Department of Administration
April 1, 1985

This bill charges the Department of Commerce and Economic Development (DCED) as the State Agency to be administratively responsible for the Olympic Program. Their responsibility includes all promotional, accounting, and performance aspects of the Olympic Program.

Based upon section 05.13.010-020 of this legislation, the Department of Administration (DOA) will be required to collect and transmit employee contributions to the United States Olympic Committee in Alaska (USOCA). This aspect of the legislation is a small part of the total program being proposed. DOA already routinely collects and transmits payments on behalf of others such as the Internal Revenue Service, Department of Labor, and in response to court orders. Employee deductions are automated. The addition of this one program will not significantly impact our current payroll deduction and payment process.

Based on the above, the Department of Administration will not require additional funds to implement sections 05.13.010 and 05.13.020 of the bill which are the two sections that apply to DOA.

Fiscal Note Analysis
Prepared by Division of Finance
Department of Administration
April 1, 1985

This bill charges the Department of Commerce and Economic Development (DCED) as the State Agency to be administratively responsible for the Olympic Program. Their responsibility includes all promotional, accounting, and performance aspects of the Olympic Program.

Based upon section 05.13.010-020 of this legislation, the Department of Administration (DOA) will be required to collect and transmit employee contributions to the United States Olympic Committee in Alaska (USOCA). This aspect of the legislation is a small part of the total program being proposed. DOA already routinely collects and transmits payments on behalf of others such as the Internal Revenue Service, Department of Labor, and in response to court orders. Employee deductions are automated. The addition of this one program will not significantly impact our current payroll deduction and payment process.

Based on the above, the Department of Administration will not require additional funds to implement sections 05.13.010 and 05.13.020 of the bill which are the two sections that apply to DOA.
