ANALYSIS: (Attach a separate page if necessary)

Under Section 2 of the bill, the Department of Public Safety will be required to run criminal history checks on certain individuals. Because the number of persons whose records must be checked is expected to be very small, the Department believes that this impact can be absorbed using existing staff and resources.

MEMORANDUM

February 28, 1989

SUBJECT: Sectional analysis of CSHB 29(L&C)  
TO: Representative Ron Larson  
FROM: Terri Lauterbach *TL*  
Legislative Counsel

The following is a sectional analysis of CSHB 29(L&C).

Please note that a section-by-section analysis or summary of a bill should not be considered an authoritative interpretation of the bill. The bill itself is the best statement of its contents.

Section 1. Section 1 of the bill provides for the creation of a commission to regulate racing and parimutuel wagering.

ARTICLE 1. ALASKA RACING COMMISSION.

Sec. 05.40.010 establishes the Alaska Racing Commission in the Department of Revenue. The commission is composed of five members appointed by the governor. One member of the commission shall have experience in the regulation, supervision, or conduct of parimutuel wagering or horse racing, one member shall have experience in law enforcement, one member shall have experience in bookkeeping or accounting, and two members shall be public members. Members of the commission must be residents of the state. A person may not be appointed to the commission if that person has been convicted of a felony or gambling offense. A person may not serve as a member of the commission until a background check is completed by the Department of Public Safety. The commission members elect the chairman. Three members of the commission constitute a quorum.

Sec. 05.40.020 sets the term of appointment to the commission at four years.

Sec. 05.40.030 establishes procedures for removal of a member from the commission.

Sec 05.40.040 provides that members of the commission receive no salary but do receive per diem and travel expenses authorized for boards and commissions when the members are serving on the board.

Sec. 05.40.050 sets out the duties and powers of the commission. The commission shall adopt regulations concerning licenses and special permits for persons subject to the jurisdiction of the commission, appointment of officials to monitor races, distribution of the parimutuel pool, veterinary standards for races, the equipment used for parimutuel wagering, auditing procedures, and other matters related to horse racing and parimutuel wagering. The commission shall also regulate races, inspect race tracks and racing animals, establish racing dates and durations, sanction racing at specific locations, set fees, make an annual report to the commissioner of revenue and the legislature by February 15 of each year, keep detailed records of race meets and all collections and disbursements, and supervise parimutuel pools.

The commission may hire staff, compel witnesses to appear before the commission, compel production of documents of race meet operators, appoint hearing officers, and impose, by regulation an admission surcharge for races meets without regard to whether the race track charges admission.

Sec. 05.50.060 provides that commission employees are in the partially exempt service.

Sec. 05.40.070 provides that the Attorney General will enforce the regulations of the commission.

Sec. 05.40.080 provides that the records of the commission are public.

Sec. 05.40.090 provides that money received by the commission shall be paid into the state's general fund.

## ARTICLE 2. RACE MEETS.

Sec 05.40.100 requires that a person conducting a race meet be licensed by the commission. A race meet operator's license is valid for three years unless revoked or suspended. The race meet operator has the exclusive right to operate or contract for the operation of concessions at the site

of the race meet. A person convicted of a felony or a gambling offense may not receive a license to conduct a race meet.

Sec. 05.04.110 provides that a person may not participate in a race meet as an animal owner, trainer, jockey, driver, attendant, groom, stable hand, veterinarian, employee of the race meet operator, concessionnaire, or concession employee without receiving a special permit issued by the commission. A special permit is valid for one year unless revoked or suspended.

Sec. 05.40.120 prohibits the commission from sanctioning a race within a municipality unless the voters of the municipality have approved a referendum authorizing parimutuel wagering on horse races within the municipality and the municipality, after holding a public hearing, approves issuance or renewal of the license.

Sec. 05.40.130 provides that the parimutuel pool shall be distributed 65 percent to the holders of winning tickets, 15 percent to the race meet operator, 10 percent as purse money, and 10 percent to the commission. The amount of the pool distributed to holders of winning tickets shall be at least 65 percent and may be increased by the commission if the commission finds that it is necessary to promote efficient and successful race meets. The commission may adjust the distribution of the remaining 35 percent of the pool among purse money, the race meet operator, and the commission as necessary.

