RE: SB 298

SB 298 as originally titled, An Act naming bridge number 1146 at milepost 240 on the George Parks Highway, was intended to honor Gary Crabb by naming the bridge (crossing the Nenana River at the south boundary of McKinley Park which is also proximate to Crabb's McKinley Village community) as "Crabbie's Crossing".

SB 298 passed the Senate and went to (H) Transportation. After leaving the Senate, my staff discovered the bridge designated in the bill's title and text was already named and was not the intended bridge; possibly miscommunication with DOT.

I wish to correct this bill's title and text. This requires a Senate Concurrent Resolution requesting that uniform rules be suspended regarding changes to the title of a bill. Attached is the required document, to be introduced by Senate Transportation.

Thank you.
