HB 144: An Act continuing the Board of Barbers and Hairdressers, and providing for an effective date.

The bill proposes to extend the termination date of the Board of Barbers and Hairdressers to June 30, 1993. The board presently licenses approximately 2,834 practitioners and continues to operate in the best interest of the public by granting licensure only to competent, qualified individuals.

Over the past year and a half, the board has worked hard to improve. It has substantially amended its regulations and, in doing so, has established new licensing criteria, set school curriculum that recognizes the real differences between barbers and hairdressers, and assisted students seeking entry into the profession by offering more frequent examinations.

The performance report by the Division of Legislative Audit recommended that the Board of Barbers and Hairdressers be reestablished. The department concurs with the audit recommendation and supports HB 144, which will extend the board to June 30, 1993.
