3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to the levy and collection of fees
7 for the use of state park system facilities; relating
8 to contracts for services and facilities in the state
9 park system; and providing for an effective date."

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11 * Section 1. AS 41.21 is amended by adding new sections to read:

12 Sec. 41.21.026. FEES FOR THE USE OF STATE PARK SYSTEM FACILI-
13 TIES. (a) The department may not, either directly or through another
14 person, charge or collect a fee for an ordinary use of a park unit or
15 the use of a restroom in a park unit.

16 (b) In addition to the prohibition in (a) of this section, the
17 department may not establish and collect fees for the use of a park
18 unit, except for

- 19 (1) rental of public use cabins or other overnight lodg-
20 ings;
- 21 (2) overnight use of a developed campsite;
- 22 (3) special park use permits;
- 23 (4) noncompetitive and nonexclusive commercial use permits;
- 24 (5) use of a sewage holding tank dump station;
- 25 (6) guided tours of historic sites; and
- 26 (7) use of an improved boat ramp in a park facility
27 developed principally for boat launching.

28 (c) The department shall establish the fees for uses under (b)
29 of this section by regulation. Before setting the fees, the

1 department shall consider at public hearings

2 (1) the cost to the state of operating the facility or
3 managing the activity;

4 (2) the normal fees charged for similar facilities or
5 activities by governmental and nongovernmental entities;

6 (3) the cost of administering a fee collection program for
7 the facility or activity; and

8 (4) the public interest.

9 (d) In this section, "developed campsite" means a campsite
10 having access to the following public facilities:

11 (1) restrooms;

12 (2) a picnic table;

13 (3) an outdoor cooking facility; and

14 (4) an approved water source.

15 Sec. 41.21.027. MAINTENANCE AND COLLECTION CONTRACTS IN THE
16 STATE PARK SYSTEM. (a) The state may contract under AS 36.30 (State
17 Procurement Code) for

18 (1) the collection of fees charged for uses under AS 41.-
19 21.026(b); and

20 (2) park unit maintenance activities; "park unit mainte-
21 nance activities" means

22 (A) refuse collection;

23 (B) janitorial maintenance of facilities;

24 (C) litter pickup;

25 (D) painting;

26 (E) fireplace cleaning;

27 (F) sewage pumping;

28 (G) minor repair and replacement of facilities;

29 (H) snowplowing and road maintenance;

- 1 (I) brushing trails, picnic areas, and campsites;
2 (J) other normal park unit maintenance activities.

3 (b) The state may combine in a single contract the services
4 listed in (a)(1) and (2) of this section.

5 (c) A contract under this section is not subject to AS 41.21.-
6 028.

7 Sec. 41.21.028. CONCESSION CONTRACTS IN THE STATE PARK SYSTEM.

8 (a) The state may not enter into a concession contract under AS 36 to
9 provide services or to operate or construct facilities in a park unit
10 unless the commissioner finds that the proposed concession contract

11 (1) will implement the purposes of the park unit and is
12 authorized by the park management plan, if any, that applies to the
13 park unit;

14 (2) will enhance public use and enjoyment of the park unit
15 while maintaining a high quality environment and the opportunity for
16 high quality recreational experiences;

17 (3) will provide services or facilities that are not feasi-
18 ble or affordable for the state to provide directly;

19 (4) will not create substantial adverse environmental
20 effects;

21 (5) is based on a need or desire of the public;

22 (6) recognizes and accommodates, at no cost, ordinary uses
23 in a park unit;

24 (7) requires the contractor to hire residents of the state,
25 to the extent available and qualified, when hiring persons to work in
26 the park under the contract;

27 (8) provides the state with a fair and equitable portion,
28 in money or services, of the contractor's receipts from the provision
29 of the service or the operation of the facility;

1 (9) provides that the department retains control over the
2 level of fees and the design and appearance of any facility to be con-
3 structed;

4 (10) requires the contractor to accommodate visitors with
5 special circumstances, including handicapped persons, senior citizens,
6 and school children;

7 (11) provides that during the term of the contract the
8 commissioner shall regularly review and inspect the

(A) operation of the facility; and

(B) contractor's provision of service to the public;

and

9 (12) provides that the contract shall be terminated if the
10 contractor fails to protect park values and resources or fails to
11 maintain a high-quality environment and recreation experience.

(b) Before bids or proposals are sought or contract negotiations
12 begun under AS 36.30 for a concession contract under (a) of this
13 section, the commissioner shall

(1) make a preliminary inquiry at the local level to
14 identify community concerns;

(2) if it is appropriate to proceed further, make a pre-
15 liminary decision that includes the findings required by (a) of this
16 section and

(A) an assessment of existing visitor uses that may be
17 affected by the activities of the contractor;

(B) an assessment of the potential conflicts or sig-
18 nificant effects on park wildlife, water, scenic values, or other
19 resources;

(C) an identification of the types of services or
20 goods that the contractor is to provide;

1 (D) the terms and conditions of the contract;

2 (E) a determination of whether the contract activity
3 would be more appropriately located on land outside of the park
4 or on private land within the park; and

5 (F) the views and comments of the park advisory board,
6 when one exists, for the park unit in which the activity is being
7 considered;

8 (3) after making a preliminary decision under (2) of this
9 subsection,

10 (A) seek public comment on the preliminary decision
11 through reasonable public notice and, if facilities may be built
12 under the concession contract, conduct public hearings;

13 (B) after considering the public comment obtained
14 under this subsection, issue a final decision on whether or not
15 the state will proceed into a concession contract award process.

16 (c) The commissioner shall provide for public review and comment
17 before a concession contract under this section is renewed or ex-
18 tended.

19 (d) By the 15th day of each first regular session of the legis-
20 lature, the commissioner shall make available to the legislature a
21 report on the provision of services or operation of facilities under
22 concession contracts under this section during the previous two fiscal
23 years, including

24 (1) contract activities;

25 (2) new or expanded contracts whose estimated or actual
26 gross receipts exceed \$25,000; and

27 (3) violations of contract standards.

28 (e) The commissioner may adopt regulations to implement this
29 section.

1 (f) The commissioner may not enter into a concession contract
2 for the Alaska Chilkat Bald Eagle Preserve.

3 (g) In this section

4 (1) "concession contract" does not include a contract under
5 AS 41.21.027;

6 (2) "facilities" includes campgrounds, boat launches,
7 lodges, food service operations, and gift shops.

8 Sec. 41.21.029. DEFINITIONS. (a) In AS 41.21.026 - 41.21.029

9 (1) "ordinary use" means a use that is not generally asso-
10 ciated with developed facilities, including fishing, hunting, walking,
11 swimming in a natural body of water, picnicking, or automobile parking
12 associated with another ordinary use;

13 (2) "park unit" means a unit of the state park system.

* Sec. 2. AS 41.21.030 is amended by adding a new subsection to read:

14 (b) The commissioner of administration shall separately account
15 for fees and other money collected under AS 41.21.026 - 41.21.029 and
16 deposited under (a) of this section. The annual estimated balance in
17 the account may be used by the legislature to make appropriations to
18 the department to carry out the purposes of this chapter.

* Sec. 3. AS 28.10.411(e) and AS 41.35.045 are repealed.

* Sec. 4. This Act takes effect July 1, 1987.

MEMORANDUM

TO: House Finance Committee

FROM: Representative Kay Brown

DATE: March 5, 1987

SUBJ: Draft CS HB 16 (Finance)
Park User Fees and Concessions

RECOMMENDATION:

- ① proposed C.S.
(attach #5)
- ② consider amendment
presented to Sub
Committee,
- ③ Fiscal note
(attach #6)

Please find attached a copy of a draft CS HB 16 (Finance) prepared by the subcommittee for your consideration.

To summarize briefly, the bill as originally introduced provided authority to the Department of Natural Resources to levy and collect fees for the use of park facilities. During the Resources Committee review of the bill the Department requested that additional language be added to the bill to provide concession contracting authority. Language to this effect was included in the bill and referred to the Finance Committee.

During a Finance subcommittee work session on the Resources CS (see Attachment 1, work session agenda), substantial concerns were raised by members of the Finance Committee regarding the potential adverse impacts of concessions in State parks, especially in light of the Lower 48 experience with commercial developments in federal and state parks.

While there appears to be universal support for giving the Department clear authority to engage in simple fee collection, views on concession contracting in State parks are widely divergent. Some of the major issues are outlined in Attachment 2. In an attempt to clarify the status of the Department's

existing authority, the subcommittee requested an Attorney General's opinion, which concluded that the Department already has broad statutory authority to engage in concession contracting (Attachment 3). Thus, the focus and emphasis of the subcommittee's effort has been to develop statutory language to guide the Department when undertaking concession contracting.

As indicated by the sectional analysis (Attachment 4), the draft Finance CS provides the Department of Natural Resources three basic mechanisms to pursue fee collections and provide additional services through concession contracting:

1) Sec. 41.21.026 allows the Department to collect fees for certain activities directly;

2) Sec. 41.21.027 allows the Department to engage in limited contracting for specific maintenance and fee collection purposes; and

3) Sec. 41.21.028 allows the Department to concession contract the operation of services and construction of facilities provided the Commissioner finds that the concessions will serve the public interest.

The subcommittee has made a substantial effort to accommodate a spectrum of opinion and concern on this bill. I believe that the proposal now before you will accomplish the desired goals of providing the Department of Natural Resources with clear authority to levy and collect fees and engage in concession contracting while also prescribing specific procedures to assure appropriate public involvement in the decision-making process.

