8 responsible bidder.

9 * Sec. 6. AS 36.30.140(a) is amended to read:

10 (a) The procurement officer shall open bids [PUBLICLY IN THE
11 PRESENCE OF ONE OR MORE WITNESSES] at the time and place designated in

23 SOLICITED BIDS TO THE LOWEST RESPONSIBLE AND RESPONSIVE ALASKA BIDDER.
24 IF THE BID IS NOT MORE THAN FIVE PERCENT HIGHER THAN THE LOWEST NON-

17 provided. The request shall require the offeror to submit evidence of
18 the offeror's valid Alaska business license and, no later than 72

20 PROPOSALS MUST BE RECEIVED], to list subcontractors the offeror pro-
21 poses to use in the performance of the contract. The list shall

ANALYSIS : (Attach a separate page if necessary)
 The fiscal impact of this bill is zero. Although the attached analysis shows a reduced expenditure of \$136,000, it does not represent a true reduction. The department had to absorb an estimated expenditure of \$200,000 when the original procurement legislation was passed last session with a zero fiscal note.

ANALYSIS RE:

HB 276 An Act Relating to State Procurement Practices and Procedures; and Providing for an Effective Date

NOTE:

It must be noted that the original procurement bill was passed last year with a zero fiscal note when the estimated impact was \$200,000. Therefore the cost savings shown in this fiscal note are costs that are absorbed in DOT&PF operating and CIP budgets and no actual reduction would occur.

Section by Section review and analysis:

Given data (from DOT&PF records):

1. 200 construction contracts annually.
2. Estimate 300 contractors on bidders list.
3. Estimate 300 to 500 consultants on bidders list.
4. 175 consultant contracts annually.
5. 1700 quotes on small purchases annually.
6. \$35/hr cost of an Engineer.
7. \$20/hr cost of a clerk.

Section 1. Eliminates biennial fee for getting on the construction contractors bidder list.

Assume Bidders List is 300:

$$\frac{\$25 \times 300}{2} = \$3,750 \text{ savings to the contractors*}$$

Cost of maintaining the list:

$$(3/\text{hrs}/\text{wk}) (3 \text{ regions}) (52 \text{ wk}) (\$20/\text{hr}) = \$9,360$$

Say \$10,000 savings to DOT&PF

Section 2. Listing of subcontractors 72 hours after Letter of Intent to Award and only from apparent low bidder.

$$(200 \text{ projects annually}) (4 \text{ hrs to put list together}) (\$35) =$$
$$(200) (4) (\$35) = \$28,000 \text{ savings to the contractors*}$$

½ hour savings to check subs listing

$$(200) (.5) (\$35/\text{hr}) = \$3,500$$

Say \$4,000 savings to DOT&PF

Section 3. Eliminates witness at bid opening.

* does not show on fiscal note

(.5/hr) (3 regions) (52/wk) (\$20/hr) = \$1,560

Say \$2,000 savings to DOT&PF

Section 4. Amends the code so that the apparent low bidder can be announced quickly - large savings or benefit may be in preventing bidder errors.

Assume:

1/2 hour savings at each bid opening

(.5/hr) (3 regions) (52/wks) (\$35/hr) = \$2,730

Say \$3,000

Section 5. 72 hour requirement for listing subcontracts on proposal type contracts.

These contracts are negotiated type consultant contracts and the actual savings would be in time and administrative costs.

Section 6. A procedure for contracts between sole source and emergencies.

No savings to DOT&PF - present law provides a similar system for construction contracts.

Section 7. Small purchases on a rotating basis.

(1700 "quotes") (.5/hr "required") (\$20/hr) = \$17,000

Section 8. Changes "local" to "Alaska" forest products and certification on a statewide basis instead of project by project basis..

(200 projects annually) (2/hrs to put certification together) (\$35/hr) = \$14,000 to DOT&PF

(The same type of savings to the contractors*)

Section 9. Added record section for keeping requirements for Alaska products.

No cost savings to DOT&PF

Added cost to contractors: (200) (2/hrs) (annually) (\$35) = \$14,000*

Section 10. Deleting reference to "manufacturer's quoted price"

* not shown in fiscal note

No cost savings to DOT&PF.

Section 11. Same as Section 10.

Section 12. Provides for awarding a construction contract in 5 days.

