Representative Robin Taylor
P.O. Box V (MS-3100)
Juneau, Alaska 99811

Dear Representative Taylor:

Enclosed please find copies of the petition that has been circulating in Petersburg. The citizens of Petersburg would like the Legislature to change the Laws regarding Stolen Vehicles. We feel that a person who steals a vehicle, be it an automobile, boat, or airplane; should be prosecuted as having committed a Felony, rather than Criminal Mischief. The fact that we live on an island is immaterial, and should not make a difference in the level of punishment for stealing a vehicle.

Only you, as our elected representative, can author a Bill to change the Law. So we are formally requesting you to do this.

If I can be of any assistance to you in doing this, please feel free to contact me.

We still have petitions out, in Petersburg, but it appears that we have 100% of the adult population in favor of the above change; AND we also have the endorsement of the Petersburg City Council.

Respectfully yours,

Gayle M. Eastwood

enc:

cc: Governor Cowper
Senator Jones
Representative Sund

We, the citizens of Petersburg, feel the need for a change from "Joy-riding" to Grand Theft Auto, if a person steals a vehicle. We feel that it is immaterial if we live on an island or not. It is a case of taken someone's property without their permission and should receive the penalty for their actions. If the owners leave their key in the ignition, that is between their insurance company and themselves. The thief should be prosecuted as a car thief.

Please put Street address.

We, the citizens of Petersburg, feel the need for a change from "Joy-riding" to Grand Theft Auto, if a person steals a vehicle. We feel that it is immaterial if we live on an island or not. It is a case of taken someone's property without their permission and should receive the penalty for their actions. If the owners leave their key in the ignition, that is between their insurance company and themselves. The thief should be prosecuted as a car thief.