AGENDA

February 24, 1987 5:00 pm
House Finance Committee Room
Work Session: House Bill 16 - Park User Fees and Concessions

I. Introduction: Representative Brown

II. Al Meiners/DNR-Parks

A. Present DNR Authority and Practices

- 1) fees collected and current restraints
 - 2) contracts/concessions and applicable constraints
 - 3) examples of fee programs/concessions/contracting examples (current):
 - public use cabins
 - Potter Section House
 - Ak Natural History Assoc (non-profit)
- examples (in progress):
- Rika's Road House
 - helicopter flight seeing in Chugach St Pk
 - Outdoor Education Camp in Chena St Rec Area

B. The need for new Legislation

III. Evolution of HB 16 to CS HB 16: Representative Cotten (Ned Farquhar)

IV. Discussion of Policy Questions/Issues

Major questions to be addressed include:

1. What are the advantages/disadvantages of concessions in State Parks?

2. What are the distinctions to be made between "contracting" and granting "concessions"?

3. The concession language in CS HB 16 does not grant any fundamentally new authority to grant concessions; the bill does put explicit constraints on concession practices ("side boards"). Deletion of the concession language in CS HB 16 would still leave DNR with broad authority to pursue concessions but without any explicit guidance on issues relating to compatibility with park values, etc.

4. How should "ordinary uses" such as swimming, fishing, picnicking, etc. be treated?

5. Should HB 16 be limited to fees only as originally introduced? Should this bill, or another, address the issues surrounding concessions?

QUESTIONS TO CONSIDER ON HB 16

by Rep. Kay Brown

1. Is concession contracting in State Parks a good idea?

Considerations/Pro:

- provides DNR flexibility and means to do things otherwise not possible with budget cuts
- allows DNR to keep facilities open through private financing
- provides opportunity for certain services otherwise inappropriate for state to provide (such as food and lodging)
- clarifies existing DNR authority

Considerations/Con:

- contractors may gain too much political influence over park management decisions
- park objectives may be compromised by profit motives
- commercialization of state parks may occur

Proposed CS (Finance):

- provides concession contracting authority with safeguards

2. Should private capital be used to construct facilities in public parks (as distinguished from provision of services)?

Considerations/Pro:

- facilities can be constructed (eg, boat launch, x-country/down hill ski resort, lodge)
- tourism attractions can be developed

Considerations/Con:

- commercialization of parks
- creation of strong financial and/or political interests in parks

Proposed CS (Finance):

- allows construction of facilities but requires extensive public involvement

3. Is all this public process in the proposed CS necessary?

Considerations/Pro:

- safeguards against bad development experienced elsewhere (eg, Yosemite, Yellowstone)
- ensures public involvement

Considerations/Con:

- may defer or slow down concession development
- increases state administrative costs

Proposed CS (Finance): expands public review process before concession contracts are granted or facilities are constructed.

MEMORANDUM

SUBJ: HB 16 - Park User Fees and Concessions
and Current Statutory Authority

During the discussions on House Bill 16 there has been some confusion regarding *current* statutory authority for DNR to charge fees and contract out concessions and whether this bill would have the effect of adding concession contracting to present authorities.

In order to clarify current law and better understand the implications of House Bill 16, I have asked for an Attorney General's Opinion on this issue. As indicated by the opinion, DNR already has statutory authority to concession contract. The authority to simply collect fees is also provided under current laws but conditioned by certain provisions.

Please find a copy of the opinion attached.

MEMORANDUM

State of Alaska

TO: House Finance Committee
Attn: Eric Meyers

DATE: February 23, 1987

FILE NO:

TELEPHONE NO: 276-3550

THRU: Grace Berg Schaible
Attorney General

SUBJECT: CSHB No. 16

FROM: Michael J. Frank
Assistant Attorney General

This memorandum responds to your request for an outline of the existing authority the Department of Natural Resources, through the Division of Parks and Outdoor Recreation, ^{1/} has to charge fees for use of park facilities and to contract for "concessions and rentals".

I. CONTRACTS FOR THE OPERATION OF "CONCESSIONS AND RENTALS".

Under AS 41.21.020 DNR "shall"

- (4) control, develop and maintain state parks and recreational areas;
- (5) provide for the care, control, supervision, development, . . . and maintenance of public recreational land, and make necessary arrangements, contracts or commitments for the improvement and development of land acquired under AS 41.21.010 - 41.21.040. (Emphasis supplied.)

The foregoing statute was passed in 1959 (ch. 158 SLA 1959), as was AS 41.21.030. The latter statute reads in full:

All money received from the operation of parks and recreational facilities, including money from concessions, rentals, or donations shall be deposited in the general fund of the state. (Emphasis supplied.)

1/ AS 41.21.040, passed as part of ch. 158 SLA 1959, gave the DNR commissioner authority to create a separate division in DNR to "perform functions relative to parks and recreational facilities specified in AS 41.21.010 - 41.21.040. . . ."

AS 41.21.020 and 41.21.030 have provided the legal authority to DNR to adopt the existing concession contract regulations (see attached) at 11 AAC 14.200 et seq. While the two statutes are certainly are not as clear in granting contracting authority as they might be, it seems obvious from them that the 1959 Legislature anticipated^{2/} that there might be contractors operating concessions or rentals 2/ in State parks.

For your information I am also enclosing existing National Park Service "concession" contracting laws, 16 U.S.C. §§ 20 et seq., and regulations, 36 C.F.R. Part 51.

II. FEES.

Currently DNR only has express statutory authority to "establish and collect fees for guided tours through historical sites". AS 41.35.045 (1986 Michie Suppl.).

Prior to 1978, DNR did charge fees for entry into and use of a state park or campground. DNR did so via 11 AAC 12.310, a regulation which allowed the division of parks' director to set fees for use of a state park facility and which established an annual \$10.00 vehicle entrance fee to state parks.

In 1978, however, the Legislature nullified this regulation, in effect, by passing AS 28.10.411, governing motor vehicle registration (license tag) fees. Subsection (e) of AS 28.10.411 reads:

Notwithstanding any other provision of law, fees paid for registering a vehicle . . . shall include all fees required for entry and use of a state park or campground.

Since the "nullification" was in a motor vehicle registration statute, it's not exactly clear how broad the 1978 Legislature

2/ Neither the word "concessions" nor "rentals" is defined in AS 41.21. At common law "concession" was a term "ordinarily applied to the grant of specific privileges by a government". Black's Law Dictionary 361 (4th Ed. 1968). In the context of especially protected lands -- like parks -- the use of the word "concession" is very apt in that it implies that being allowed to operate a commercial venture on such lands is an extraordinary privilege to grant someone.

House Finance Committee
Attn: Eric Meyers

February 23, 1987
Page 3

intended AS 28.10.411(e) to be. If, for example, a backpacker had no vehicle registered in Alaska and walked into and used a state park campground, could the backpacker legally be charged a campground user fee?

In any event, the 1986 Legislature resolved any ambiguities, perhaps unintentionally, with the passage of AS 37.10.050(a). That statute prohibits a state agency from charging "for the provision of state services unless the charge is authorized by statute". Although it's not exactly clear what "state services" includes, it seems apparent that entrance fees at campgrounds and other comparable direct levies on park visitors are prohibited. A concessioner's sale of natural history books might, however, not be.

III. CONCLUSION

From an attorney-to-client standpoint, the existing statutes are in a sufficient muddle to make it difficult for our office to give unambiguous legal advice to DNR when contracting and fee questions arise. Thus, if the Committee should desire further help with the drafting of CSHB 16, our office would be eager to assist it.

- 240. Chattels and personal property
- 250. Removal of personal property
- 260. Renewal of concession contracts

11 AAC 14.200. CONCESSION CONTRACTS.

A concession contract may be obtained under the procedure, and is subject to the conditions, in 11 AAC 14.010 through 11 AAC 14.130. The director may enter into a contract with a qualified person to construct, maintain, or operate a concession in a state park. A fee schedule established in a concession contract may be subject to annual review and approval by the director. (Eff. 8/1/68, Reg. 27; am 1/13/73, Reg. 44)

Authority: AS 41.21.020
AS 41.21.040

11 AAC 14.210. CONCESSION RENTAL. The rental charged by the division shall be one of the following:

- (1) percentage of the annual gross receipts;
- (2) guaranteed annual minimum or percentage of the gross, whichever may be the greater;
- (3) annual rental; or
- (4) a combination of the above. (Eff. 8/1/68, Reg. 27; am 1/13/73, Reg. 44)

Authority: AS 41.21.020

11 AAC 14.220. CANCELLATION BY THE STATE. If the concession is terminated or forfeited during its term, the state shall pay the concessionaire the value of his interest in fixed improvements unless the termination is due to

concessionaire default or request. The value of the interest is calculated by the straight-line depreciation method less any amount due the state at the time of contract termination. (Eff. 8/1/68, Reg. 27; am 1/13/73, Reg. 44)

Authority: AS 41.21.020

11 AAC 14.230. IMPROVEMENTS BY CONCESSIONAIRE. The concession contract may provide for the construction of fixed improvements or additions to real property. Each improvement or addition to real property shall become the property of the state without cost upon expiration of the contract. The cost of an improvement shall be the principal determinant of the length of the concession contract in order to insure the concessionaire a reasonable return on the original investment in the improvement during the term of the contract. (Eff. 8/1/68, Reg. 27; am 1/13/73, Reg. 44)

Authority: AS 41.21.020

11 AAC 14.240. CHATTELS AND PERSONAL PROPERTY. The concessionaire shall remove chattels and personal property within 30 days of the notification to vacate. If the personal property is not removed within the 30 days the director may forfeit the property. (Eff. 1/13/73, Reg. 44)

Authority: AS 41.21.020
AS 41.21.040

11 AAC 14.250. REMOVAL OF PERSONAL PROPERTY.  Sale and disposal of transferred property 2

1. Property transferred for payment of debts

There can be no doubt that this section regulating the duties of former Solicitor had a reference to existing laws in some of the states, which authorize the debtor to set off his real estate on execution, and in other cases where he surrenders all his property to the United States on which he is released, but all the provisions are not limited to these cases and some of them are general and apply to cases of "trusts created for the benefit of the United States in payment of debts due them". U.S. v. Lane, C.C.Ind.1844, 3 McLean, 365, Fed.Cas. No. 15,559.

