ANALYSIS:

The Permanent Fund Dividend Division will be able to provide a tape listing of Permanent Fund Dividend applicants with the following information: first name, middle initial, last name, mailing address and birth date. We will not be able to provide a separate residence address or years and/or dates of residence. However, each applicant on file states that they were a resident of Alaska since at least prior to October 1.

Re: HB 374

Dear Representative Ulmer:

The court system has several comments on HB 374. First, the court system suggests that it be the recipient of the lists that will comprise the jury list, so that "court system" should replace "Department of Administration" in section one, lines 23 and 24. Second, the court system would like each person's sex and social security number (if available) included on the list as well as the date the information was received by the transmitting agency (section one, line 2, page 3). Third, for administrative efficiency the court system would like to specify the format of the magnetic tape on which the lists will be entered.

Finally, we suggest adding a provision requiring vital statistics to transmit to the court system a list of death certificates including each decedent's date of death filed the preceding calendar year. Without a provision of this nature, we have no way of purging our jury lists of the names of those persons who have died.

Thank you for considering these comments. I would be happy to discuss them with you or to answer any questions you may have.

Sincerely,

Janalee R. Strandberg
