SB 48 OVERVIEW OF THE COMMISSION

I. Federal Statutory Role of the Older Alaskans Commission (OAC)

The Older Americans Act of 1965 (amended 1987), Public Law 100-175, provides grants for programs for senior citizens (over 60) to the states, and requires that each state designate one state agency as the "sole State agency" to administer these grant programs within the state. Section 305. Since 1981, the Older Alaskans Commission has performed this function.

The Older Americans Act requires the State Unit on Aging to (1) develop a State Plan for senior programs, (2) coordinate all state activities related to the Older Americans Act, and (3) serve as an advocate for the elderly within the state, including review, comment, and technical assistance to any agency or individual.

II. State Statutory Role of the Older Alaskans Commission

A. AS 44.21.200, passed in 1981, created the Older Alaskans Commission, placing it in the Department of Administration.

The Commission members include seven Alaskan citizens appointed by the Governor, and the commissioners of Administration, Health and Social Services, and Community and Regional Affairs, and the chair of the Pioneers Homes Advisory Board.

Summary of duties and responsibilities: The Older Alaskans Commission must "formulate a comprehensive statewide plan" for senior needs, make recommendations to the governor and legislature regarding issues affecting seniors, encourage local senior commissions and programs to serve seniors.

The Commission is also charged with the responsibility to administer--with the approval of the Commissioner of Administration--federal programs under the Older Americans Act, and state programs funded with state general funds under AS 47.65.010.

Overview of Older Alaskans Commission

B. AS 47.65, passed in 1980 and amended in 1981, authorizes state funds to be awarded as grants for "Community Service Programs" for "older Alaskans," which is defined as "over 60." AS 47.65 also sets required contribution--or matching--levels for the recipient of a grant.

III. OAC program components include the following programs, with their FY 89 budget noted:

- Home and Community Services to Seniors -- Grants of state and federal funds to community organizations to provide nutrition, access, and supportive services. (\$ 6,432,329)
- Senior Job Training and Community-Service Employment-- Grants of state and federal funds to train and employ low-income persons over 55. (\$ 1,601,400)
- The Office of the Long-Term Care Ombudsman--Federal and state funding of an advocate for residents of nursing homes. (\$ 127,900)
- Training of the Senior Network--Federal (only) grant administered by OAC to train members of the aging network statewide. (\$ 90,900)
- Federal Discretionary Grant to Alaska for the Alzheimer's Disease Family Support Group Project on providing respite care to families of victims. (Grant concluded December, 1988--total funding, \$ 78,100.)
- Legal Services Development--OAC staff produce or arrange seminars and educational publications on current legal issues. (In general administrative budget)

Item 4

DEPARTMENT OF ADMINISTRATION
POSITION PAPER

DIVISION: Older Alaskans Commission

BILL NUMBER: SB 48

BILL TITLE: An act extending the termination date of the Older Alaskans Commission

The Older Alaskans Commission and the Department of Administration support the passage of SB 48.

SB 48 will extend for an additional four years the important functions of the Older Alaskans Commission, as enumerated in AS 44.21 and AS 47.65. The Commission will also continue as the State of Alaska's designated State Unit on Aging for the purpose of receiving funds from the federal Administration on Aging.

The Commission, with its seven senior citizen members, serves as a sounding board for seniors throughout the state on local, state and national issues affecting the dignity and quality of life of Alaska's elders. The Commission, with its reserved seats for representatives from three state agencies and the Pioneers Home board, works at the heart of state government to assess and respond to senior needs, and to coordinate policy decisions and services by various agencies.

The Older Alaskans Commission believes strongly that the people to be served by government should have a direct voice in the planning, monitoring and evaluation of those services. The Commission is that voice on the state level.

The Commission operates through an executive director and small staff, and its office is located within the administrative structure of the Department of Administration. The Commission's administration of all grants and programs is subject to the approval of the Commissioner of Administration.

Both the Department and the Commission strongly urge the renewal of the Older Alaskans Commission statute.

DATE: February 27, 1989

SUBJECT: Senate Bill 48
An Act extending the termination date of the Older Alaskans Commission; and providing for an effective date.

*You've heard
it once. I
you want
me to testify at
me know it*

Thank you for scheduling SB 48. As you know, this legislation will extend the Older Alaskans Commission for another four years.

There is a zero fiscal note attached to the bill. Intent language was added by the Senate Finance Committee, which states that it is the intent of that committee that "the Older Alaskans Commission demonstrate full compliance with state and federal statutes and the regulations of the Older Americans Act." Neither the department nor I have any problem with this intent language.

The Older Alaskans Commission consists of seven seniors from around the state, as well as the chair of the Pioneers Homes Advisory Board and the commissioners of Administration, Health and Social Services, and Community and Regional Affairs.

The Commission serves as the "state unit on aging" for purposes of the Older Americans Act, and in that capacity administers grants for a variety of programs for seniors. The Commission also acts as an advocate for seniors, employs the Long-Term Care Ombudsman, and is charged with developing a state plan for senior programs.

If I can provide any further information, please don't hesitate to contact me. I would like to thank you and the committee for bringing SB 48 up so timely, and encourage your favorable consideration of the measure.
