MEMORANDUM

TO: Senator Mitch Abood, Chairman
Senate State Affairs Committee

FROM: Senator Jan Faiks 
President of the Senate

SUBJECT: Background on Senate Bill 102
An Act relating to reports of missing persons;
and creating a missing persons information
clearinghouse.

~~Senate Bill 102~~ has been referred to your committee for consideration. The purpose of this bill is to establish a statewide system for handling information about missing persons.

The locating of missing persons has been hampered in the state by the lack of consistent procedures for receiving, processing, and sharing information about lost persons. Each law enforcement agency seems to have its own method for handling reports of missing persons, for dealing with relatives of the victim, and for coordinating search efforts with others.

Often, this lack of consistency has resulted in undue expense to the government and needless anxiety for friends and relatives. The problem is aggravated by the vastness of our state. A body washed up on the shores of the Bering Sea is not matched with a missing persons report filed in Ketchikan. Village officials continue to investigate the disappearance of a teenager long after she has been found by authorities in Fairbanks.

By creating a central repository for collecting and handling information about missing persons, Senate Bill 102 should relieve these problems.

Senate Bill 102 proposes the following:

Section 1. Amends AS 18.65 by adding AS 18.65.600 - 18.65.660.

Sec. 18.65.600. Establishes the Missing Persons Information Clearinghouse.

Sec. 18.65.610. Requires the Clearinghouse to create a statewide system for handling information about missing persons. The Clearinghouse will collect and disseminate this information throughout Alaska. It will communicate with the National Crime Information Center about missing persons cases, and will train officials on how to best use the Clearinghouse.

Sec. 18.65.620. Places a duty on all law enforcement agencies to send to the Clearinghouse all reports of missing persons who have not been found within forty-eight hours.

Sec. 18.65.630. Allows agencies to obtain medical and dental records that will help identify bodies. If relatives of the missing persons are available, these records cannot be obtained by a government agency unless they are requested by family members. If no relatives are available, the law enforcement agencies can obtain records on their own initiative. When the agencies obtain these records, they must forward them to the Clearinghouse. Upon the location of the missing person, the law enforcement agency and the clearinghouse shall destroy all records in their files.

Sec. 18.65.640. Requires a person who files a missing person report to notify the clearinghouse or law enforcement agency once the person who has been reported missing has been found. Failure to notify the Clearinghouse or law enforcement agency when the person is found may be punishable by a civil fine of not more than \$1,000.

Sec. 18.65.650. Provides a maximum civil penalty of \$10,000 if a person fails to perform a duty required by this act

Section 2 Amends AS 18.60.170 which deals with procedures for handling missing persons reports within the Department of Public Safety. This section adds the additional duty of filing these reports with the Clearinghouse. If murder or foul play is suspected in a case, a report must be filed with the district attorney.

Section 3. Amends AS 47.10.141(a) to require the filing of reports of missing minors with the Clearinghouse.

A similar bill was passed by the Senate during the last session, but time ran out before it was able to get through the legislative process.

I would appreciate the committee's consideration of the legislation at its earliest convenience. Should you need any additional information, please let me know.

Thank you.

BILL NO: SB 102

DATE: 2/23/87

TITLE: "An Act relating to reports
of missing persons..."

CONTACT: Maj. Walter J. Gilmour
Acting Director

DEPARTMENT OF
PUBLIC SAFETY

The purpose of this bill is to establish, by statute, a Missing Persons Clearinghouse. In previous years, a missing persons unit has been maintained within the division of Alaska State Troopers without specific funding. Due to reduced budgets, this is no longer possible.

This bill requires all state and local law enforcement agencies to coordinate missing persons' reports through one central clearinghouse operated by the Department of Public Safety. The effect is the establishment of a central storage area for the collection, maintenance and dissemination of information relating to the identification, locating and return of missing persons.

In order to comply with this legislative mandate, we are conservatively requesting a part-time Clerk IV and the necessary equipment for this individual to perform the required tasks.

The Division of Alaska State Troopers supports passage of this legislation.
