- Impacted Agency(ies)
- Senate Secretary

CONTINUATION of FISCAL NOTE ANALYSIS

For Bill/Resolution No. SB 178

ANALYSIS

In order to determine the fiscal impact of SB No. 178, the Department of Corrections has evaluated the current costs incurred to incarcerate a person serving a term of imprisonment for Driving While Intoxicated. These costs can then be converted into possible reasonable fines to be imposed by the courts.

Profile of DWI Sentences

	<u>Time Served</u>	<u>Days in Institution</u>	<u>Days In CRC</u>
First Offense	4 days	1	3
Second Offense	20 days	10	10
Third Offense	45 days	40	5
Fourth Offense	150 days	150	Ø

Using the average daily costs incurred by Department of Corrections of \$87.56/day for institutions and \$44.46/day for Community Residential Centers (CRC), the following costs for each level of offender are computed:

Costs Incurred/Possible Fine

First Offense	\$ 220
Second Offense	\$ 1,321
Third Offense	\$ 3,724
Fourth Offense	\$13,134

Using these possible fines, an estimate can be made of the possible revenues to be collected from sentenced DWI offenders.

	<u># Persons</u>	<u>Possible Fine</u>	<u>Total Fines Imposed</u>
First Offense	2312	\$ 220	\$ 508,640
Second Offense	748	\$ 1,321	988,108
Third Offense	272	\$ 3,724	1,012,928
Fourth Offense	68	\$13,134	893,112
	<u>3400</u>		<u>\$3,402,788</u>

The fines will be imposed and collected by the courts, so there will be no additional administrative costs for the Department of Corrections.