2. Sale and disposal of transferred property

The General Counsel [formerly the Solicitor of the Treasury] by virtue of this section and former section 302 of this title, had charge of, and, with the approval of the Secretary of the Treasury, power to rent or sell, lands acquired in satisfaction of judgments on bonds of internal revenue collectors. 1878, 16 Op.Atty.Gen. 144.

There is no imaginable reason why a trustee having power to sell lands should not have power to sell movables and incorporeal rights, and the policy of this section demands it; at any rate, the General Counsel [formerly the Solicitor of the Treasury] is charged with the administration of said trusts and he may do, therefore, under this section, whatever any other trustee would be allowed to do in a court of chancery. 1842, 4 Op.Atty.Gen. 135.

CONCESSIONS FOR ACCOMMODATIONS, FACILITIES, AND SERVICES IN AREAS ADMINISTERED BY NATIONAL PARK SERVICE

§ 20. Congressional findings and statement of purpose

In furtherance of sections 1 and 2 to 4 of this title, as amended, which directs the Secretary of the Interior to administer national park system areas in accordance with the fundamental purpose of conserving their scenery, wildlife, natural and historic objects, and providing for their enjoyment in a manner that will leave them unimpaired for the enjoyment of future generations, the Congress hereby finds that the preservation of park values requires that such public accommodations, facilities, and services as have to be provided within those areas should be provided only under carefully controlled safeguards against unregulated and indiscriminate use, so that the heavy visitation will not unduly impair these values and so that development of such facilities can best be limited to locations where the least damage to park values will be caused. It is the policy of the Congress that such development shall be limited to those that are necessary and appropriate for public use and enjoyment of the national park area in which they are located and that are consistent to the highest practicable degree with the preservation and conservation of the areas.

4. — Certificate of convenience and necessity

Concessionaire under contract with Secretary to conduct bus tours of Capitol Mall could operate without certificate of convenience and necessity from Washington Metropolitan Area Transit Commission. Universal Interpretive Shuttle Corp. v. Washington Metropolitan Area Transit Commission, Dist.Col.1968, 89 S.Ct. 351, 393 U.S. 180, 21 L.Ed.2d 331.

5. — Monopoly

Even if transit system's franchise would protect mass transportation on Capitol Mall from uncertified competition, and even if provision giving exclusive transportation rights protected charter or sightseeing services, it did not follow that system had monopoly over sightseeing on Capitol Mall. Universal Interpretive Shuttle Corp. v. Washington Metropolitan Area Transit Commission, Dist.Col.1968, 89 S.Ct. 351, 393 U.S. 180, 21 L.Ed.2d 331.

Transit system's franchise did not give it absolute monopoly of sightseeing service on Capitol Mall and did not protect system against competition from concessionaire acting under contract with Secretary. Id.

6. Engaging in or soliciting business without permit

Secretary in promulgating regulation prohibiting engaging in or soliciting business in park areas except in accordance with permit or contract with United States does not exceed statutory authority granted to him. U. S. v. Carter, D.C.Ariz.1972, 339 F.Supp. 1394.

1. Responsibility for providing facilities and services

The Secretary is responsible for maintaining national parks and for providing facilities and services for their public enjoyment through concessionaires or otherwise. Universal Interpretive Shuttle Corp. v. Washington Metropolitan Area Transit Commission, Dist.Col.1968, 89 S.Ct. 351, 393 U.S. 180, 21 L.Ed.2d 331.

2. Exclusiveness of Secretary's authority

Congress, in creating Washington Metropolitan Area Transit Commission, did not disturb exclusivity of control by Secretary over Capitol Mall either by extinguishing entirely his power to contract for transportation services or by burdening his concessionaire with two separate agencies engaged in regulating precisely same aspects of its conduct. Universal Interpretive Shuttle Corp. v. Washington Metropolitan Area Transit Commission, Dist.Col.1968, 89 S.Ct. 351, 393 U.S. 180, 21 L.Ed.2d 331.

§ 20b. Protection of concessioner's investment—Contract terms; compensation for loss of investment

(a) Without limitation of the foregoing, the Secretary may include in contracts for the providing of facilities and services such terms and conditions as, in his judgment, are required to assure the concessioner

of adequate protection against loss of investment in structures, fixtures, improvements, equipment, supplies, and other tangible property provided by him for the purposes of the contract (but not against loss of anticipated profits) resulting from discretionary acts, policies, or decisions of the Secretary occurring after the contract has become effective under which acts, policies, or decisions the concessioner's authority to conduct some or all of his authorized operations under the contract ceases or his structures, fixtures, and improvements, or any of them, are required to be transferred to another party or to be abandoned, removed, or demolished. Such terms and conditions may include an obligation of the United States to compensate the concessioner for loss of investment, as aforesaid.

Profit commensurate with capital invested and obligations assumed

(b) The Secretary shall exercise his authority in a manner consistent with a reasonable opportunity for the concessioner to realize a profit on his operation as a whole commensurate with the capital invested and the obligations assumed.

Reasonableness of concessioner's rates and charges

(c) The reasonableness of a concessioner's rates and charges to the public shall, unless otherwise provided in the contract, be judged primarily by comparison with those current for facilities and services of comparable character under similar conditions, with due consideration for length of season, provision for peakloads, average percentage of occupancy, accessibility, availability and costs of labor and materials, type of patronage, and other factors deemed significant by the Secretary.

Determination of franchise fees; reconsideration every five years or oftener

(d) Franchise fees, however stated, shall be determined upon consideration of the probable value to the concessioner of the privileges granted by the particular contract or permit involved. Such value is the opportunity for net profit in relation to both gross receipts and capital invested. Consideration of revenue to the United States shall be subordinate to the objectives of protecting and preserving the areas and of providing adequate and appropriate services for visitors at reasonable rates. Appropriate provisions shall be made for reconsideration of franchise fees at least every five years unless the contract is for a lesser period of time.

§ 20c. New or additional services; preferential rights; operations by single concessioner

The Secretary may authorize the operation of all accommodations, facilities, and services for visitors, or of all such accommodations, facilities, and services of generally similar character, in each area, or portion thereof, administered by the National Park Service by one responsible concessioner and may grant to such concessioner a preferential right to provide such new or additional accommodations, facilities, or services as the Secretary may consider necessary or desirable for the accommodation and convenience of the public. The Secretary may, in his discretion, grant extensions, renewals, or new contracts to present concessioners, other than the concessioner holding a preferential right, for operations substantially similar in character and extent to those authorized by their current contracts or permits.

§ 20d. Renewal preference for satisfactory performance; extensions; new contracts; public notice

The Secretary shall encourage continuity of operation and facilities and services by giving preference in the renewal of contracts or permits and in the negotiation of new contracts or permits to the concessioners who have performed their obligations under prior contracts or permits to the satisfaction of the Secretary. To this end, the Secretary, at any time in his discretion, may extend or renew a contract or permit, or may grant a new contract or permit to the same concessioner upon the termination or surrender before expiration of a prior contract or permit. Before doing so, however, and before granting extensions, renewals or new contracts pursuant to the last sentence of section 20c of this title, the Secretary shall give reasonable public notice of his intention so to do and shall consider and evaluate all proposals received as a result thereof.

§ 20e. Concessioner's possessory interest in concession property; limitations; compensation for taking; determination of just compensation

A concessioner who has heretofore acquired or constructed or who hereafter acquires or constructs, pursuant to a contract and with the

approval of the Secretary, any structure, fixture, or improvement upon land owned by the United States within an area administered by the National Park Service shall have a possessory interest therein, which shall consist of all incidents of ownership except legal title, and except as hereinafter provided, which title shall be vested in the United States. Such possessory interest shall not be construed to include or imply any authority, privilege, or right to operate or engage in any business or other activity, and the use or enjoyment of any structure, fixture, or improvement in which the concessioner has a possessory interest shall be wholly subject to the applicable provisions of the contract and of laws and regulations relating to the area. The said possessory interest shall not be extinguished by the expiration or other termination of the contract and may not be taken for public use without just compensation. The said possessory interest may be assigned, transferred, encumbered, or relinquished. Unless otherwise provided by agreement of the parties, just compensation shall be an amount equal to the sound value of such structure, fixture, or improvement at the time of taking by the United States determined upon the basis of reconstruction cost less depreciation evidenced by its condition and prospective serviceability in comparison with a new unit of like kind, but not to exceed fair market value. The provisions of this section shall not apply to concessioners whose current contracts do not include recognition of a possessory interest, unless in a particular case the Secretary determines that equitable considerations warrant recognition of such interest.

§ 21a. Revision of boundaries; contiguous national forests; jurisdiction of forests

The boundary of the Yellowstone National Park is changed so as to read as follows:

Beginning on the present north boundary line of Yellowstone National Park at its intersection with the hydrographic divide immediately north of Pebble Creek, approximately at park boundary monument 29 east; thence following said divide around the head of the drainage of Pebble Creek to its intersection with the present east boundary line of Yellowstone National Park, at a point near park boundary monument 54 north; thence southerly along said boundary line to its intersection with the hydrographic divide between Soda Butte and Cache Creeks, at a point near park boundary monument 51 north; thence easterly along said hydrographic divide to its intersection with the crest of the Absaroka Range; thence southerly along said crest to its intersection with the main hydrographic divide between Little Lamar River and the North Fork of Shoshone River, passing over Republic and Hoodoo Peaks; thence westerly along said divide passing over Notch Mountain to its intersection with the present east boundary line of Yellowstone National Park, at a point near park boundary monument 26 north; thence continuing westerly along said divide, now between the headwaters of Lamar River and Jones Creek; headwaters of Sedge, Bear, Cub, and Clear Creeks, and the headwaters of Jones and Crow Creeks, and between Crow Creek and Middle Creek, to its intersection with the present east boundary line of Yellowstone National Park, approximately at park boundary monument 18 north, passing over Pyramid and Cathedral Peaks, Mount Chittenden, and Avalanche Peak, thence southerly along said boundary line to its intersection with the hydrographic divide immediately south of Middle Creek, approximately at park boundary monument 15 north; thence westerly along said divide, now between a southern tributary of Middle Creek, headwaters of Beaverdam, Trappers, and Mountain Creeks, and the headwaters of Canfield and Eagle Creeks, to its intersection with the present east boundary line of Yellowstone National Park, at a point near park boundary monument 5 north, passing over Reservation and Atkins Peaks, Mount Schurz, Mount Humphreys, and Eagle Peak; and

Beginning on the present west boundary line of Yellowstone National Park at its intersection with the left bank of Gallatin River be-

on a map, which shall be available for inspection in the Office of the Site Manager, the locations within these park areas that are available for the sale or distribution of printed matter. Locations may be designated as not available only if the sale or distribution of printed matter would:

(i) Cause injury or damage to park resources; or

(ii) Unreasonably impair the atmosphere of peace and tranquility maintained in commemorative areas; or

(iii) Unreasonably interfere with interpretive, living history, visitor services, or other program activities or with the administrative functions of the National Park Service; or

(iv) Substantially impair the operation of public use facilities or services of concessioners or contractors.

