DEPARTMENT OF MILITARY AND VETERANS AFFAIRS

POSITION PAPER

HB 493

Summary of Bill: The proposed legislation would allow reemployment rights to members of the organized militia who are called to State Active Duty by the Governor. The organized militia consists of the Alaska National Guard, the Alaska Naval Militia, and the Alaska State Militia (also known as the Alaska State Defense Force). State Active Duty is used by the Governor to activate the militia for State purposes such as state-declared disasters (i.e., not declared by the President) or civil disturbances, and is authorized by A.S. 26.05.070. Reemployment rights for National Guard and Naval Militia members who are called to federal service or who are training for their military jobs are protected by federal legislation. Under provisions of the bill, the Department of Labor will enforce the reemployment rights by appropriate regulations for all but state employees. The Department of Administration will enforce the reemployment rights for state employees.

Impact of Bill on Department of Military and Veterans Affairs: There will be no administrative impact on DMVA as a result of passage of this bill. However, we expect that the members of the organized militia will be very appreciative of the fact that their civilian jobs will be secure for them in the event that they are called to state active duty.

Departmental Position on Bill: The department strongly supports this bill.
