MEMORANDUM

TO: Senator ^{BJ} Ed Jones, Chairman
Senate Transportation Committee

FROM: Senator ^{BJ} Bettye Fahrenkamp

DATE: March 24, 1988

RE: SB 421 An Act relating to outdoor advertising within highway rights-of-way; and providing for an effective date.

SB 421 would allow advertising on bus benches and bus shelters within a right-of-way by permit. Last year, SB 4 passed and was signed into law. It authorized advertising on bus benches and shelters along rights-of-way. At that time, it was thought that advertising within rights-of-way would be allowable under existing law by permit. However, as DOT/PF implemented SB 4, it came to our attention that advertising that is visible from the roadway would not be allowable.

If this bill passes, DOT/PF would issue an Encroachment Permit under 17 AAC 10.010 as authorized by AS 19.25.200 to allow such advertising.

The bill has the support of DOT/PF and is allowable under federal law. The bill has a zero fiscal note.

Sectional Analysis

Section 1. AS 19.25.080 Purpose is amended to include outdoor advertising within a right-of-way. Also, it clarifies that outdoor advertising can take place on secondary as well as primary or interstate roads.

Section 2. AS 29.25.105 Limitations of outdoor advertising signs, displays and devices. A new section is added to allow outdoor advertising within the right-of-way of an interstate, primary or secondary highway under the authority of a permit issued under the existing encroachment statutes.

Section 3. Provides for an immediate effective date.