(4) The permit may contain such conditions as are reasonably consistent with protection and use of the park area.

(5) No permit shall be issued for a period in excess of 14 consecutive days: *Provided*, That permits may be extended for like periods, upon a new application, unless another applicant has requested use of the same location and multiple occupancy of that location is not reasonably possible.

(6) Persons engaged in the sale or distribution of printed matter under this section shall not conduct activities from other than a stand in the locations designated, or hawk or call out from the stand. Each stand shall bear a sign identifying the sponsor, in a form approved by the Unit Manager.

(7) The sale or distribution of printed matter without a permit, or in violation of the terms or conditions of a permit, is prohibited.

(8) Any permit may be revoked under any of those conditions, as listed in paragraph (b)(2) of this section, which constitute grounds for denial of a permit, or for violation of the terms and conditions of the permit. Such a revocation shall be made in writing, with the reason(s) for revocation clearly set forth, except under emergency circumstances, when an immediate verbal revocation or suspension may be made, to be followed by written confirmation.

(c) Persons engaged in the sale or distribution of printed matter under this section shall not obstruct or impede pedestrians or vehicles, harass park visitors with physical contact misrepresent the purposes or affiliations of those engaged in the sale or distribution, or whether the printed matter is available without cost or donation.

Concession activities in park areas shall be limited to those that are necessary and appropriate for public use and enjoyment of the park areas in which they are located and that are consistent to the highest practicable degree with the preservation and conservation of the park areas.

§ 51.3 Definitions.

The following definitions shall apply to this Part 51:

(a) "Concession Contracts" and "Concession Permits" (or "contracts" and "permits") are agreements between the Director and a concessioner whereby the concessioner agrees to provide certain public accommodations, facilities or services within a park area under the administration of the Director. Concession Permits are generally utilized where the authorized concession operations are not expected to gross more than \$100,000 annually, where the term of the permit is less than five (5) years, where no possessory interest is to be granted to the concessioner, and where no preferential rights to additional services are authorized. In other instances, Concession Contracts are utilized.

(b) "Right of Preference" refers to the right of existing satisfactory concessioners to a preference in the renewal or negotiation of a new contract or permit covering substantially the same accommodations, facilities and services as provided by the concessioner under the terms of its existing contract or permit. Prior to the expiration or termination of a contract or permit a determination shall be made based on annual evaluations, as to whether or not the concessioner is entitled to a preference in the renewal of its contract or permit. An unsatisfactory rating, results in the loss of the right of preference.

(c) "Preferential Right" refers to the right to provide new or additional services and facilities which may be granted to a concessioner by Concession Contract as the Director may con-

sider necessary for the accommodation and convenience of the public.

(d) The term "Director" refers to the Director of the National Park Service or his authorized representatives.

(e) The term "Secretary" refers to the Secretary of the Interior or his authorized representatives.

§ 51.4 Solicitation and award of concession contracts and permits where no right of preference exists.

(a) Where no right of preference exists, the Director shall issue a prospectus soliciting proposals describing the concession operation to be authorized, the material terms and conditions of the proposed Concession Contract or Permit, and the principal factors considered in selection. Public notice of the availability of the concession opportunity shall be published in the FEDERAL REGISTER and/or at least once in local or national newspapers or trade magazines, as appropriate, and will be distributed to interested parties and organizations. The prospectus will be made available upon request to all interested parties and will allow a minimum of sixty days for proposals to be submitted unless a written determination is made that a shorter period is necessary because of exceptional circumstances. All proposals received shall be evaluated by the Director, and the proposal considered best by the Director on an overall basis shall be selected as the basis for negotiation of the Concession Contract or Permit.

(b) The principal factors to be considered in selection of the best proposal shall be (1) the experience and related background of offerors, (2) the offeror's financial capability, and (3) conformance to the terms and conditions of the prospectus in relation to quality of service to the visitor. Secondary factors shall include franchise fee offered and other factors as may be specified.

(c) The Director may solicit from any applicant additional information, or written or verbal clarification of a proposal, and may extend the solicitation period in his discretion. The Director may choose to reject all proposals received at any time and resolicit

or cancel the solicitation altogether in his discretion when in the best interest of the Government. Any material information made available to any applicant by the Director must be made available to all applicants, and will be available to the public upon request.

(d) Negotiation of a final contract and permit with the selected applicant shall commence promptly. Material amendments to the proposed terms and conditions of the Concession Contract or Permit, as described in the prospectus, may be negotiated only after resolicitation of the concession opportunity for an appropriate period of time by amendment to the prospectus and re-advertising. After negotiation of Concession Contracts with anticipated gross receipts in excess of \$100,000 or five (5) years or more in duration, such contracts shall be forwarded to the Senate Committee on Energy and Natural Resources and the House Committee on Interior and Insular Affairs for a 60-day waiting period prior to award. The Director may, in his discretion, terminate negotiation of a Concession Contract or Permit at any time prior to execution by the Government and resolicit or cancel the solicitation when in the best interest of the Government.

(e) The terms and conditions of the solicitation must represent the requirements of the National Park Service and not be developed to accommodate the capabilities or limitations of any particular party.

(f) Upon a written determination that exceptional circumstances warrant waiver of the procedures described in this subsection and that it is in the public interest to protect visitor or park resources or otherwise, the Director may negotiate a Concession Contract or Permit with any qualified party without public notice or advertising.

§ 51.5 Solicitation and award of concession contracts and permits or extensions or renewal of concession contracts and permits, where a right of preference exists.

The procedures described in § 51.4 shall apply to the solicitation, negotiation and award of extensions, renewals, or replacement of contracts or per-

mits by a new contract or permit where an existing concessioner has a right of preference except as follows:

(a) A fact sheet rather than a prospectus will be developed by the Director and will describe the existing concessioner's right of preference as well as the material terms and conditions under which the National Park Service proposes to negotiate a new concession contract or permit with the existing satisfactory concessioner.

(b) The concessioner with the right of preference shall be required to submit a proposal in response to the fact sheet. If, after evaluation of all proposals received, a proposal other than that of the existing concessioner is determined to be the best proposal, the existing concessioner shall be given an opportunity to meet the terms and conditions of the best proposal. If the existing concessioner does so and its proposal, as amended, is in the judgment of the Director, at least substantially equal to the best proposal, the existing concessioner shall be selected for negotiation of the contract or permit. If not, the contract or permit will be negotiated with the party that submitted the best proposal.

(c) The requirement for public notice and evaluation of proposals received may not be waived.

§ 51.6 Preferential right for additional services where a right to additional services and facilities exists by specific contract provisions.

Where the Director seeks to authorize new or additional accommodations, facilities and services of generally the same character as provided by an existing satisfactory concessioner in a park area, and such concessioner by Concession Contract has a right to provide such additional services, the Director shall develop a description of the new or additional services and the terms and conditions upon which they are to be provided without reference to any private party and give the existing concessioner a reasonable opportunity to review such description to determine if it wishes to provide the services. If so, the Director shall authorize the additional services by

amendment to the concessioner's contract. If the existing concessioner does not agree to provide the additional services upon the terms and conditions described, the Director shall authorize additional services to be provided by a new concessioner under substantially the same terms and conditions and pursuant to the procedures of § 51.4 hereof.

§ 51.7 Sale, assignment, or encumbrance of concession contracts, permits, and assets.

(a) Concession Contracts and Permits or operations authorized thereby or controlling interests therein may not be transferred, sold, or assigned, or assets thereof encumbered in any manner, including stock purchases, mergers, consolidations or reorganizations, except with the written approval of the Director. Transfers, sales, assignments, or encumbrances consummated in violation of this requirement shall be considered null and void by the Director and a material breach of the contract or permit.

(b) The term "controlling interest," as used herein means, in the case of corporate concessioners, an interest, beneficial or otherwise, of sufficient outstanding voting securities or capital of the concessioner so as to permit exercise of managerial authority over the actions and operations of the concessioner or election of a majority of the Board of Directors of the concessioner, and, in the instance of a partnership, limited partnership, joint venture or individual entrepreneurship, beneficial ownership of the capital assets of the concessioner so as to permit exercise of managerial authority over the actions and operations of the concessioner.

(c) Prior to consummating any transfer, sale, assignment or encumbrance of a controlling interest, the concessioner will request approval of the Director in writing and provide the following information:

(1) All instruments proposed to implement the transaction;

(2) An opinion of counsel from the buyer to the effect that the proposed transaction is lawful under all applicable Federal and State laws;

(3) A narrative description of the proposed transaction and the operational plans for conducting the operation;

(4) Statement as to the existence of any litigation questioning the validity of the proposed transaction;

(5) Description of the management qualifications and financial background of the proposed transferee and

(6) A statement as to whether the proposed sale constitutes a controlling interest and the particulars thereof as described in paragraph (b) of this section; and

(7) Such other information as the Director may require.

