### MEMORANDUM

TO: Rep. Cliff Davidson, Co-Chair  
Rep. Curt Menard, Co-Chair  
All members, House Resources Committee

FROM: Rep. Mike Navarre *Mike Navarre*

SUBJECT: HJR 50, relating to an environmental mitigation fund

This measure would place the question on the ballot to modify the Alaska Constitution, establishing a dedicated fund for the purpose of mitigation, abatement, and control of environmental damage. A dedicated fund would eliminate funding uncertainty, and help assure that Alaska continues to move forward in the area of environmental responsibility.

Attached is some information that shows what a flat \$0.10 per barrel tax would raise, along with a possible alternative funding source of 2% of all unrestricted general fund revenues. There are many other possible funding scenarios, some of which I plan to discuss with the committee.

Thank you.
