deleted from the bill. The fact that a bill contains a section which changes a court rule shall also be noted in the title of the bill.

(f) If a bill or portion of a bill contains material which has an effective date other than the date which is 90 days after the bill becomes law, the bill must contain a section or sections setting out the proposed effective date or dates. The section or sections relating to the effective dates must be approved by an affirmative vote of two-thirds of the full membership of each house. If a section setting out an effective date fails to receive the required two-thirds vote in either house, the section is void and without effect and is deleted from the bill. The fact that a bill contains a section which sets out an effective date shall also be noted in the title of the bill.

(g) A bill may be recommitted any time before passage.

COURSE OF BILLS

RULE 40. COURSE OF BILLS. When a bill has passed the house in which it originated and has been certified as properly engrossed by the clerk or secretary and photographed for duplication (if changes have been made), it shall be signed by the presiding officer and the clerk or secretary. The clerk or secretary shall transmit the original and committee copies of the bill on receipt to the other house. When the second house receives the message accompanying the engrossed bill and reporting its passage, the bill shall be read by the clerk or secretary for the first time and then referred by the presiding officer to one or more committees for subsequent action by that house.

AMENDMENTS IN OTHER HOUSE

RULE 41. AMENDMENTS IN OTHER HOUSE. (a) When a bill, resolution, or citation passed in one house is amended in the other house, the bill, resolution, or citation with certified amendments is returned to the house of origin requesting concurrence. The vote on concurrence in amendments is taken by the calling of the roll and the recording of the yeas and nays in the journal. Adoption requires a majority vote of the full membership in each house. If concurrence is had the clerk or secretary notes the concurrence in the journal, informs the other house of the concurrence, and proceeds to have the bill or resolution enrolled for certification and transmittal to the governor.

(b) An amendment to a bill introduced in the other house is not in order if the amendment requires a change of the bill title other than a clerical or technical change.

CONFERENCE AND FREE CONFERENCE COMMITTEES

RULE 42. CONFERENCE AND FREE CONFERENCE COMMITTEES. (a) If one house refuses to concur in the amendments of the other it so notifies the amending house and requests that it recede from its amendments. The vote on receding from amendments is taken by the calling of the roll and the recording of the yeas and

request to committee members and the public; committee minutes, tapes and other materials of research value shall be delivered by the committee at the end of each session or each legislature to the legislative reference library for appropriate disposition;

(4) may make available to the Legislative Affairs Agency a copy of all minutes of committee meetings during the session for entry of the minutes as a data base on the legislative computer system.

COMMITTEE REFERRAL AND ACTION

RULE 24. COMMITTEE REFERRAL AND ACTION. (a) A committee acts on all bills referred to it and reports its actions and recommendations to the house as soon as practicable. Committee reports must be in writing and the report must be signed by a majority of the members of the committee. The report will note the recommendation of each member signing the report.

(b) When a bill is reported back by a committee without at least one "Do Pass", unless the bill has a subsequent referral or referrals of record, the presiding officer shall put the question "Shall the bill be referred to the Rules Committee for placement on the calendar for second reading notwithstanding the report of the committee(s)?" If the bill has a subsequent referral or referrals of record, the question shall not be put until the last committee has reported and unless all reports are without at least one "Do Pass". The question is debatable and if a majority of the membership of the house votes in the negative, the bill is lost.

(c) If a committee has more than one bill on the same subject or if it finds it necessary to revise a bill substantially, it may report out a substitute bill and recommend that the substitute be accepted for second reading in the place of the original bill. A committee of the second house may not report a committee substitute for a bill or an amendment to a bill that requires a change in the title of the bill, other than a clerical or technical change, as the title was enacted in the house of origin. Substitute bills are duplicated and distributed when they are reported out by the committee. Committee substitute bills carry a notation of the source or sponsor of the original bill in the manner prescribed by the drafting manual unless the sponsor objects to the name so appearing.

(d) All bills involving appropriations, revenues or bonding must be referred to the Finance Committee before they can be advanced to second reading.

COMMITTEE OF THE WHOLE

RULE 25. COMMITTEE OF THE WHOLE. When the house forms itself into a Committee of the Whole the presiding officer vacates the chair and calls upon a member to preside. The Uniform Rules are observed in the Committee of the Whole but no member shall be recognized a second time until every member wishing to speak has spoken. When a bill is considered in the Committee of the Whole it shall be read and debated by sections and amendments adopted shall be noted on paper separate

officer shall then direct the clerk to record the vote. The clerk shall then transmit the result to the presiding officer, who shall announce the vote. The result shall be recorded in the daily journal.

(4) Copies of voting records. The clerk or secretary shall retain one copy of the voting record on each question in the file of the house and provide one copy for the press room file and the files of the Legislative Affairs Agency.

(5) Voting stations. A member may vote only when at the member's desk. When a member other than the regular presiding officer is presiding, the presiding officer, if present, and the other member may direct the chief clerk or secretary to indicate their votes.

(6) Misuse of voting station. A member may not vote for another member. A person may not cast a vote for a member except as otherwise provided in these rules. A member who votes for another member may be punished in a manner the house determines. A person voting for a member when not authorized by this rule is barred from the floor of the house and may be further punished as the house considers proper.

AMENDMENT

RULE 35. AMENDMENT. A motion or proposition on a subject may not be admitted under color of amendment if the subject matter is different from that under consideration. A motion or proposition on a subject that requires a change in the title of the bill as enacted in the house of origin, other than a clerical or technical change, is not in order in the second house. An amendment may not be considered by the house unless submitted in writing and read aloud by the clerk or secretary. Amendments offered by a committee shall be included in its written report and attached to the original bill. A bill in second reading is subject to amendment and is treated section by section. An amendment may not be made to a bill in its third reading, but the bill may be returned to second reading by a majority vote of the full membership of the house for the purpose of specific amendment. When action on a specific amendment in second reading is completed, the bill automatically advances to third reading. Except as provided in this rule, a title may be amended or a change of sponsor made in third reading or after passage by a majority vote of the members present, but the title amendment or sponsor change must be accomplished before the measure acted upon has been enrolled. When amendments to the body of a bill affect the numbering of sections, or passage or failure of the effective date clause affects the title, the clerk or secretary may accomplish the necessary changes without formal motion, and the changes shall be noted in the journal. Resolutions may be amended in the same manner as a bill.

PREFILING OF BILLS

RULE 36. PREFILING OF BILLS. (a) Bills or proposals for bills may be prefiled with the executive director of the Legislative Affairs Agency at any time

RE: SCR 55 and SB 298

SB 298 as originally titled, An Act naming bridge number 1146 at milepost 240 on the George Parks Highway, was intended to honor Gary Crabb by naming the bridge (crossing the Nenana River at the south boundary of McKinley Park which is also proximate to Crabb's McKinley Village community) as "Crabbie's Crossing".

SB 298 passed the Senate and went to (H) Transportation. After leaving the Senate, my staff discovered the bridge designated in the bill's title and text was already named and was not the intended bridge; possibly miscommunication with DOT.

I wish to correct this bill's title and text. This requires a Senate Concurrent Resolution requesting that uniform rules be suspended regarding changes to the title of a bill. Affirmative action by the House will be appreciated.

Thank you.