(d) Prior to the sale, transfer, assignment or encumbrance of anything other than a controlling interest, the concessioner must have notified the Director in writing and must have received acknowledgement from the Director. Information as to why it is not a controlling interest and identification of the transferee must be submitted with the required notification. Failure to comply with this provision shall make the subject sale or transfer null and void and constitute a material breach of the Contract or Permit.

(e) The Director may choose not to approve a proposed sale, transfer, assignment or encumbrance in his discretion or may place appropriate conditions on any approval as are necessary to protect the public interest. Concession Contracts and certain Concession Permits contain provisions which limit the purposes for which they may be encumbered. Such limitations are incorporated by reference herein as an element of the Director's review of such transactions.

SUMMARY OF PARK FEES AND CONCESSIONS BILL
CS HB 16 (Fin)

I) User Fees

Prohibits DNR from collecting fees for ordinary park uses including use of a restroom.

Prohibits DNR from from collecting fees (directly or through a contractor) except for:

- *rental of a public use cabin or other overnight lodging
- *use of a developed campsite
- *special park use permits
- *commercial use permits
- *use of a holding tank dump station
- *guided tours of a historic site

Provides criteria for the state to consider when adopting fees through the regulation process.

II.) Contracting for Fee Collection

Authorizes DNR to contract for fee collection and routine park maintenance activities.

III) Park Concessions

Prohibits DNR from entering into concession contracts unless the contract will:

- *implement the purposes of a park and is authorized in a management plan, if any
- *enhance public use and enjoyment of a park and maintains a high quality environment and recreational opportunities
- *be for services or facilities that are not feasible or affordable for DNR to provide directly
- *not create substantial adverse environmental effects
- *be based on a clear need or desire of the public
- *recognize and accommodate, at no cost, ordinary uses in a park unit
- *require the contractor to hire residents of the state, to the extent qualified and available
- *provide the state with a fair and equitable portion of the contractor's receipts
- *provide that DNR retains control over fees and the design of facilities
- *require contractors to accommodate special visitors such as handicapped persons, senior citizens and school children
- *provide for regular inspections by DNR of the facilities and services
- *provide that the contract will be terminated if the contractor fails to protect park values and resources or fails to maintain a high quality environment and recreational opportunities

Before bids or proposals are sought or a contract negotiated DNR must:

- *inquire with local residents to identify community concerns

If DNR decides to proceed further, DNR shall make a preliminary decision that includes the findings required above and:

- *assesses existing visitor use in the park area
- *assesses potential conflicts with wildlife, water, scenic values and other resources
- *identifies the kinds of services to be provided
- *establishes general contract terms and conditions
- *determines if the activity would be more appropriately located outside the park or on private lands within the park
- *views and comments of the park advisory board, if any

After making the preliminary decision, DNR shall:

- *seek public comment on the preliminary decision and, if facilities are to be built, hold public hearings

After considering public comment, issue a final decision on whether or not DNR will enter into a concession contract award process.

DNR must allow public review and comment prior to renewal or extension of a contract.

DNR must report every two years to the Legislature on the status of park concessions.

DNR may adopt regulations for concessions.

DNR may not enter into a concession contract in the Alaska-Chilkat Bald Eagle Preserve.

Ordinary uses are defined as those uses not generally associated developed facilities including fishing, hunting, walking, swimming, picnicking, or automobile parking associated with another ordinary use.

The law applies only to units of the state park system.

The state shall separately account for funds collected through user fees and other moneys collected under the provisions of the bill and separately account for them. The annual estimated balance may be used by the legislature to fund park programs.

AS 28.10.411(e) and AS 41.35.045 are repealed.

The Act takes effect July 1, 1987.

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to the levy and collection of fees
7 for the use of state park system facilities; relating
8 to contracts for services and facilities in the state
9 park system; and providing for an effective date."

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11 * Section 1. AS 41.21 is amended by adding new sections to read:

12 Sec. 41.21.026. FEES FOR THE USE OF STATE PARK SYSTEM FACILI-
13 TIES. (a) The department may not, either directly or through another
14 person, charge or collect a fee for an ordinary use of a park unit or
15 the use of a restroom in a park unit.

16 (b) In addition to the prohibition in (a) of this section, the
17 department may not establish and collect fees for the use of a park
18 unit, except for

- 19 (1) rental of public use cabins or other overnight lodg-
20 ings;
- 21 (2) overnight use of a developed campsite;
- 22 (3) special park use permits;
- 23 (4) noncompetitive and nonexclusive commercial use permits;
- 24 (5) use of a sewage holding tank dump station; and
- 25 (6) guided tours of historic sites.

26 (c) The department shall establish the fees for uses under (b)
27 of this section by regulation. Before setting the fees, the depart-
28 ment shall consider at public hearings

- 29 (1) the cost to the state of operating the facility or

1 managing the activity;

2 (2) the normal fees charged for similar facilities or
3 activities by governmental and nongovernmental entities;

4 (3) the cost of administering a fee collection program for
5 the facility or activity; and

6 (4) the public interest.

7 (d) In this section, "developed campsite" means a campsite
8 having access to the following public facilities:

9 (1) restrooms;

10 (2) a picnic table;

11 (3) an outdoor cooking facility; and

12 (4) an approved water source.

13 Sec. 41.21.027. MAINTENANCE AND COLLECTION CONTRACTS IN THE
14 STATE PARK SYSTEM. (a) The state may contract under AS 36.30 (State
15 Procurement Code) for

16 (1) the collection of fees charged for uses under AS 41.-
17 21.026(b); and

18 (2) park unit maintenance activities; "park unit mainte-
19 nance activities" means

20 (A) refuse collection;

21 (B) janitorial maintenance of facilities;

22 (C) litter pickup;

23 (D) painting;

24 (E) fireplace cleaning;

25 (F) sewage pumping;

26 (G) minor repair and replacement of facilities;

27 (H) snowplowing and road maintenance;

28 (I) brushing trails, picnic areas, and campsites;

29 (J) other normal park unit maintenance activities.

1 (b) The state may combine in a single contract the services
2 listed in (a)(1) and (2) of this section.

3 (c) A contract under this section is not subject to AS 41.21.-
4 028.

5 Sec. 41.21.028. CONCESSION CONTRACTS IN THE STATE PARK SYSTEM.

6 (a) The state may not enter into a concession contract under AS 36 to
7 provide services or to operate or construct facilities in a park unit
8 unless the commissioner finds that the proposed concession contract

9 (1) will implement the purposes of the park unit and is
10 authorized by the park management plan, if any, that applies to the
11 park unit;

12 (2) will enhance public use and enjoyment of the park unit
13 while maintaining a high quality environment and the opportunity for
14 high quality recreational experiences;

15 (3) will provide services or facilities that are not feasi-
16 ble or affordable for the state to provide directly;

17 (4) will not create substantial adverse environmental
18 effects;

19 (5) is based on a need or desire of the public;

20 (6) recognizes and accommodates, at no cost, ordinary uses
21 in a park unit;

22 (7) requires the contractor to hire residents of the state,
23 to the extent available and qualified, when hiring persons to work in
24 the park under the contract;

25 (8) provides the state with a fair and equitable portion,
26 in money or services, of the contractor's receipts from the provision
27 of the service or the operation of the facility;

28 (9) provides that the department retains control over the
29 level of fees and the design and appearance of any facility to be

1 constructed;

2 (10) requires the contractor to accommodate visitors with
3 special circumstances, including handicapped persons, senior citizens,
4 and school children;

5 (11) provides that during the term of the contract the
6 commissioner shall regularly review and inspect the

7 (A) operation of the facility; and

8 (B) contractor's provision of service to the public;

9 and

10 (12) provides that the contract shall be terminated if the
11 contractor fails to protect park values and resources or fails to
12 maintain a high-quality environment and recreation experience.

13 (b) Before bids or proposals are sought or contract negotiations
14 begun under AS 36.30 for a concession contract under (a) of this
15 section, the commissioner shall

16 (1) make a preliminary inquiry at the local level to
17 identify community concerns;

18 (2) if it is appropriate to proceed further, make a pre-
19 liminary decision that includes the findings required by (a) of this
20 section and

21 (A) an assessment of existing visitor uses that may be
22 affected by the activities of the contractor;

23 (B) an assessment of the potential conflicts or sig-
24 nificant effects on park wildlife, water, scenic values, or other
25 resources;

26 (C) an identification of the types of services or
27 goods that the contractor is to provide;

28 (D) the terms and conditions of the contract;

29 (E) a determination of whether the contract activity

1 would be more appropriately located on land outside of the park
2 or on private land within the park; and

3 (F) the views and comments of the park advisory board
4 when one exists, for the park unit in which the activity is being
5 considered;

6 (3) after making a preliminary decision under (2) of this
7 subsection,

8 (A) seek public comment on the preliminary decision
9 through reasonable public notice and, if facilities may be built
10 under the concession contract, conduct public hearings;

11 (B) after considering the public comment obtained
12 under this subsection, issue a final decision on whether or not
13 the state will proceed into a concession contract award process.

14 (c) The commissioner shall provide for public review and comment
15 before a concession contract under this section is renewed or ex-
16 tended.

17 (d) By the 15th day of each first regular session of the legis-
18 lature, the commissioner shall make available to the legislature
19 report on the provision of services or operation of facilities under
20 concession contracts under this section during the previous two fiscal
21 years, including

22 (1) contract activities;

23 (2) new or expanded contracts whose estimated or actual
24 gross receipts exceed \$25,000; and

25 (3) violations of contract standards.

26 (e) The commissioner may adopt regulations to implement this
27 section.

28 (f) The commissioner may not enter into a concession contract
29 for the Alaska Chilkat Bald Eagle Preserve.

