| Pouchot                   | 125          | Opens mtg. for testimony.                                                                                                                                                                                                                                                                                                                                                                         |
| Miller<br>Jones<br>[APBC] | 155          | Verbally reviewed written material. Concern testimony campaign finance laws with ethics issue.                                                                                                                                                                                                                                                                                                    |
| Jones                     | 228          | ① First major concern effective date. Suggests retain NOW effective date. Commis. Heard concerned with putting Commis in effect July 1. Possibly altered current Ethics Cmte. Effective date possibly after election.<br>② Second concern campaign financing rules - separate for legislators. Take campaign finance out of bill. Put in campaign finance law. Have same rules apply to everyone. |
| Davis                     | 435          | Difficult to ascertain how many new positions.                                                                                                                                                                                                                                                                                                                                                    |

| SPEAKER            | TAPE # | SIGNIFICANT INFORMATION                                                                                                                                                                                                      |
|--------------------|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Jails              | 448    | Disagree w/ Jersytha. Leg should have different set of standards. Refs Wray bill is written.                                                                                                                                 |
| Pouchot            | 477    | Some things in bill now that apply to candidates.                                                                                                                                                                            |
| Jinkelstein        | 500    | Comments on whether it covers candidates. Could have problem with title. Ideal would be to have some standards for all.                                                                                                      |
| Jersytha           | 550    | Addresses uses of contributions.                                                                                                                                                                                             |
| "                  | 625    | Personal financial disclosure. Commission must renew statements - (couple of concerns). Commission like to see Challenger submit some statement. How many statements I will file up to. File statements only to Ethics Comm. |
|                    | 695    | End of Karen Jersytha's statement.                                                                                                                                                                                           |
| Gene Peyton (PhD)  | 702    | Wants copy of ACLU comments.                                                                                                                                                                                                 |
| Jack Chomura [297] | 725    | Asks Cmte to be sensitive to areas after pg 30, line 2) <sup>interim on the Ed Board</sup><br>Even if can serve term out, concerned abt definition of compensation. Enjoy both leg service + serving on state boards.        |
| Pouchot            | 785    | Points out Wainer v (b).                                                                                                                                                                                                     |
| Jails              | 800    | Needs affirmative language.                                                                                                                                                                                                  |

| Jacks       | 355    | Moves Jones amendment to .180 Motion carried                                                                              |
| Jinkelstein | 378    | Moves 190 likely be adopted                                                                                               |
| Powchot     | 410    | Suggests referencing .530 "Exemption Process" in .190                                                                     |
|             |        | Discussing fellow members civil sanctions                                                                                 |
| Jacks       | 501    | Motion adopted and "Subject to civil sanctions" in .160 - Motion adopted                                                  |
| Jinkelstein | 532    | 190 adopted as amended                                                                                                    |
|             |        | Comments on .200 through .250 (Campaign financing)                                                                        |
|             |        | Suggestion what the D.W. other candidates who aren't legislators would like to include in this bill or other legislation. |
|             |        | Discussing on fundraising during leg session                                                                              |
| Jinkelstein | 599    | Only thing distinctive to legislators in all sections is fundraising during session. Think all can be applied to laymen.  |
| Wagman      | 629    | Restrictions challenge during session could be unconstitutional                                                           |
| Tappe       |        |                                                                                                                           |
| Miller      | 001    | may be concerns, but doesn't belong in this bill.                                                                         |
