REFERENCE: Senate Concurrent Resolution #33

Dear Senator Fischer:

The Board of Directors of the Kenai Chamber of Commerce would like to thank you for your efforts on behalf of the City of Kenai through introduction of the above Resolution.

We believe the end results of the Bicentennial will not only be a celebration of 1991 but a lasting tribute to that year with resultant projects that will increase local resident's knowledge of their past and provide visitors to our community with an insight into Alaskan history.

Our City has been hit hard by the economic downturn, the oil spill and last, but not least, the eruptions of Mt. Redoubt. It is a difficult period in our history but the Bicentennial Celebration and all the enthusiasm it is producing is a positive force which should be beneficial to the entire Peninsula area.

Any assistance you provide for this endeavor should be returned to the State as a whole and we wish you every success. Please feel free to call on us if we can provide additional information.

Sincerely,

*Laura Measles*

Laura Measles, President  
Board of Directors