1 (g) In this section

2 (1) "concession contract" does not include a contract under
3 AS 41.21.027;

4 (2) "facilities" includes campgrounds, boat launches,
5 lodges, food service operations, and gift shops.

6 Sec. 41.21.029. DEFINITIONS. (a) In AS 41.21.026 - 41.21.029

7 (1) "ordinary use" means a use that is not generally asso-
8 ciated with developed facilities, including fishing, hunting, walking,
9 swimming in a natural body of water, picnicking, or automobile parking
10 associated with another ordinary use;

11 (2) "park unit" means a unit of the state park system.

12 * Sec. 2. AS 41.21.030 is amended by adding a new subsection to read:

13 (b) The commissioner of administration shall separately account
14 for fees and other money collected under AS 41.21.026 - 41.21.029 and
15 deposited under (a) of this section. The annual estimated balance in
16 the account may be used by the legislature to make appropriations to
17 the department to carry out the purposes of this chapter.

18 * Sec. 3. AS 28.10.411(e) and AS 41.35.045 are repealed.

19 * Sec. 4. This Act takes effect July 1, 1987.

MEMORANDUM

TO: Rep. Sam Cotten, Co-Chair
Rep. Adelheid Herrmann, Co-Chair
Members of the Resources Committee

FROM: Ned Farquhar, Staff *Ned*

SUBJECT: Campground fee bills (HB 16, HB 19)

DATE: January 23, 1987

Rep. Navarre's HB 16 and Rep. Larson's HB 19 on state park campground fees will be heard in Committee on Monday, January 26. Natural Resources Commissioner Brady will be at the meeting and Neil Johannsen, Director of Parks, should be on the telephone from Anchorage.

Background

There has been a lot of discussion of state park campground fees in recent years. During the Fourteenth Legislature, the House Resources Committee introduced a bill (HB 257) to institute the fees; the bill moved promptly through the House but was still in the Senate Finance Committee (CSHB 257 Res am) at the end of the session. When the issue came up during the Thirteenth Legislature, the only new authority to collect fees in state parks was provided for tours of historic sites (AS 41.35.045, attached).

Issues

Alaska is the only state without a campground fee program, even though much of the use of our campgrounds is by out-of-state visitors. Supporters of the fees believe that fees increase public responsibility for the parks and campgrounds, return revenues to the State, and can be instituted at a relatively low cost with low administrative overhead. Opponents believe that state park campgrounds should be turned over to private operators or owners who will then have to compete in the tourism market.

The bills

Both bills allow the Department of Natural Resources to establish campground fees. The slight differences in language describing necessities are not material.

HB 16 would establish a more flexible fee program, without a limit on the amount of the fee. However, in determining the fees, the Department would be required to justify them and

subject them to public scrutiny. It would be effective immediately. The bill contains repealers of existing statutory language (copies attached) prohibiting the collection of fees in state park campgrounds (AS 29.10.411(e) and associated language (AS 41.35.045(b))).

HB 17 is a simpler bill, leaving unstated any considerations that would be required of the Department in establishing the fees. The effective date would coincide with the beginning of the new fiscal year. The bill does not include the repeal of AS 29.10.411(e), exempting cars with Alaska license plates from fees.

Fiscal impacts

The costs of the bills are to comply with the administrative requirements for promulgation of regulations, to install fee collection devices, and to administer the collection process. There would be no personal services costs.

Agency concerns

1. In the past, the Department has proposed that the fee program be included in the state's program receipts authorization. This would allow better maintenance of campgrounds and would assure a direct relationship between the collection of fees and campground conditions. Because there are conditions and other fee-collection language in statute, the development of program receipt language could be complicated.

2. The Department is interested in expanding beyond campground fees into concessions and other revenue-raising measures (boat launches, picnic and parking areas, food and lodging, gifts and other goods and services). If this is discussed and advanced, it would be a good idea to assure that there are public-interest and park protections explicitly stated in the statute (i.e., hearings/notice, market-value and assured revenue to the State, park value protections, implementing regulations, and public preliminary and final best-interest findings).

Rep. Navarre has provided a letter from Chugach Park Advisory Board members who believe that user fees will benefit the park and users (p.2). Rep. Larson's staff has prepared a comparative analysis of the bills.

DATE: January 20, 1986
TO: Representative Ron Larson
FROM: Larry Bussone
SUBJ: Comparison of House Bills 16 and 19 (park user fees)

Following is a comparison of House Bill No. 16 ("their bill"), sponsored by Representatives Navarre, Koponne, Swackhammer, Brown, and Goll, and House Bill No. 19 ("your bill"), sponsored by Representatives Ellis, Menard, and Larson.

(1) Both bills propose amending AS 41.21 to provide for park user fees.

(2) The placement of the proposed amendments varies. Both place the amendment within "Chapter 21. Parks and Recreational Facilities." and "Article 1. Administration." Their bill proposes the amendment at AS 41.21.023, which would be between "AS 41.21.020. Duties of Department of Natural Resources." and "AS 41.21.025. Zoning of private land within state parks." Your bill places the amendment at AS 41.21.050, which is at the end of Article 1.

(3) Their bill proposes that "The department . . . establish and collect fees for the overnight use of state park developed campsites." Your bill proposes that "The commissioner may, by regulation, establish a fee for the use of an improved campsite within a state park or recreation area" and later provides for developing procedures for collecting fees. I assume that the "department" and the "commissioner" are essentially the same. Both provide for the collection of fees. Their bill establishes fees for "the overnight use of state park developed campsites"; yours establishes fees for "an improved campsite within a state park or recreation area." I don't know if there is an important difference between the two, or if one is preferential to the other.

(4) Both bills call for the establishment of fees through regulations. The major difference between the bills is that their bill calls for considering four factors when setting fees: (a) the cost to the state of operating the facility; (b) the fees charged for the use of a similar facility by a nongovernmental entity; (c) the cost of

administering a fee collection program for the facility; and (d) the public interest. Your bill simply says that the fee may not exceed \$5 per vehicle per day.

(5) Their bill defines "developed campsite" and "state park"; yours does not.

(6) Their bill calls for the repeal of AS 28.10.411(e) ("Notwithstanding any other provision of law, the fees paid for registering a vehicle under AS 28.10.421(b)(1), (2), (5), (6) or (d) shall include all fees required for entry into and use of a state park or campground.") and AS 41.35.045(b) ("The exemption from fees in AS 28.10.411(e) is not applicable to this section." [The section establishes fees for guided tours through historical sites.]). Yours does not.

(7) Their bill calls for an immediate effective date under AS 01.10.070(c). Your bill calls for an effective date of July 1, 1987.

title fee required under § 441 of this chapter, the department shall issue a new certificate of title. (§ 7 ch 178 SLA 1973)

Article 5. Fees and Charges.

Section

- 41L. Registration fees levied
- 42L. Registration fee rates

Section

- 43L. Annual motor vehicle registration tax
- 44L. Schedule of other fees and charges

Sec. 29.10.411. Registration fees levied. (a) For every year during any part of which a vehicle is subject to registration under this chapter, a registration fee shall be paid to the department at the time of original registration and at each annual renewal of registration after that time.

(b) Motor carrier and bus transportation fees paid on vehicles subject to the Alaska Motor Freight Carrier Act (AS 42.10) and the Alaska Bus Act (AS 42.15) shall be paid to the department at the same time the registration fee is paid.

(c) A resident 65 years of age or older is entitled to an exemption from tax under this section for one motor vehicle subject to registration. No exemption may be granted except upon written application for the exemption on a form prescribed by the department.

(d) The Department of Community and Regional Affairs shall pay to the borough and to the city in which a person who is granted an exemption under (c) of this section resides an amount equal to the tax levied under § 431(b) of this chapter regardless of whether the borough or city is eligible for the tax levied under that section.

(e) Notwithstanding any other provision of law, the fees paid for registering a vehicle under § 421(b)(1), (2), (5), (6) or (d) of this chapter shall include all fees required for entry into and use of a state park or campground. (§ 7 ch 178 SLA 1973)

Sec. 29.10.421. Registration fee rates. (a) Unless otherwise provided by law, the fees prescribed in this section shall be paid to the department at the times provided under §§ 101—111 of this chapter.

(b) The annual registration fees under this subsection are imposed within the following classifications for:

- (1) a passenger vehicle or motor home not used or maintained for the transportation of persons or property for hire or for other commercial use \$30;
- (2) a pick-up truck or a van not exceeding 6,000 pounds unladen weight and not used or maintained for the transportation of persons or property for hire or for other commercial use \$35;
- (3) a taxicab \$65;
- (4) a motor bus with a seating capacity for 20 or more persons and used exclusively for commercial purposes in the transporting of visitors or tourists \$80;
- (5) a motorcycle or a motor-driven cycle \$15;

Statute which prohibits the charging Alaska residents for entering or using a state park or campground

Re: Economic importance of Chugach State Park
Harmful effects of Chugach State Park budget cuts
Support for Chugach State Park funding

Dear Representative Navarre:

As members of the Chugach State Park Citizen's Advisory Board, we have become increasingly concerned about the effects of State budget cuts on the Park. Enclosed is a copy of a report documenting these effects. Also enclosed is a copy of an article by Bill Sherwonit of the Anchorage Times, providing further information about the problems caused by budget cuts.

Chugach State Park is very heavily used both by Alaska residents and by visitors to Alaska. Use of the Park has been rising steadily. The Park has enormous potential for aiding the development of tourism in Alaska.

Although the task of managing and protecting Chugach State Park has grown as the number of visitors has increased, the Park operating budget has been cut by 29 percent over the past two years. Due to these budget cuts, essential maintenance is not being performed; law enforcement, search and rescue, and interpretation have all but ended; and facilities are being closed. The newly completed Potter Section House--the single most visible facility in the Park--was closed two days after it was dedicated, since there are no new funds to operate it. Without ranger patrols, damage due to vandalism and illegal ATV use is increasing. In addition, capital projects necessary to prevent severe environmental degradation are not being undertaken. The results of this degradation will be with us and our children for decades.

