### MEMORANDUM

TO: HOUSE STATE AFFAIRS COMMITTEE

FROM: REPRESENTATIVE BETTE CATO *BC*

DATE: 5 FEBRUARY, 1988

RE: HCR 36 & 37

Every year the American Legion offers a program on government to worthy and outstanding young men and women in their junior year of high school. Boy's and Girl's state, a week long exercise in mock government, provides the selected individuals with a chance to organize campaigns, run for elected office, participate in government on local, regional, and a statewide level. The program offers an invaluable glimpse at what makes the system work, and a useful experience in dealing with their peers.

Running programs of this scale, and making them as informative and useful as possible, requires a great deal of energy and time on the part of the organizers and the participants. As I have every year, I've introduced these two resolutions to acknowledge these efforts and encourage ourselves, local legislators, public and state agencies, and private individuals and organizations to assist in anyway possible. These resolutions enable the programs to run with as much state cooperation as we can provide, enabling the chosen young women and men to increase their awareness of state government and their possible roles in it.
