CONTINUATION OF FISCAL NOTE ANALYSIS

For Bill/Resolution No. HJR 58

However, these costs are based on the assumption that all candidates and issues will fit on three ballot cards, which is the norm. It should be noted, however that should the inclusion of this issue require a 4th ballot to be printed, the cost increase would have to be calculated at 16 cents per ballot x approximately 320,000 voters. The total cost of printing the additional ballot card would be \$51.2

Under these circumstances the fiscal note would be:

53.4
