The bill also reduces the required number of meetings from semiannually to annually. The board usually conducts one face-to-face meeting and one teleconference each year.

CONTINUATION of FISCAL NOTE ANALYSIS

For Bill/Resolution No. SB 456

The reduction in contractual expenditures is a result of eliminating the teleconference meeting using the Alascom system.

Reduction in travel is a result of members being reduced by attrition. One Anchorage member would attend only one meeting in FY 87, therefore, per diem cost of \$80 would be eliminated for FY 88 - 91. This cost is not reflected as it is under \$100 annually.

The reduction of travel cost in FY 90 and FY 91 reflects the elimination of one Juneau member whose term expires October 1, 1988. This member would attend the face to face meeting in FY 89 but travel and per diem cost of \$512.00 in FY 90 and FY 91 would be eliminated.

Reason for Revised Fiscal Note: Reduction in contractual expenditures is based on teleconference costs using the Alascom System versus the Legislative Teleconference Network. The teleconference meeting routinely occurs during the second half of each fiscal year while the Legislature is still in session therefore rendering the LTN as unavailable for use by other agencies. The reduction is also based on a three hour teleconference meeting as determined to be all that is necessary by the board.

Senate Committee on Health, Education and Social Services

LETTER OF INTENT FOR SB 456, AN ACT RELATING TO THE BOARD OF NURSING HOME ADMINISTRATORS.

During fiscal year 1985, operating costs of the Board of Nursing Home Administrators exceeded \$3,000. These costs were partially offset by the \$1,818 collected in license fees. SB 456 is intended to reduce the board's operating costs through reducing the membership of the board from 5 to 3 and reducing the minimum number of board meetings to one a year.

In addition, AS 08.70.150 and AS 08.01.065 authorize the Department of Commerce to establish license fees administratively with the concurrence of the board, and require that the fees reflect to the extent possible the actual costs to the Department of the board.

It is the intent of the Senate Committee on Health, Education and Social Services that the Department set fees for the Board of Nursing Home Administrators that are sufficient to cover the costs of its operations, and do so in a timely manner.

MEMORANDUM

TO: Senator Bennett, Senate President

FROM: Senator Fahrenkamp, Chairman
Senate Committee on Health, Education and Social Services

RE: Board of Nursing Home Administrators

DATE: February 20, 1986

Pursuant to your referral under AS 44.66.050 and AS 08.03.010, the Senate Committee on Health, Education and Social Services has had under review the Board of Nursing Home Administrators.

As required by statute, a public hearing was held on the review of this Board. The Committee considered the findings and recommendations of the Legislative Audit Division and has examined the proposed budget for the Board.

After careful analysis, the Committee will be introducing legislation that would extend the Board of Nursing Home Administrators for another four year period. In an effort to reduce the Board's operational costs, the legislation will also propose to reduce the number of members on the board and the annual number of board meetings.