Sec. 05.40.140 provides that the race meet operator shall report to the commission within 30 days after each race on the distribution of the parimutuel pool. The race meet operator shall report to the commission on the operation and proceeds of concessions at the site of the race meet within 30 days after the end of the race meet.

Sec. 05.40.150 provides that the commission may appoint persons, including members of the commission, to serve as observers of race meets. An observer shall be present at the site of a race meet on the day before, the day after, and during the race meet.

### ARTICLE 3. GENERAL PROVISIONS.

Sec 05.40.900 provides that the commission is subject to the Administrative Procedure Act.

Sec. 05.40.910 provides that members of the commission are subject to the prohibitions against conflict of interest.

Sec. 05.40.950 establishes prohibited acts and penalties. It is a class A misdemeanor to

- 1) violate a regulation of the commission if no effect on the outcome of a race licensed by the commission was intended;
- 2) record, report, register, or place a wager on a horse race except as provided under the authority of the commission;
- 3) permit a person under 21 years of age to place a wager.

A class A misdemeanor is punishable by imprisonment of not more than one year or a fine of not more than \$5,000 or both.

It is a class C felony to violate a provision of AS 05.40 or a regulation of the commission with the intent to affect the outcome of a race. A class C felony is punishable by imprisonment of not more than five years or a fine of not more than \$50,000, or both.

Sec. 05.40.990 establishes definitions for "breakage", "commission", "harness race", "horse race", "parimutuel", "race meet", "race meet operator", and "special permit".

Sec. 2. Section 2 of the bill amends AS 18.65.080 by providing that the Department of Safety shall investigate whether a person appointed to the commission, a person employed by the commission, a race official, a race meet operator, or a person required to obtain a special permit has been charged with a felony or a gambling offense.

Sec. 3. Section 3 of the bill amends AS 39.25.120(c) to include commission employees in the partially exempt service.

Sec. 4. Section 4 of the bill amends AS 39.50.200(b) to include the Alaska Racing Commission within the definition of "state commission or board" so that members of the commission are subject to prohibitions against conflict of interest.

Representative Ron Larson  
Page 5  
February 28, 1989

Sec. 5. Section 5 of the bill amends AS 44.62.330(a) so that the Alaska Racing Commission is subject to the procedures applicable to administrative adjudication under AS 44.62.330 - 44.62.630.

Sec. 6. Section 6 of the bill imposes a duty on the governor to appoint the initial members of the commission within 120 days after the effective date of this Act.

Sec. 7. Section 7 of the bill gives the bill an effective date of July 1, 1990.

## QUESTIONS ABOUT PARIMUTUEL WAGERING AND HB 29

1. What is parimutuel wagering?

Parimutuel wagering is a system of betting dating back to the mid 1800's. Differing from typical gambling by virtue of the fact that the odds are not arbitrary, parimutuel wagering occurs when all collective bettors pool their money together. The total amount wagered versus the individual bets determines the amount which is divided among the winners

2. Has there been any local support shown for parimutuel wagering?

Both the cities of Palmer and Wasilla placed an advisory proposition on the ballot of the October 7, 1986 election concerning parimutuel wagering on certain horse events. (see attachments)

The result in Palmer was 58.2% in favor of the concept of the concept of local option parimutuel horse racing. In addition, the Palmer Municipal Code (Chapter 3.32) addresses parimutuel wagering by virtue of city ordinance #321. The city of Wasilla showed 62% of the voters approved the concept, with the City Council adopting resolution W85-J-6 supporting local option for parimutuel wagering.

In addition to local municipalities, the Matanuska-Susitna Borough has passed a resolution of support for state controlled, local option parimutuel wagering.

3. What type of benefits will parimutuel racing provide?

The most obvious benefit, initially, would be the generation of the racing business itself by the private sector. Infrastructure, such as breeding, training, and racing facilities, will create employment for the construction industry. Additionally, racing events will create a destination and accompanying services for the tourism trade. These are not to mention possible increases in the racing profession itself, with added jockeys, trainers, breeders, and handlers.

Clearly, an obvious benefit would be the added state revenue after the racing commences. The income will come painlessly to the state, without burdening the taxpayer. The amount of revenue depends on the frequency of the events authorized by the commission.

4. Is parimutuel wagering legal elsewhere?

Currently 37 states allow parimutuel wagering for either horses, dogs, or both.

