POSITION PAPER

Bill HB 197

The bill provides that all supplies purchased by the State will be delivered to a location within the state, unless the department making the purchase determines that a point of delivery outside the state would be in the best interest of the State. Invitations to Bid (ITB) and other means of procurement must state that the bid price includes delivery at the location named in the ITB.

The impact on the Department of Administration (DOA) will be minimal since nearly all ITBs and negotiated purchases already contain this requirement.

The DOA is neutral on this bill.
