MEMORANDUM

March 18, 1987

TO: Senator Tim Kelly, Chairman
Senate Labor and Commerce Committee

FROM: Senator Johne Binkley 

RE: SCR 20 - Relating to National Tourism Week

Tourism is a vital part of Alaska's economy, with tremendous potential for our future. Tourism Week has been recognized nationally for four years now. This resolution would give special recognition of the week, May 17 - 20, in Alaska, encouraging the public and private sectors of our state to observe and promote tourism within Alaska.
