MEMORANDUM

TO: Senate Resource Committee Members

FROM: Senate Resource Committee Staff *ERG*

RE: SJR 44; Relating to water quality standards of the State of Alaska under the Clean Water Act.

DATE: May 7, 1987

The whereas clauses of this resolution are identical to SCR 29. The resolve however directs our congressional delegation in Congress to seek general actions that would assist the state in solving the current water quality standard dilemma.

State believes this resolution is consistent with the Governors directive to his commissioners regarding placer mining and with SCR 29.

This resolution has no fiscal impact.
