ALASKA
STATE LEGISLATURE
MEMORANDUM

Date: February 11, 1985

To: Members of the Senate Finance Committee

From: Senator Don Bennett

Re: SB 126

SB 126 would benefit two non-profit auto racing associations in the Fairbanks area by adding such associations to the list of qualified organizations that may apply for state permits to conduct lotteries or raffles to supplement their incomes. In the past at least one of these groups has used a permit issued to another non-profit organization. While this practice has always been of questionable propriety, it generally was allowed by the Department of Revenue. In more recent times, however, Revenue has stepped up its enforcement. This proposed amendment to the law in no way shortens the length of time a non-profit organization must be in existence to be eligible for a permit; that time would remain at five years. Other competition associations, such as dog mushers and outboard racers, already are eligible for raffle permits, and I believe it makes sense to extend this fund-raising method to auto racers. I urge the committee to pass this bill.

ANALYSIS FOR SENATE BILL 126

This bill amends Chapter 15 of Title V which deals with Games of Chance and Contests of Skill. Under current law, the Department of Revenue may issue a permit to any "qualified organization" for the privilege of conducting bingo, raffles and lotteries, ice classics, rain classics, dog mushers' contests, fish derbies and contests of skill.

This bill amends that section which defines "qualified organization" to include automobile racing association.

You may recall that this same language was incorporated into a Senate Bill 404 which was introduced in the 13th Legislature. Besides the above it also amended this section by allowing any "qualified organization" to obtain a permit after only 3 years existence. This bill never passed the Senate.

There is no fiscal impact.
