MEMORANDUM

TO: Senate Resource Committee Members
FROM: Senator Coghill
RE: SJR ¹⁷~~14~~; Relating to federally managed conservation units in
the state.
DATE: May 4, 1987

This resolution has been heard as part of the ANWR hearings.
I have three amendments I would like to add to this resolution.

1. Change of title to: Relating to federal conservation system units in Alaska.
2. Add at line 27 after the semicolon "and"
3. Add at line 28: WHEREAS the Congress of the United States recognized in section 101(d) of the Alaska National Interest Lands Conservation Act that the need for future legislation designating new conservation system units, new national conservation units, or new national recreation areas has been obviated by passage of the Alaska National Interest Lands Conservation Act;

The first amendment clarifies the title.

The second is a technical word addition.

The third amendment is substantive and the underlined portion is word for word from sec.101(d) of ANILCA.
