority for developing year-round Hostels and that the Development Plan be amended to reflect the this.

It was also agreed to send letters to all Legislative candidates to inform them of the Youth Hostel Program.

H. Fundraising Committee

It was reported that the fundraising committee discussed several options for obtaining large sums of money, including direct appropriations from the Legislature, a revolving loan program, bonding, and a matching grant program. The Committee will continue to explore these ideas.

I. Organization Committee

A motion was MOVED, SECONDED and PASSED to have Brian hire a staff person to work with the Council.

At 1:25 p.m. on Sunday, October 21, the Annual Meeting was officially ADJOURNED by President Brian Bennett.

Respectfully Submitted:

MEMO: House Judiciary Committee
TO: House Loans Committee
 Hon. John Sund, Chairman
FROM: Rep. M. Mike Miller
RE: HB 59, HB 61/re: Youth Hostels

These two bills, one an implementation bill and the other an appropriation bill, would help expand Alaska's network of youth hostels around the state, at very little ultimate cost. The resulting benefits would accrue both to state residents and to out-of-state visitors.

HB 61 amends existing statutes having to do with grants for youth hostels, administered through the state division of parks in the Department of Natural Resources, so that in addition to grants now available, the division could provide loans for creation of youth hostels. Recipients could be non-profit corporations, municipalities and appropriate organizations. The money could be used for construction, purchase or renovation of buildings used for youth hostels. To qualify, organizations must agree to maintain the specific guidelines established by the American Youth Hostel Association. These guidelines may be obtained from the division of parks, and will be made available to the Loans Committee.

Although most of the non-resident use of youth hostel facilities occurs during summer months when more people travel to Alaska on vacation, use by resident Alaskans can be assumed to be year-round. Such uses would be for room and board during interscholastic competition, youth group travel and other appropriate uses which bring Alaskans to travel from one community to another. In fact, it is my expectation that resident Alaskans would make as much or greater use of youth hostel facilities during the year than nonresidents.

Under the proposed loan fund, loan recipients could borrow up to \$100,000 with payback at 2.5 percent per year, with a term of 25 years. Payment of interest only would be allowed for the first five years of a loan to allow for time for the hostel to become self-supporting.

HB 59 is an appropriation bill capitalizing the loan fund at a figure of \$200,000.

I will testify in behalf of the two bills, and I also expect testimony from the division of parks and youth hostel organizations. I will be happy to try to answer any questions the committee may have regarding the legislation.

Honorable John Sund
Representative
Alaska State Legislature
Pouch V
Juneau AK 99811

Dear Representative Sund:

I am writing in support of HB 59 and HB 61, which would establish a Youth Hostel Loan fund. I feel this is a very worthwhile cause which could benefit not only travelers to Alaska, but also people in the entire State of Alaska.

As a former Juneau Youth Hostel houseparent, I feel that the loan fund established by these acts would go a long way in bringing the Alaska Youth Hostel system up to par. Due to the nature of the Youth Hostel system, revenues are small and large capital outlays are virtually impossible to obtain from operating expenses only. With this fund it will be possible to buy appropriate facilities and/or renovate current ones.

Currently the cities of Fairbanks and Juneau are desperately looking for facilities for use as year-round hostels. These cities receive large numbers of visitors who can not afford to pay the high cost of motels and hotels.

Anchorage currently operates a year-round hostel with very good results. But there too, the facility could be larger and better suited for the ever growing numbers of travelers in Alaska's largest city.

The Alaska Youth Hostel system is not confined to the three large cities. A total of twelve hostels operate currently in Alaska. They are as follows; Ketchikan, Sitka, Haines, Tok, Sutton, Alyeska, Soldotna, Homer, and Mat-Su. This loan fund will benefit these hostels as well.

I urge you to continue to support this legislation and I thank you for your time and consideration.

Sincerely,

Mr. Jerry Miller, Chairman
Board of Finance and Property Management
Northern Light United Church
15795 Glacier Highway
Juneau, Alaska 99801

Dear Jerry:

As a result of the Church Council meeting of December 17 and recent discussions with you, the Board of Directors of the Juneau Youth Hostel, Inc., would like to revise its offer to purchase the Whitehead House of November 25, 1984.

The major elements of the revised offer include:

- Sale price to be determined by the soon-to-be-completed appraisal, assuming the appraisal does not exceed \$200,000.
- Downpayment of \$10,000.
- Twenty-year mortgage at 10% interest.
- Mortgage payments through September 1, 1986, shall be \$1350 per month. Payments thereafter shall be increased to cover the remaining equity and interest payments (approximately \$2100 per month).
- Payments can be accelerated by the purchaser without penalty.
- Extraordinary payments shall lead to a corresponding reduction in monthly mortgage payments.
- The contract may be terminated within the first 24 months with the mortgage payments treated as lease payments and the down payment treated as a loan to the Church. Improvements that increase the value of the building will be credited to Juneau Youth Hostel, Inc.
- Juneau Youth Hostel, Inc. shall insure the building at a level that will cover the Church's equity interest.

We are confident that this new proposal will allow the Youth Hostel to pay its operating costs and also will enable the Church to receive a fair market price for the building.

We look forward to discussing our proposal with the Church Council on