5. What is the development scenario for parimutuel racing?

After the necessary local endorsement by the voters, preparation time could be six months to several years, depending on the level of development. A racing season in Alaska would be for approximately ten (10) weeks. As participation increases, so would the growth.

Parimutuel professionals tell us that an average scenario would typically include eight races a day, with eight entries per field.

The most important thing about this type of racing is the controlled conditions which will guarantee the integrity of the race. Sophisticated racing equipment would be rented - this being the normal procedure in other places where racing is on a similar small scale. HB 29 also requires extensive review procedures for both Commission members and sanctioned events.

6. How have other states benefited from parimutuel wagering?

Other states have benefited by revenue to the general fund, tourism potential, animal care, facility construction, and real estate purchase. For example, the state of Washington collected over \$2.3 million in 1986 from license and registration fees.

Some states allow constitutional dedicated funds, benefiting specific groups such as school systems, rehabilitation, and capital improvement projects.

7. What are the fiscal implications for HB 29?

Our fiscal expectation is relatively small, based on the assumption that racing is only a 10 week season. The commission will provide the initial professional expertise, with possibly one or two staff persons to assist part-time in the preparation of regulations, public hearings, and paperwork. Depending on the development of races and facilities, the employment requirements would follow the same growth curve.

8. What is the role of the Racing Commission?

The Commission will regulate racing and parimutuel wagering. Their wide range of regulatory responsibilities are clearly outlined in HB 29. Included are their specific enforcement powers regarding prohibited acts and penalties.

The Commission shall adopt regulations; appoint officials; supervise and distribute the pool; ascertain standards for veterinaries, equipment, audits, and other related matters; license races; inspect racetracks and account for all records; collections and disbursements; hire staff; compel witnesses; and appoint hearing officers.

9. How is parimutuel wagering different from games of chance and contests of skill?

Oversight and regulation is much greater for parimutuel. The complexities of the wagering system and accompanying safeguards were built into it purposefully.

HB 29 legislates parimutuel guidelines to strongly prevent abuse. The regulatory nature of the Commission, coupled with required sophisticated equipment, enhances the parimutuel system, and ensures security for the establishment and participants.

10. What is a "typical participant" in parimutuel wagering?

Studies have shown that participants are generally white collar workers, with one or more years of higher education and an income of \$35,000 or more. Managers, administrators, business leaders, educators, or politicians are common participants in parimutuel events.

11. How would this system affect those who do not participate?

By choice, it would not. First, it would require a local decision to allow parimutuel wagering within a municipality. Sec. 05.40.120 of HB 29 requires a majority approval of a referendum authorizing parimutuel racing within a municipality. A public hearing is also required before the issuance or renewal of a license.

Secondly, it is an individual choice to partake in wagering. Persons under the age of 21 are prohibited to participate in parimutuel wagering.

12. Who would be the monetary beneficiaries?

The licensee makes money by taking 15% of the pool. This figure is set high at the beginning so as to allow for a quicker return on the private investment.

The state, which establishes the Commission, takes a percentage equal to 10% of the pool. In addition, the state is the recipient of all licensing revenue, and can collect up to \$1.00 of the admission ticket.

The entrants would receive 10% of the pool in the form of purse money.

The participants who have the winning tickets share the remaining 65% of the pool.

## CONTINUATION of FISCAL NOTE ANALYSIS

No. 2  
CSHB 29 (L&C)  
HOUSE 2/3/89

This bill amends AS 05 by establishing the Alaska Racing Commission and by authorizing parimutuel wagering at sanctioned horse race events. The bill provides that the commission, and its staff, would be responsible for regulating all sanctioned events under a comprehensive regulatory scheme that covers nearly every aspect of race operations and wagering. It is our view that a substantial body of regulations will need to be drafted and adopted to carry out the purposes of this bill. We are therefore requesting \$75,000, as a one-time expense, to handle the drafting effort. We believe that this is the minimum amount necessary to insure proper regulatory oversight, if this form of legalized wagering is authorized in the state.

Unfortunately, we cannot predict future legal costs that may occur once sanctioned racing is established, because of our total lack of experience in this area. It is conceivable, however, that if racing becomes well established that at least one civil attorney and one criminal attorney, plus support costs, could be required on a continuing basis due to racing activity. Because of the severe budget constraints that have already been felt by the department, and because of further budget reductions that may take place in FY 90, it will be necessary to request additional funds when and if racing activities so warrant.