There would be a savings to DOT&PF mainly in time - the amendment would save 5 days in awarding contracts - but not all contracts can or would be actually awarded in 5 days. It is not practical to put a cost for this section.

Section 13
and 14.

Eliminates bid protests during the advertising time of a project (before bid openings).

Although there could be substantial savings to the DOT&PF for this section (by allowing a critical project to proceed to the bid opening stage) it is not practical to compute an actual savings.

Section 15. Cleans up language for Alaska products (forest products).

No fiscal impact on DOT&PF.

Section 16. Repeals several sections.

AS 36.30.050(d) - small procurement using a contractor list (see section 7)

AS 36.30.362 - eliminates the written statements explaining awards for out-of-state contractors.

(200 projects annually) (10% out-of-state contractors) (1/hr for letter) (\$35/hr) = \$700

Say \$1,000

AS 36.30.380 - Eliminates approval of contractors accounting system.

(175 consultant contracts) (1.4 contracts/consultants) = 125

(125) (2 days) (7.5 hr/day) (\$35/hr) = \$65,625

Travel (10% of 125) (1 trip) (\$1,500/trip) = \$18,750

\$84,375

Say \$85,000

AS 36.30.540(4) & (5) - Eliminates making a list of in-and-out-of-state contractors.

(3 days) (7.5/hr) (\$20/hr) = \$450

Section 17. Effective date of July 1, 1987 but note MB 192 proposes a delay.

STEVE COWPER
GOVERNOR

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

April 15, 1987

The Honorable Ben Grussendorf
Speaker of the House
Alaska State Legislature
P.O. Box V
Juneau, AK 99811

Dear Representative Grussendorf:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill making necessary amendments to the state procurement code that was enacted last year (ch. 106, SLA 1986) with a July 1, 1987 effective date. HB 192, the bill deferring the effective date of the procurement code, proposed a two-year deferment; the House State Affairs Committee, in CSHB 192(SA), recommended a one-year deferment. The attached bill combines various substantive amendments with only a six-month deferment.

The legislature's conference committee on the budget last year reduced the procurement code's fiscal note to zero. However, several of its provisions, such as those pertaining to handling sole-source procurements, the extended and revised protest period, the appeals requirements, and the small procurement requirement are very "work intensive." The problem is exacerbated by the state's current fiscal crisis. There simply is no way to implement the provisions of the code right now. This bill's six-month postponement will give the state a chance to begin to regain its fiscal footing before taking on the new procedures set out in the procurement code. In addition, the amendments in this bill help tailor the code to conditions in Alaska. This bill is not, however, a general clean-up of the code.

To aid in your analysis of this bill, here is a section-by-section commentary on it:

Sections 1, 2, 15, 18, and 21 -- 23:

These are the deferment sections. Section 23, amending sec. 69, ch. 106, SLA 1986, is the most significant in that it changes the overall effective date of the procurement code. The other sections in this group make corresponding amendments in other time-related provisions that were enacted in ch. 106, SLA 1986.

Section 3:

AS 36.30.050(b) is amended to delete the blanket requirement of a biennial fee for getting on a list of contractors. Charging contractors to be on a bidder's list is prohibited by federal regulations on federally assisted construction projects. Even though using a bidder's list is only an available option in advertising for construction projects, it is impractical to maintain separate lists or systems for state-funded versus federally assisted projects. This amendment's proposed discretionary language would allow construction bidders list fees to be optional or to be eliminated if that would be appropriate.

Section 4:

AS 36.30.115(a) is amended to change the 24-hour requirement to a 72-hour requirement for submitting a list of subcontractors and to change the triggering event from the opening of bids to the receipt of the notice of intent to award. These amendments are necessary to provide appropriate flexibility in the handling of bids and subcontractor lists, and are consistent with the amendment in sec. 7 of this bill. With these changes, it is also advisable to delete the requirement that the two lowest bidders submit the list of subcontractors, as sec. 4 does. These amendments will be more cost-effective for both the state and the contractors.

Section 5:

AS 36.30.140(a) is amended to delete the requirement of the presence of a witness during bid openings. Although bid openings are open to the public, many of them have no members of the public in attendance. When no member of the public attends, it is necessary to assign an employee to be a witness. The effectiveness of such a procedure is questionable, and the use of employee time for such a function is wasteful. With the current and impending cutbacks in staff, such a procedure would be especially troublesome. Therefore, this amendment is necessary.

