Dear Alex:

Thank you for your continued efforts on behalf of Alaskan fishermen. We appreciate the work you have done for our organization in the past and look forward to your assistance in the future.

Recently, I mentioned two pieces of legislation that we are very concerned about, S.B. 327 "Oil Discharge Liability" and H.B. 459 "Hazardous Waste Disposal." ~~In view of our fishing operations in Cook Inlet,~~ these bills are critical to our future. Hopefully, you will keep us apprised of the progress of this legislation and continue to insist that there is sufficient language included to protect us from a similar situation as the "Glacier Bay" spill that occurred in July, 1987.

The proposed oil lease sale planned for Bristol Bay certainly adds to the urgency that environmental protection and financial responsibility be established during this legislative session. Hopefully, the State of Alaska will be successful in their attempt to have this area withdrawn from the March 1988 lease sale.

Sincerely,