MATANUSKA-SUSITNA BOROUGH

Resolution Serial No. 87-~~032~~

A RESOLUTION OF THE MATANUSKA-SUSITNA BOROUGH SUPPORTING  
HOUSE BILL 32 AND SENATE BILL 63.

WHEREAS, the Alaska State Legislature has pending before it House Bill 32 and Senate Bill 63 that would authorize state controlled parimutuel betting on horse and dog racing where approved at a local option election, and

WHEREAS, the voters in the cities of Palmer and Wasilla have previously approved in an advisory vote the conduct of certain parimutuel wagering within their boundaries, and

WHEREAS, parimutuel wagering would create a direct source of revenue for the state and thereby reduce the need for new or increased state taxes, and

WHEREAS, authorization of parimutuel wagering would make possible a new, non-polluting industry in Alaska, and

WHEREAS, horse and dog racing in the borough would create a demand for feed, pasture and other agricultural products and services related to animal husbandry that are readily available in the borough, and

WHEREAS, horse and dog racing in the borough would be a tourist attraction for Alaska, bringing visitors from other states as well as other areas of Alaska, and

WHEREAS, horse and dog racing in the borough would generate additional use of the Alaska Railroad, and

WHEREAS, construction and operation of a race track and associated facilities and concessions in the borough would provide new employment opportunity for Alaskans;

NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE MATANUSKA-SUSITNA BOROUGH:

1. That the Assembly supports the concept of state controlled parimutuel wagering on horse and dog racing when locally approved and as generally set out in House Bill 32 and Senate Bill 63 and strongly urges the legislature to adopt legislation authorizing parimutuel wagering on such racing.

2. That copies of this resolution be sent to The Honorable Steve Cowper, Governor of the State of Alaska, and to each member of the Alaska Legislature.

MEMORANDUM

February 27, 1989

SUBJECT: Off-track Gambling  
CSHB 29( )

TO: Senator Bettye Fahrenkamp

FROM: Terri Lauterbach *Terri*  
Legislative Counsel

Enclosed is a draft of a blank CS for HB 29. It includes the material on off-track gambling in a separate article, as you requested. It uses the material you submitted, with the following exceptions:

- (1) The structure of the Alaska Racing Commission as it already existed in HB 29 is used rather than setting up a separate commission for the off-track licensing.
- (2) I did not use the obviously unconstitutional 5-year durational residency requirement for persons who wish to be licensed to hold off-track events.
- (3) The attempted dedication of funds in the submitted material has been changed to the usual language requiring separate accounting for the funds and discretionary appropriation of the funds for the desired purpose.

I have not been able to contact Mr. Dirkin. Since you seem interested in having a draft as soon as possible, I am sending it to you now so that Mr. Dirkin can have the benefit of the actual language in front of him if you wish to have him review the bill.

Please let me know if I can be of further assistance.

It shall be unlawful for any person to conduct simulcast or satellite pari-mutuel wagering without having first obtained and having in force and effect a license issued by the Commission as provided for in this chapter - and paying the fee which shall

be set by the Commissioner. Said license issued under this section shall be for a period of five years.

No person who has not been a resident of the State of Alaska for at least five years immediately preceding the application shall be issued a license, nor shall any license be issued to an association or corporation unless a majority of their stockholders have been residents of the State of Alaska for the past five years. Any unexpired license held by any person who violates any of the provisions of this chapter, or any of the rules or regulations of the Commission made pursuant thereto, or who fails to pay to the Commission

any and all sums required under the provisions of this chapter, shall be subject to cancellation and revocation by the Commission. Such cancellation shall be made only after a summary hearing before the Commission, of which three days' notice, in writing, shall be given to the licensee, specifying the grounds for the proposed cancellation, and at which hearing the licensee shall be given an opportunity to be heard in opposition to the proposed cancellation.

(d) For any licensee to compute breaks in the pari-mutuel system otherwise than at 10¢.

(2) Any willful violation of the terms of this chapter, or of any rule, regulation, or order of the Commission shall constitute a gross misdemeanor and when such violation is by a person holding a license under this chapter, the Commission may cancel the license held by the offender, and such cancellation shall operate the forfeiture of all rights and privileges granted by the Commission and of all sums of money paid to the Commission by

the offender; and the action of the Commission in this respect shall be final.