Section 6:

AS 36.30.170(b) is amended so that the apparent low bidder at a bid opening can be quickly announced. The current statute can be awkward to put into practice.

Section 7:

AS 36.30.210(a) is amended to conform to the 72-hour amendment of AS 36.30.115(a) (in sec. 4 of this bill). The requirements for listing subcontractors should be consistent among the various methods of procurement.

Section 8:

A proposed new section, AS 36.30.305, establishes a procedure in between the "sole source" procurements of AS 36.30.-300 and the "emergency" procurements of AS 36.30.310. It is thus a "semi" or "modified" sole source procurement provision. This new statute will serve the state's need for a method to procure which is broader than sole-source procurement but does not require all of the details of a competitive sealed process. This language provides broader purchasing capability. Failure to add this section would mean that the Department of Administration would have to write significantly more bids with a reduced staff.

Section 9:

AS 36.30.320(e) is amended to delete the requirement of sending notices to Alaska bidders designated by the commissioner under AS 36.30.050(d). The latter statute, which is being repealed in sec. 20 of this bill, pertains to small procurements. For every small procurement an agency might wish to make, it would be required by the current provision to contact the Department of Administration which would provide from the computerized list of contractors three names on a rotating basis. The requesting agency would have to contact those three contractors for quotes. We estimate that there are more than 70,000 small procurements made each year. The repeal of AS 36.30.050(d) is discussed below in connection with sec. 20 of the bill.

Section 10:

AS 36.30.322(a) is amended in two respects. First, "Alaska" is substituted for "local" to make clear that the requirement for use of timber and lumber products originating in this state means originating in an Alaska forest, not necessarily a southeastern forest or a southcentral forest, etc. The current language could produce an undesirable regionalism within the state, and I do not believe that that is what was intended with the original enactment. Second, an unnecessary step, certification by the commissioner of commerce and economic development, is removed so that the Department

of Commerce and Economic Development does not have to check up on each contract to see that sufficient notice has been given and that Alaska manufacturers were in fact unable to provide the product within the seven percent margin. The requirements for reasonable notice, etc., are not being changed.

Section 11:

A new subsection is added to AS 36.30.322 to establish a record-keeping procedure that will serve in the case of a challenge to the bid practices. This will assure that proper records will exist to document the use of preferred products.

Section 12:

AS 36.30.332(b) is amended by deleting references to the "manufacturer's quoted price" to make the language consistent with subsec. (a) and to ensure that the certification process does not become excessively complex, burdensome, or time-consuming. As currently written, the references in subsec. (b) to "manufacturer's quoted price" could require a certified public accountant's audit and statement detailing incoming materials costs and providing a detailed cost analysis of the manufacturing process. The amendment would allow the broad categories and criteria established by regulations adopted under subsec. (a) to be the basis for the determination required by subsec. (b). It would thus make the whole certification process more efficient.

Technical, grammatical corrections are also being made in AS 36.30.332(b).

Section 13:

AS 36.30.338(1), the definition of "Alaska product," is amended to delete the reference to the "quoted price of the manufacturer," consistent with the changes made in sec. 12 of the bill. The re-wording of this definition also ties in the regulations that existing AS 36.30.332(a) requires, and thus makes the definition clearer.

Section 14:

AS 36.30.365 is amended so that construction contracts are not unduly delayed. For many years, the applicable statute allowed five rather than 10 days for construction contract award protests, and it is desirable to continue that fair

and efficient practice. This statute is also amended to make clear that contracts awarded under the sole-source statute (AS 36.30.300), the limited competition procurements statute (AS 36.30.305, proposed in sec. 8 of the bill), the emergency procurement statute (AS 36.30.310), or the small procurements statute (AS 36.30.320) are not covered by the 10-day or five-day requirement for providing to each bidder or offeror notice of intent to award a contract. The 10-day, and even the five-day, requirement could cause unnecessary delay in the award of contracts that should not be delayed.

Sections 16 and 17:

The amendment, in secs. 16 and 17, of AS 36.30.565 and AS 36.30.610, respectively, will make the appeal process more efficient by limiting appeals to those of the award or proposed award. Language relating to an appeal before a bid is opened is deleted. This will simplify the whole procedure while still assuring fair treatment of all parties.

