STEVE COWPER
GOVERNOR

ES 068
SB 329

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

January 11, 1988

The Honorable Jan Faiks
President of the Senate
Alaska State Legislature
P.O. Box V
Juneau, AK 99811

Dear Senator Faiks:

Under the authority of art. III, secs. 18 and 23, of the Alaska Constitution, I am transmitting an Executive Order and a companion bill transferring the business license program from the Department of Revenue to the Department of Commerce and Economic Development. At the present time, businesses frequently must obtain licenses from both departments. The Executive Order will consolidate these licensing functions in one agency, making for greater administrative efficiency and, of even greater importance, better service to the public.

The Order simply transfers the business license program (AS 43.70) from the Department of Revenue to the Department of Commerce and Economic Development, by defining "commissioner" and "department" for purposes of that chapter as the commissioner of commerce and economic development and the Department of Commerce and Economic Development (secs. 5 and 6 of the Order), respectively, adding this authority to the duties of the Department of Commerce and Economic Development (sec. 7 of the Order), and making necessary technical changes to other statutes.

Although the functions of the business license program are reassigned by the Executive Order, I am requesting your support of the accompanying bill in order to make the program fit more easily within the current operations of the Department of Commerce and Economic Development, division of occupational licensing. Under the Order, current procedures and enforcement provisions must remain in effect. The bill will permit the division of occupational licensing to instead use the current procedures and enforcement provisions used for occupational licenses by placing the business license program under AS 08.01. Sections 1 -- 6 of the bill. The department will then issue biennial instead of annual business licenses (AS 08.01.100(a); see secs. 7, 8, and 10 of the bill), coordinated with any other licenses issued to the particular business, and use its own enforcement proce-

dures under AS 08.01.102 -- 08.01.105. Section 5 of the bill. The effective date of the bill is contingent upon the effective date of the Executive Order. Section 3 of the bill also makes an incidental correction, deleting a redundant sentence that appears in AS 08.01.065(c) due to inconsistent amendments made by sec. 1, ch. 87, SLA 1987 and sec. 5, ch. 94, SLA 1987 -- a correction also being proposed in the 1988 general revisor's bill.

The Department of Revenue presently administers a number of licensing and permitting programs in addition to the business license program. Unlike the business license program, however, each of these other programs is administered in conjunction with a particular tax. Used in this manner, licensing activities are an effective tool in tax compliance efforts. Since the 1978 repeal of the business gross receipts tax, this has not been the case for the business license program, and there is no longer any reason to retain the program in the Department of Revenue. To better serve the public and to promote administrative efficiency in operating this program, I urge your support of the Executive Order and passage of the companion bill.

Sincerely,

Steve Cowper