In response to this situation, the Chugach State Park Citizen's Advisory Board passed a unanimous resolution at its October meeting that "No more cuts should be made to the operating budget of Chugach State Park."

CHUGACH STATE PARK CITIZENS' ADVISORY BOARD

We are well aware that the State of Alaska is facing severe reductions in revenues, that cuts have been made throughout state government, and that further significant cuts will be necessary. Nevertheless, we feel that it is essential that the State continue to fund the Chugach State Park budget at a level necessary to prevent degradation of the environment, to protect public safety, and to encourage continued growth of the tourism industry.

Parks have the potential to provide revenues for the state through user fees such as campground fees. Alaska is the only state in the union which does not currently collect campground fees. We urge you to support legislation which would permit the collection of campground fees.

Most importantly, we urge you to work for the protection of funding for the Chugach State Park operating budget.

Murray Knapp

Dear Representative Cotten,

The Juneau Area State Parks Citizen Advisory Board would like to express its support for HB 16 in its present form. We have followed its progress thus far and feel that the additions made to it in the House Resources Committee concerning protecting park values and resources, a state's best interest determination, and the inclusion of a public hearing process are excellent.

We would like to suggest that a provision also be included to the effect that all other possibilities for siting of concessionaire activities on private or public non park lands be exhausted before allowing them within a State Park.

Thank you for your consideration.

Sincerely,

Cristi Herren

Re: Fees for State Operated Campgrounds

To Whom it May Concern:

We are an independent, privately owned campground. We opened our gates to the public the same year that you opened the Chena River Wayside facility. That has been 20 years ago. We have been trying to encourage you to charge a fee for 10 these many years and to no avail. It truly hurts our business to have the Chena River Wayside Campground, FREE. We feel the competition is just a wee bit unfair. As you can imagine it's pretty hard to try and sell a product when it's being given away just down the road.

The Fairbanks Area Citizen's Advisory Board has recommended in the past that you charge a fee. There have been several bills before the legislature to in act a fee but because of poor wording they have always been rejected.

It seems that in times like this with the economy in such awful shape that if you were to charge a reasonable fee that you may just be able to recoup some of the approx. \$41,000 operating costs. The touring public does not expect to have their vacations subsidized and let's face it we as the State can't afford to do it any longer.

Dear Representatives Cotten and Herrman:

Subject: Responses to questions raised on 1/26 regarding HB 16,
which authorizes user fees in state park areas

Several questions were raised in the morning teleconference held January 26 regarding the bills that would allow fees for use of state park facilities. The information below should answer most of the concerns voiced in that meeting.

1. Why would the division use concessioners or private operators to manage certain sites?

The primary reason for the fee system and or concession management of some park units is the radical reduction in the Alaska State Park budget and a corresponding reduction in field staff. Concessioners can help to bridge the gap by providing maintenance and other park services that the state cannot provide. Research shows that concession-operated parks have much less vandalism and the visitor's experience is enhanced by the on-site concession manager or operator.

Concession management has been successfully used in many federal and state parks in Alaska. In Chugach State Park a concession operation has been successfully negotiated at the Potter Section House site, and the division is currently negotiating a concession contract for the Big Delta State Historic Park. Contracts at both of these sites will include full concessioner maintenance and operation of park facilities which will greatly reduce the projected operating expenses of those parks.

2. What campgrounds or other sites would be considered for concession management instead of complete state management?

Alaska State Parks intends to enter into the fee collection and concession management process slowly so that we can learn about potential pitfalls and avoid problems. The division has no plans at this time for a massive concession program, and intends to assess each area and site before launching into the concession process.

A preliminary analysis shows that the Bird Creek and Eagle River campgrounds in Chugach State Park might be operated by a concessioner. The Chena River Recreation Site in Fairbanks is another campground with potential for concession management.

Before deciding to concession a park unit campground, the division would assess the potential of the concession operation, determine whether the operation is in keeping with the site's purposes, and invite public review through the various state park Citizens Advisory Boards or through public meetings.

3. Should the bill retain a degree of flexibility regarding concessions?

In many sites that could be operated by concessioners, campground fees may not produce enough revenues to make an economically viable operation. Fees for boat rentals, picnic areas and boat launches may be acceptable, and other operations like camp stores, tackle and firewood sales may also be desired. The bill must remain flexible to allow these concession management options.

In all concession operations the division retains control over rates charged for services, advertising, and operations to be allowed. In most cases the park visitor would probably notice very little difference between the concession operated fee system and one operated by the state.

4. If a park unit does not generate much revenue will that unit receive less attention from Alaska State Parks?

The division intends to recover only a portion of the operating cost of the Alaska State Park System. It does not intend to take a "Cash Register Approach" to state park management. Other purposes specified in the park system enabling legislation include: provision of recreational opportunities; preservation of natural, cultural, and historic resources; and other purposes specific to certain park units. These purposes and goals determine the allocation of state resources to certain park units.

very important

January 27, 1987

The division also intends to continue its efforts to be sensitive at all times to the needs of "special populations" such as the handicapped, senior citizens, school and community groups. We also plan an annual pass similar to the federal "Golden Eagle" pass.

5. Why should the revenues collected be spent on managing the Alaska State Park System?

Visitors to park units are more willing to pay fees when they know that the revenues will be spent on maintaining and operating the parks. It does "cost money to make money" and the division expects to incur additional expenses in initiating, operating, and maintaining the fee collection systems. These costs should be more than offset by the revenues collected. Park staff, volunteers, and other cooperating groups also have more incentive to create an effective fee collection system when the revenues collected are directly related to improvements in their park units.

Thank you for your interest in and support of Alaska State Parks. If you have any further questions, please feel free to contact me.

Sincerely,

Neil C. Johannsen

OFFICE OF THE COMMISSIONER

The Honorable Adelheid Herrmann, Co-Chairwoman
The Honorable Sam Cotten, Co-Chairman
House Resources Committee
Alaska State Legislature
P.O. Box V
Juneau, AK 99811

Dear Representatives Herrmann and Cotten:

Subject: HB 16 which relates to the levy and collection of fees for the use of state park facilities.

Response: The Department of Natural Resources strongly supports the concept of charging a fee for the use of developed state park or recreation area campsites.

Background: The Alaska State Park System is the only one in the nation that does not levy user fees for its facilities. Within Alaska, the U.S. Forest Service, National Park Service, Fish and Wildlife Service, Bureau of Land Management, and several municipalities all charge fees for campground use.

While the department currently charges fees for overnight use of cabins and for special or commercial use permits for parks and recreation areas, a motor vehicle statute AS 28.10.411(e) (copy enclosed) effectively prevents us from charging campsite fees for any vehicle registered in Alaska.

Recommendations: We recommend several additions to this bill to accommodate the realities of operating park and recreation areas with a reduced budget. Our proposed amendments would also allow continuation of existing park fee programs that may otherwise "sunset" this year as a result of last year's procurement bill (HB 696).

1. Expand the list of facilities for which fees can be charged to include public use cabins or other overnight lodging rentals, special park use permits, and non-competitive and non-exclusive commercial use permits. We currently charge fees for these uses but will be prevented from doing so on July 1, 1987, unless

these charges are specifically authorized by statute. We would prefer that a limitation on the dollar amount of fees not be included in the bill. Fees could be established by regulation, in consideration of the public interest.

2. Add a new section to allow concessionaires who contract with the department for operation of park or recreation areas to charge fees for day-uses as well as camping. There are some park campground facilities that could be successfully operated by the private sector if fees for boat launching, parking for access to boat launching facilities, lodging, food and other goods and services could be charged. The following language would achieve that purpose:

Notwithstanding the provisions of subsection (a) above, concessionaires operating park facilities under contract with the state may levy fees for activities including but not limited to: use of boat launch facilities, picnic areas, parking for access to water-based recreation opportunities, overnight lodging, food, gifts and other goods or services.

3. Add a new section to allow collected park fees to be appropriated to the department to help fund park and recreation area operations. The following language would establish this park "program receipts" authority for the department:

Revenues collected by the state under this subsection shall be deposited in the general fund. The commissioner of administration shall separately account for revenues collected and deposited by the commissioner under this subsection. The annual estimated balance in the account may be appropriated by the Legislature to the Department of Natural Resources to carry out the purposes of AS 41.21.020.

Conclusion: Enacting a park fee bill will allow those who use costly park facilities to help pay for their maintenance and development. In addition, allowing the state to charge camping or recreational use fees will eliminate the unfair competition that now exists with private campground owners who must charge fees to stay in business.

January 23, 1987

I have enclosed a draft park fee bill which incorporates the ideas contained within HB 19 and the department's recommendations into one. I have also provided a briefing paper related to this draft bill. Please let me know if I may provide additional information about park user fees.

Sincerely,

Judith M. Brady
Commissioner

The revised fiscal note shows a greater level of concessions than earlier versions indicated. The revised bill also requires hearings for all concession operations, as well as the regulation hearings and processes for all fees to be charged by the state.

Fees and revenues from all concessions, commercial use permits, park use permits, cabin rentals, and campground fees have been written into the revenue projections.

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to the levy and collection of fees
7 for the use of state park system facilities; relating
8 to contracts for services and facilities in the state
9 park system; and providing for an effective date."

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11 * Section 1. AS 41.21 is amended by adding new sections to read:

12 Sec. 41.21.026. FEES FOR THE USE OF STATE PARK SYSTEM FACILI-
13 TIES.

14 (a) The department may not, either directly or through another
15 person, charge or collect a fee for an ordinary use of a park unit or
16 the use of a restroom in a park unit.

17 (b) In addition to the prohibition in (a) of this section, the
18 department may not establish and collect fees for the use of a park
19 unit, except for

20 (1) rental of public use cabins or other overnight lodg-
21 ings;

22 (2) overnight use of a developed campsite;

23 (3) special park use permits;

24 (4) noncompetitive and nonexclusive commercial use permits;

25 (5) use of a sewage holding tank dump station; and

26 (6) guided tours of historic sites.