Section 19:

AS 36.30.900 is amended in two ways. First, two redundant verbs are deleted, in order to simplify and streamline the language. Second, a reference to AS 36.20.010 is deleted because that statute was repealed by sec. 67, ch. 106, SLA 1986.

Section 20:

Several statutes are repealed, as follows:

AS 36.30.050(d), the requirement that lists of contractors be used in providing notice of intent to make a small procurement, is repealed because it would require the Department of Administration to revise its bid-list program to provide names on a rotating basis. The estimated cost of the computer software alone is \$20,000. Also, the current provision requires that all departments use the names provided, something that would be relatively simple if the purchaser were always in an office with access to a computer. However, numerous offices do not have that access. In addition, the requirement to contact vendors does not take into account the vendor's location or real interest in the specific procurement. For example, a Department of Fish and Game employee in Soldotna could be required to call the Anchorage office to get the names of three vendors who turn out to be located in Nome, Ketchikan,

and Haines. The purchaser would then have to make three long-distance calls to get quotations. Since the purchaser would be allowed to secure additional quotations, he or she could probably get a local quotation that turns out to be well below those obtained through this elaborate procedure. Thus, this statute is wasteful at a time when it is critical that the state government be more efficient.

AS 36.30.362, a provision requiring the state to provide a superfluous written statement (explaining the basis of an award to a person who does not reside or maintain a place of business in Alaska) is repealed. Bids are awarded to low responsive bidders even if they are located outside the state. A written statement explaining the award accomplishes nothing.

AS 36.30.380, which requires approval of proposed contractors' accounting systems, would be repealed. This section appears to require the state to approve all accounting systems for contracts awarded by the sealed proposal method. Some bidders will be major corporations, and it would be foolish to waste state staff time reviewing, analyzing, and approving their accounting systems. This would be very costly, and, if it is not done properly, could expose the state to claims or overcharges.

AS 36.30.540(4) and (5), requiring the state to make listings of all procurements made within the state and outside the state, are being repealed. These lists are never consulted and provide no usable information.

Section 24:

The deferment sections of this bill have been given an immediate effective date so that everyone involved in dealing with the procurement code, both the public and the administrators, will be able to make appropriate plans. The other sections of this bill have been given a January 1, 1988 effective date to coincide with the proposed deferred effective date of all but one section of ch. 106, SLA 1986. (Section 66 of last year's Act was given an immediate effective date at that time to enable the regulations-adoption project to get started.)

Enactment of this bill will streamline procurement activities of the state and will result in an enormous cost-savings at this critical time. It is necessary to enact this bill this session. I strongly urge your prompt and favorable action on this measure.

Sincerely,

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. AS 36.30.005(a) is amended to read:

10 (a) Except as otherwise provided, all rights, powers, duties,
11 and authority relating to the procurement of supplies, services, and
12 professional services, and the control over supplies, services, and
13 professional services vested in or exercised by an agency on January
14 1, 1988 [JULY 1, 1987], are transferred to the commissioner of admin-
15 istration and to the chief procurement officer. Authority granted
16 under this subsection shall be exercised in accordance with this
17 chapter.

24 1987], are transferred to the commissioner of transportation and
25 public facilities, subject to regulations adopted by the commissioner
26 of administration. Notwithstanding AS 44.71.010, authority relating
27 to disposals from the state equipment fleet is vested in the commis-
28 sioner of transportation and public facilities, subject to regulations
29 adopted by the commissioner of administration. Authority granted

1 under this subsection shall be exercised in accordance with this
2 chapter.

3 * Sec. 3. AS 36.30.050(b) is amended to read:

4 (b) A person who desires to be on a list shall submit to the
5 commissioner evidence of a valid Alaska business license. A [TOGETHER
6 WITH A] biennial fee may be established by regulation in an amount
7 reasonably calculated to pay the costs of administering this section.
8 A construction contractor shall also submit a valid certificate of
9 registration issued under AS 08.18. The commissioner, by regulation,
10 may require submission of additional information.

11 * Sec. 4. AS 36.30.115(a) is amended to read:

12 (a) Within 72 [24] hours after receiving notice of intent to
13 award [OPENING OF BIDS], the [TWO] apparent low bidder [BIDDERS] shall

20 * Sec. 5. AS 36.30.140(a) is amended to read:

23 the invitation to bid. All bid openings are open to the public. The
24 amount of each bid and other relevant information that is specified by
25 regulation of the commissioner, together with the name of each bidder,
26 shall be recorded.

