Senate Finance Committee *Rick Halford*

SUBJECT: Senate Bills 476 and 477 - Supplemental
Municipal Assistance to Railbelt Communities

I appreciate the Committee scheduling the above two pieces of legislation so promptly, and offer the following as additional background on the two bills.

Senate Bill 476: This enabling legislation establishes a supplemental municipal assistance fund for Railbelt communities and authorizes payments to Railbelt communities. As defined in the original bill, "Railbelt community" is a municipality located within 25 miles of the right-of-way of the Alaska Railroad".

I offer the attached proposed committee substitute which amends this definition to include in addition to the above, a municipality located within a borough that is located within 25 miles of the right-of-way of the railroad.

Senate Bill 477: Appropriates \$31,752,215 for payment as supplemental municipal assistance to Railbelt communities. This amount reflects the interest which has been earned on the principle of the Railbelt Energy Fund through December 31, 1987.

The Department of Community and Regional Affairs has provided the following distribution of funds. It utilizes the current municipal assistance formula:

Fairbanks North Star Borough	3,289,793
Fairbanks	2,640,206
North Pole	127,712
Nenana	43,209

Anderson	46,897

Kenai Peninsula Borough	1,888,029
Kachemak	19,588
Homer	298,270
Seldovia	29,138
TOTAL	31,752,207

For your further reference, I have also attached the department's work sheet illustrating the above.

I appreciate the opportunity to discuss this legislation with the committee.

Thank you.

RE: SB 476 & 477 - Supplemental Municipal Assistance to Railbelt Communities.

SB 476 would establish a supplemental municipal assistance fund for Railbelt communities as an account within the general fund. SB 477 appropriates \$31,752,207 to that fund from the earnings of the Railbelt Energy Fund. Distribution of the supplemental municipal fund would take place immediately to qualified communities within 25 miles of the right of way of the Alaska Railroad. A committee substitute would expand the definition to include communities within boroughs located within 25 miles of the Alaska Railroad.

Attached is a memo from Senator Halford that further explains the program and a listing of the distribution of funds.