(3) The Commission shall have the power to exclude from any and all pari-mutuel wagering locations in the State of Alaska any person whom the Commission deems detrimental to the best interests of racing or any person who willfully violates any of the provisions of this chapter or of any rule, regulation, or order issued by the Commissioner.

(4) Every pari-mutuel wagering, simulcasting or satellite reception held in this state contrary to the provisions of this chapter is hereby declared to be a public nuisance.

NEW SECTION 10 - SATELLITE LOCATIONS - PARI-MUTUEL WAGERING

The Commission's authority to approve satellite wagering is subject to the following limitations -

(3) The licensee shall combine the pari-mutuel pool of the satellite locations for the purpose of determining odds and computing payoffs.

NEW SECTION 11 - SATELLITE WAGERS -

(2) In addition to the amounts set forth in subsection (1) of this section, the licensee may retain an additional four percent of the daily gross receipts on all pari-mutuel machines from satellite wagers on exotic races.

(3) Of the amounts retained in subsection (2) of this section, one-half percent shall be used to benefit the Alaska State Fair. To carry out the intent of this section, the State Treasurer is hereby authorized and directed to create a State Fair Fund within the General Fund and the Commissioner is hereby authorized and directed to deposit such funds derived from this section in the designated State Fair Fund.

(4) Of the amounts retained in subsection (2) of this section, one-half percent shall be used to benefit the Alaska cities and/or bur~~roughs~~<sup>oughs</sup> in which satellite locations are established to carry out the intent of this section, the State Treasurer is hereby authorized and directed to create within the General Fund a Municipal and/or Bur~~rough~~<sup>ough</sup> Satellite Fund and the Commissioner is hereby authorized and directed to deposit such funds derived from this section in the designated Municipal and Burrough Satellite Fund.

13 receipts based on the total gross receipts received from all approved  
14 locations for that licensee:

15 (1) 17 percent of the first \$100,000 of gross receipts;

16 (2) 16 percent of gross receipts not described in (1) of

WASHINGTON HORSE RACING COMMISSION

April 7, 1989

The Honorable Senator Al Adams  
Capitol Building  
Room 423  
Juneau, Alaska 99811

Dear Senator Adams:

In regard to your Committee question on the amount of revenue which would occur if the satellite amendment were to become law, I would reply as follows.

Based on the Alaskan population of between 500,000 - 550,000 and four to six locations and further based on the formula in the Amendment and on the projections submitted to the Committee, I would estimate a daily gross of \$300,000. The revenue to the State would be \$8,000 per day ( Two percent of \$100,000, three percent of \$200,000), plus one percent on the exotic race wagering (Forty percent of the total) which would produce an additional \$1,200 per day for cities and state fairs.

Yours very truly,

LEGISLATIVE AFFAIRS AGENCY

MEMORANDUM

February 27, 1989

SUBJECT: Off-track Gambling  
CSHB 29( )

TO: Senator Bettye Fahrenkamp

FROM: Terri Lauterbach *TL*  
Legislative Counsel

Enclosed is a draft of a blank CS for HB 29. It includes the material on off-track gambling in a separate article, as you requested. It uses the material you submitted, with the following exceptions:

- (1) The structure of the Alaska Racing Commission as it already existed in HB 29 is used rather than setting up a separate commission for the off-track licensing.
- (2) I did not use the obviously unconstitutional 5-year durational residency requirement for persons who wish to be licensed to hold off-track events.
- (3) The attempted dedication of funds in the submitted material has been changed to the usual language requiring separate accounting for the funds and discretionary appropriation of the funds for the desired purpose.

I have not been able to contact Mr. Dirkin. Since you seem interested in having a draft as soon as possible, I am sending it to you now so that Mr. Dirkin can have the benefit of the actual language in front of him if you wish to have him review the bill.

Please let me know if I can be of further assistance.

Vacancies in the office of Commissioner shall be filled by appointment to be made by the Governor for the unexpired term. Any Commissioner may be removed

at any time at the pleasure of the Governor. Before entering upon the duties of his or her office, the Commissioner shall enter into a surety company bond, to be approved by the Governor and the Attorney General, payable to the State of Alaska, in the penal sum of \$25,000, conditioned upon the faithful performance of the Commissioner's duties and the correct counting and payment of all sums received and coming within his or her control under this chapter, and in addition thereto the Commissioner shall take and subscribe to an oath of office of the same form as that prescribed by law for elected state officials.