27 (c) The department shall ^{(7) boat launching} establish the fees for uses under (b)
28 of this section by regulation. Before setting the fees, the depart-
29 ment shall consider at public hearings

(1) the cost to the state of operating the facility or

1 managing the activity;

2 (2) the normal fees charged for similar facilities or
3 activities by governmental and nongovernmental entities;

4 (3) the cost of administering a fee collection program for
5 the facility or activity; and

6 (4) the public interest.

7 (d) In this section, "developed campsite" means a campsite
8 having access to the following public facilities:

9 (1) restrooms;

10 (2) a picnic table;

11 (3) an outdoor cooking facility; and -

12 (4) an approved water source.

13 Sec. 41.21.027. MAINTENANCE AND COLLECTION CONTRACTS IN THE
14 STATE PARK SYSTEM. (a) The state may contract under AS 36.30 (State
15 Procurement Code) for

16 (1) the collection of fees charged for uses under AS 41.-
17 21.026(b); and

18 (2) park unit maintenance activities; "park unit mainte-
19 nance activities" means

20 (A) refuse collection;

21 (B) janitorial maintenance of facilities;

22 (C) litter pickup;

23 (D) painting;

24 (E) fireplace cleaning;

25 (F) sewage pumping;

26 (G) minor repair and replacement of facilities;

27 (H) snowplowing and road maintenance;

28 (I) brushing trails, picnic areas, and campsites;

29 (J) other normal park unit maintenance activities.

1 (b) The state may combine in a single contract the services
2 listed in (a)(1) and (2) of this section.

3 (c) A contract under this section is not subject to AS 41.21.-
4 028.

5 Sec. 41.21.028. CONCESSION CONTRACTS IN THE STATE PARK SYSTEM.

6 (a) The state may not enter into a concession contract under AS 36 to
7 provide services or to operate or construct facilities in a park unit
8 unless the commissioner finds that the proposed concession contract

9 (1) will implement the purposes of the park unit and is
10 authorized by the park management plan, if any, that applies to the
11 park unit;

12 (2) will enhance public use and enjoyment of the park unit
13 while maintaining a high quality environment and the opportunity for
14 high quality recreational experiences;

15 (3) will provide services or facilities that are not feasi-
16 ble or affordable for the state to provide directly;

17 (4) will not create substantial adverse environmental
18 effects;

19 (5) is based on a need or desire of the public;

20 (6) recognizes and accommodates, at no cost, ordinary uses
21 in a park unit;

22 (7) requires the contractor to hire residents of the state,
23 to the extent available and qualified, when hiring persons to work in
24 the park under the contract;

25 (8) provides the state with a fair and equitable portion,
26 in money or services, of the contractor's receipts from the provision
27 of the service or the operation of the facility;

28 (9) provides that the department retains control over the
29 level of fees and the design and appearance of any facility to be

1 constructed;

2 (10) requires the contractor to accommodate visitors with
3 special circumstances, including handicapped persons, senior citizens,
4 and school children;

5 (11) provides that during the term of the contract the
6 commissioner shall regularly review and inspect the

7 (A) operation of the facility; and

8 (B) contractor's provision of service to the public;

9 and

10 (12) provides that the contract shall be terminated if the
11 contractor fails to protect park values and resources or fails to
12 maintain a high-quality environment and recreation experience.

13 (b) Before bids or proposals are sought or contract negotiations
14 begun under AS 36.30 for a concession contract under (a) of this
15 section, the commissioner shall

16 (1) make a preliminary inquiry at the local level to
17 identify community concerns;

18 (2) if it is appropriate to proceed further, make a pre-
19 liminary decision that includes the findings required by (a) of this
20 section and

21 (A) an assessment of existing visitor uses that may be
22 affected by the activities of the contractor;

23 (B) an assessment of the potential conflicts or sig-
24 nificant effects on park wildlife, water, scenic values, or other
25 resources;

26 (C) an identification of the types of services or
27 goods that the contractor is to provide;

28 (D) the terms and conditions of the contract;

29 (E) a determination of whether the contract activity

1 would be more appropriately located on land outside of the park
2 or on private land within the park; and

3 (F) the views and comments of the park advisory board,
4 when one exists, for the park unit in which the activity is being
5 considered;

6 (3) after making a preliminary decision under (2) of this
7 subsection,

8 (A) seek public comment on the preliminary decision
9 through reasonable public notice and, if facilities may be built
10 under the concession contract, conduct public hearings;

11 (B) after considering the public comment obtained
12 under this subsection, issue a final decision on whether or not
13 the state will proceed into a concession contract award process.

14 (c) The commissioner shall provide for public review and comment
15 before a concession contract under this section is renewed or ex-
16 tended.

17 (d) By the 15th day of each first regular session of the legis-
18 lature, the commissioner shall make available to the legislature a
19 report on the provision of services or operation of facilities under
20 concession contracts under this section during the previous two fiscal
21 years, including

22 (1) contract activities;

23 (2) new or expanded contracts whose estimated or actual
24 gross receipts exceed \$25,000; and

25 (3) violations of contract standards.

26 (e) The commissioner may adopt regulations to implement this
27 section.

28 (f) The commissioner may not enter into a concession contract
29 for the Alaska Chilkat Bald Eagle Preserve.

1 (g) In this section

2 (1) "concession contract" does not include a contract under
3 AS 41.21.027;

4 (2) "facilities" includes campgrounds, boat launches,
5 lodges, food service operations, and gift shops.

6 Sec. 41.21.029. DEFINITIONS. (a) In AS 41.21.026 - 41.21.029

7 (1) "ordinary use" means a use that is not generally asso-
8 ciated with developed facilities, including fishing, hunting, walking,
9 swimming in a natural body of water, picnicking, or automobile parking
10 associated with another ordinary use:

11 (2) "park unit" means a unit of the state park system.

12 * Sec. 2. AS 41.21.030 is amended by adding a new subsection to read:

13 (b) The commissioner of administration shall separately account
14 for fees and other money collected under AS 41.21.026 - 41.21.029 and
15 deposited under (a) of this section. The annual estimated balance in
16 the account may be used by the legislature to make appropriations to
17 the department to carry out the purposes of this chapter.

18 * Sec. 3. AS 28.10.411(e) and AS 41.35.045 are repealed.

19 * Sec. 4. This Act takes effect July 1, 1987.

17 (2) overnight use of a developed campsite;

18 (3) special park use permits;

19 (4) noncompetitive and nonexclusive commercial use permits;

20 and

21 (5) guided tours of historic sites.

22 (b) When setting fees under (a) of this section, the department
 23 shall consider at public hearings

24 (1) the cost to the state of operating the facility or
 25 managing the activity;

26 (2) the fees charged for a similar facility or activity by
 27 a nongovernmental entity;

28 (3) the cost of administering a fee collection program for
 29 the facility or activity; and

4 030. The annual estimated balance in the account may be used by the
5 legislature to make appropriations to the department to carry out the
6 purposes of this chapter.

7 (d) In this section, "developed campsite" means a campsite
8 having access to the following public facilities:

- 9 (1) restrooms;
10 (2) a picnic table;
11 (3) an outdoor cooking facility; and
12 (4) an approved water source.

13 Sec. 41.21.028. CONTRACTUAL OPERATION OF FACILITIES IN THE STATE
14 PARK SYSTEM. (a) The commissioner may allow contractors to operate
15 facilities in the units of the state park system.

16 (b) Before allowing a contractor to operate a facility in a unit
17 of the state park system, the commissioner shall determine that the
18 operation would protect park values and resources and maintain a
19 high-quality environment and recreation experience.

20 (c) Before the state enters into a contract under AS 36.30 for
21 the operation of a facility, the commissioner shall

22 (1) determine the services or goods that the contractor is
23 to provide;

24 (2) establish the terms and conditions of the contract,
25 including a provision that the contractor shall provide the state, in
26 money or services, with a fair and equitable portion of the contrac-
27 tor's receipts from the operation of the facility;

28 (3) set the length of the contract after considering the
29 useful life of any facility to be constructed by the contractor;

1 (4) issue notice to the public on the proposed contract and
2 hold public hearings as appropriate to respond to public demand;

3 (5) assess the ability of the proposals or bids to meet the
4 standards of performance established by the commissioner; and

5 (6) determine that the proposed contract is in the best
6 interest of the state and the state park system, and is consistent
7 with any applicable park management plan.

8 (d) A contract to operate a facility under this section must
9 provide that the

10 (1) department retains control over the

11 (A) level of fees, in order to prevent unreasonable or
12 excessive charges for essentially public services;

13 (B) design and appearance of facilities;

14 (2) contractor accommodate, as appropriate, those visitors
15 with special circumstances, including handicapped persons, senior
16 citizens, and school children;

17 (3) operation of the facility is subject to regular review
18 and inspection by the commissioner;

19 (4) contract shall be terminated if the contractor fails to
20 protect park values and resources or fails to maintain a high-quality
21 environment and recreation experience in accordance with (b) of this
22 section as embodied in the contract.

23 (e) Users of the park who do not choose to use the facilities
24 run by contractors may not be charged fees for ordinary park uses,
25 including fishing, hunting, walking, swimming, picnicking, or automo-
26 bile parking associated with an ordinary park use.

27 (f) The commissioner shall

28 (1) regularly review and inspect the operations of each
29 contractor;

1 (2) allow public review before a contract under this sec-
2 tion is renewed or extended;

3 (3) by the 15th day of each first regular session of the
4 legislature, report to the legislature on the operation of facilities
5 under this section during the previous two fiscal years, including

6 (A) concessions;

7 (B) new or expiring contracts over \$25,000; and

8 (C) violations of contract standards.

9 (g) The commissioner may adopt regulations to implement this
10 section.

11 (h) In this section, "facilities" includes campgrounds, boat