27 * Sec. 6. AS 36.30.170(b) is amended to read:

28 (b) The procurement officer shall award a contract based on
29 solicited bids to the lowest responsive and responsible bidder after

1 an Alaska bidder preference of five percent and an Alaska products
2 preference as described in AS 36.30.322 -- 36.30.388 have been ap-
3 plied. [NOTWITHSTANDING AN ALASKA PRODUCT PREFERENCE UNDER AS 36.30.-
4 322 -- 36.30.338, THE PROCUREMENT OFFICER SHALL AWARD A CONTRACT BASED
5 ON SOLICITED BIDS TO THE LOWEST RESPONSIBLE AND RESPONSIVE ALASKA
6 BIDDER IF THE BID IS NOT MORE THAN FIVE PERCENT HIGHER THAN THE LOWEST
7 NONRESIDENT BIDDER'S.] In this subsection, "Alaska bidder" means a
8 person who

9 (1) holds a current Alaska business license;

10 (2) submits a bid for goods, services, or construction
11 under the name as appearing on the person's current Alaska business
12 license;

13 (3) has maintained a place of business within the state
14 staffed by the bidder or an employee of the bidder for a period of six
15 months immediately preceding the date of the bid;

16 (4) is incorporated or qualified to do business under the
17 laws of the state, is a sole proprietorship, and the proprietor is a
18 resident of the state or is a partnership, and all partners are resi-

21 that qualify under (1) - (4) of this subsection.

22 * Sec. 7. AS 36.30.210(a) is amended to read:

23 (a) A request for competitive sealed proposals must contain the
24 date, time and place for delivering proposals, a specific description
25 of the supplies, construction, services, or professional services to
26 be provided under the contract, and the terms under which the sup-
27 plies, construction, services, or professional services are to be
28 provided. The request shall require the offeror to submit evidence of
29 the offeror's valid Alaska business license and, no later than 72

1 hours after receiving notice of intent to award [THE DATE BY WHICH
2 PROPOSALS MUST BE RECEIVED], to list subcontractors the offeror pro-
3 poses to use in the performance of the contract. The list shall
4 include the name and location of the place of business for each sub-
5 contractor and evidence of the subcontractor's valid Alaska business
6 license. An offeror for a construction contract shall also submit
7 evidence of the offeror's registration under AS 08.18 and evidence of
8 registration for each listed subcontractor.

9 * Sec. 8. AS 36.30 is amended by adding a new section to read:

10 Sec. 36.30.305. LIMITED COMPETITION PROCUREMENTS. (a) A con-
11 tract may be awarded for supplies, services, professional services, or
12 construction without competitive sealed bidding or competitive sealed
13 proposals, in accordance with regulations adopted by the commissioner
14 of administration. A contract may be awarded under this section only
15 when the commissioner of administration, or, for construction con-
16 tracts or procurements for the state equipment fleet, the commissioner
17 of transportation and public facilities, determines in writing that a
18 situation exists that makes competitive sealed bidding or competitive
19 sealed proposals impractical or contrary to the public interest.
20 Procurements under this section shall be made with competition that is
21 practicable under the circumstance. The authority to make a deter-
22 mination required by this section may not be delegated.

23 (b) The using agency shall submit written evidence to support a
24 determination under this section.

25 (c) Procurement requirements may not be artificially divided,
26 fragmented, aggregated, or structured so as to constitute a purchase
27 under this section or to circumvent the source selection procedures
28 required by AS 36.30.100 -- 36.30.270.

29 (d) Sole source procurements may not be made under this section.

1 * Sec. 9. AS 36.30.320(e) is amended to read:

2 (e) The procurement officer shall give adequate public notice of
3 intent to make a procurement under this section in accordance with
4 regulations adopted by the commissioner. [NOTICES SHALL ALSO BE
5 PROVIDED TO THOSE ALASKA BIDDERS DESIGNATED BY THE COMMISSIONER UNDER
6 AS 36.30.050(d).]

