HOUSE RESOLUTION NO. 56-Requesting the U. S. Forest Service to  
upgrade Resurrection Creek Road in the  
Chugach National Forest

STATEMENT OF ROBERT L. GROGAN, DIRECTOR, DIVISION OF GOVERNMENTAL  
COORDINATION, OFFICE OF MANAGEMENT AND BUDGET, OFFICE OF THE  
GOVERNOR APRIL 11, 1988

State agencies have reviewed House Resolution No. 56 regarding the Resurrection Creek Road. The Department of Transportation and Public Facilities anticipates no fiscal impact from implementation of this resolution because the road is maintained by the U. S. Forest Service. The Department of Natural Resources believes that an upgraded road could enhance the value of state-owned land and potential land selections in the area.

We understand that the community of Hope is currently participating in a Forest Service planning process which will address overall land management concerns in the Resurrection Creek Valley. Among the public concerns is road access to Resurrection Pass Trail and impacts associated with increased visitor use. The Forest Service has informed us that, in the interim, it intends to schedule some road improvement work this summer, including the addition of a few turn-outs and widening of some narrow sections to enhance public safety. Completion of the Forest Service planning process will help ensure that improvement of road access to the Resurrection Trailhead is appropriate to the public needs that are identified.

The Honorable Betty Cato

Dear Representative Cato:

I talked with you in December. Our conversation was concerning the efforts of the citizens of Hope, Alaska, to have the Forest Service upgrade the Resurrection Creek Road.

The Forest Service said they were willing to upgrade the road, if they had the necessary funding to do so. We are requesting the Alaska Delegation to obtain the necessary Federal funding.

The citizens of Hope would appreciate a joint resolution signed by the House, Senate and Governor. Enclosed is a copy of the Resolution unanimously enacted by the Kenai Peninsula Borough.

Your consideration to this matter will be greatly appreciated.

Sincerely,

*Tom Williams*
