SENATE
Letter of Intent
FOR

CSSB 173 (SA)

The Senate Committee on State Affairs has considered CSSB 156 (SA) (contributions from permanent fund dividends for political parties; efd); CSSB 173 (SA), (contributions from permanent fund dividends to the community school grant fund; efd) and CSSB 180 (SA) (contributions from permanent fund dividends for the World Eskimo-Olympics; efd).

It is the intent of the Senate Committee on State Affairs that language be inserted in all of the permanent fund dividend check-off bills which would devise a system of prioritizing the check-off programs to provide for instances where garnishments or assignments reduce the dividend, leaving insufficient funds to honor all of the programs which the individual has selected. The committee proposes that the order of prioritization be based on date of enactment. In cases where two bills have the same date of enactment, it is the intent of the committee that the bills be listed in alphabetical order.

Adopted 4/30/87.

SUBJECT: SB 173, "An Act relating to contributions from
Permanent Fund Dividends for Community Schools"

DATE: May 4, 1987

I have asked staff to provide to provide the following background and analysis to SB 173, "An Act relating to contributions from Permanent Fund Dividends for Community Schools."

SB 173 establishes a Permanent Fund Dividend Check-off of 5 dollars for Community Schools programs. Community Schools are established under AS 14.36.010 to allow citizens of a local community to establish programs at local schools which meet local educational, cultural, social and recreational needs.

There are currently 313 Community School sites throughout the State. Using more than 2,987 local instructors and over 33,175 local volunteers, classes are provided to over *1,016,960 participants in one or more classes.

With the proposed elimination of State funds in the Governor's budget for Community Schools, I and many other Legislators are looking for other ways to fund this program. I believe the Permanent Fund Dividend Check-off of 5 dollars can be an important way to reduce general fund dollars without eliminating the program completely. I believe it is important to note that Community Schools were in existence prior to Prudhoe Bay.

As a reference, the 5 dollar Permanent Fund Dividend Check-off for the Olympics raised 765,050 dollars.

The Senate State Affairs Committee Substitute creates PFD Check-off programs within the Department of Revenue. This was an attempt to standardize all PFD Check-off legislation.

* Participants are counted by the number of classes they register for and attend.