7 * Sec. 10. AS 36.30.322(a) is amended to read:

8 (a) Only timber, lumber, and manufactured lumber products orig-
9 inating in this state from Alaska [LOCAL] forests may be procured by
10 an agency or used in construction projects of an agency unless [THE
11 COMMISSIONER OF COMMERCE AND ECONOMIC DEVELOPMENT CERTIFIES THAT] the
12 manufacturers and suppliers who have notified the commissioner of
13 commerce and economic development of their willingness to manufacture
14 or supply Alaska forest products

15 (1) have been given reasonable notice of the forest product
16 needs of the procurement or project; and

17 (2) are unable to supply the products at a cost that is
18 within seven percent of the price offered by a manufacturer or suppli-
19 er of non-Alaska forest products.

20 * Sec. 11. AS 36.30.322 is amended by adding a new subsection to read:

21 (c) During the period of performance of a state contract, the
22 contractor shall maintain records showing efforts made in using Alaska
23 forest products or evidence of Alaska forest products not being avail-
24 able or reasonably competitive. The contractor shall provide the
25 records to the procurement officer on a periodic basis, as required by
26 regulations adopted by the commissioner of commerce and economic
27 development.

28 * Sec. 12. AS 36.30.332(b) is amended to read:

29 (b) Materials and supplies with value added in the state that

1 are

2 (1) more than 25 percent and less than 50 percent produced
3 or manufactured in the state are [OF THE MANUFACTURER'S QUOTED PRICE
4 IS A] Class I products [PRODUCT];

5 (2) 50 percent or more and less than 75 percent produced or
6 manufactured in the state are [OF THE MANUFACTURER'S QUOTED PRICE IS
7 A] Class II products [PRODUCT]; and

8 (3) 75 percent or more produced or manufactured in the
9 state are [OF A MANUFACTURER'S QUOTED PRICE IS A] Class III products
10 [PRODUCT].

11 * Sec. 13. AS 36.30.338(1) is amended to read:

12 (1) "Alaska product" means a product of which not less than
13 25 percent of the value, as determined in accordance with regulations
14 adopted under AS 36.30.332(a), has been added by manufacturing or
15 production in the state [PRODUCED OR MANUFACTURED IN THE STATE IF THE
16 VALUE ADDED IN THE STATE IS NOT LESS THAN 25 PERCENT OF THE QUOTED
17 PRICE OF THE MANUFACTURER];

18 * Sec. 14. AS 36.30.365 is amended to read:

19 Sec. 36.30.365. NOTICE OF INTENT TO AWARD A CONTRACT. At least
20 10 days before the formal award of a contract that is not for con-
21 struction, and at least five days before the award of a construction
22 contract, under this chapter, except for a contract awarded under
23 AS 36.30.300 -- 36.30.320, the procurement officer shall provide to
24 each bidder or offeror notice of intent to award a contract. The
25 notice shall conform to regulations adopted by the commissioner.

26 * Sec. 15. AS 36.30.540 is amended to read:

27 Sec. 36.30.540. REPORT TO LEGISLATURE. Beginning with December
28 1, 1990 [1989], the commissioner shall biennially report to the legis-
29 lature concerning procurements by agencies. The report must include

1 (1) the records maintained by the commissioner under
2 AS 36.30.510 and the records maintained under AS 36.30.520(a) for the
3 previous two fiscal years;

4 (2) recommendations for changes in this chapter or other
5 laws based on implementation of this chapter in the previous two
6 fiscal years;

7 (3) a description of any matters that involved litigation
8 concerning this chapter in the previous two fiscal years;

9 (4) a list of procurements made under this chapter from
10 out-of-state sources during the previous two fiscal years together
11 with the total number of procurement contracts entered into during
12 that period with out-of-state contractors and the total value of these
13 contracts; this paragraph does not apply to procurements under AS 36.-
14 30.320; and

15 (5) a list of procurements made under this chapter from
16 state sources during the previous two fiscal years together with the
17 total number of procurement contracts entered into during that period
18 with state contractors and the total value of these contracts; this
19 paragraph does not apply to procurements made under AS 36.30.320.

20 * Sec. 16. AS 36.30.565 is amended to read:

21 Sec. 36.30.565. TIME FOR FILING A PROTEST. (a) A protest based
22 upon alleged improprieties in an award of a contract, or a proposed
23 award of a contract must [A PROTEST BASED UPON ALLEGED IMPROPRIETIES