No person who has not been a resident of the State of Alaska for at least five years immediately preceding the application shall be issued a license, nor shall any license be issued to an association or corporation unless a majority of their stockholders have been residents of the State of Alaska for the past five years. Any unexpired license held by any person who violates any of the provisions of this chapter, or any of the rules or regulations of the Commission made pursuant thereto, or who fails to pay to the Commission

any and all sums required under the provisions of this chapter, shall be subject to cancellation and revocation by the Commission. Such cancellation shall be made only after a summary hearing before the Commission, of which three days' notice, in writing, shall be given to the licensee, specifying the grounds for the proposed cancellation, and at which hearing the licensee shall be given an opportunity to be heard in opposition to the proposed cancellation.

20 ARTICLE 3. OFF-TRACK EVENTS.

21 Sec. 05.40.200. OFF-TRACK LICENSE. (a) A person may not con-  
22 duct parimutuel wagering at an off-track event without an off-track  
23 license issued by the commission. An off-track license is valid for  
24 five years unless canceled by the commission under (c) of this sec-  
25 tion.

27 person who has

28 (1) been convicted of a crime involving moral turpitude;

29 (2) violated a provision of this chapter or a regulation

1 adopted under this chapter;

5 lation adopted under this chapter.

6 (d) The commission may not approve more than one off-track  
7 license per 200,000 in state population. The commission may approve  
8 multiple locations for the operations of an off-track licensee. If  
9 multiple locations are approved for a licensee, the licensee shall  
10 combine the wagers placed at all locations in order to determine odds  
11 and compute payoffs in one parimutuel pool.

12 (e) The commission may establish an annual fee for each location  
13 at which an off-track event is held. The fee must reflect the com-  
14 mission's expected cost of approving, regulating, and monitoring the  
15 location. The amount of the fee collected shall be offset by the  
16 amount paid to the commission under AS 05.40.210(b). The commission  
17 may not refund any money under this subsection.

18 Sec. 05.40.210. COMMISSION'S SHARE OF GROSS RECEIPTS. (a) The  
19 holder of an off-track license shall pay to the commission on a daily  
20 basis for each authorized day of an off-track event the following  
21 applicable percentage of daily gross receipts based on the total gross  
22 receipts received from all approved locations for that licensee:

23 (1) two percent of the first \$100,000 of gross receipts;

24 (2) three percent of gross receipts not described in (1) of  
25 this subsection.

26 (b) In addition to amounts paid to the commission under (a) of  
27 this section, the holder of an off-track license shall separately pay  
28 to the commission on a daily basis for each authorized day of an  
29 off-track event one percent of all gross receipts from exotic races.

1 (c) The commission shall deposit money received under this  
2 section into the general fund. The commission shall make separate  
3 deposits of money received under (b) of this section. The commis-  
4 sioner of administration shall separately account for money deposited  
5 by the commission that is designated by the commission as being re-  
6 ceived under (b) of this section. The legislature may appropriate  
7 one-half of the estimated balance of this separate account to benefit  
8 the Alaska State Fair and one-half of the estimated balance to benefit  
9 the municipalities in which off-track events are located.

10 Sec. 05.40.220. LICENSEE'S SHARE OF GROSS RECEIPTS. (a) The  
11 holder of an off-track license may retain for each authorized day of  
12 an off-track event the following applicable percentages of daily gross  
13 receipts based on the total gross receipts received from all approved  
14 locations for that licensee:

15 (1) 17 percent of the first \$100,000 of gross receipts;

16 (2) 16 percent of gross receipts not described in (1) of  
17 this subsection.

18 (b) In addition to the amounts retained by the licensee under  
19 (a) of this section, the licensee may retain four percent of the daily  
20 gross receipts from exotic races.

21 Sec. 05.40.290. PROHIBITED ACTS AND PENALTIES. (a) A person  
22 may not intentionally

23 (1) circulate handbooks;

24 (2) wager on an off-track event other than by the pari-  
25 mutuel method conducted by a person with an off-track license; or

26 (3) violate AS 05.40.200 - 05.40.290 or a regulation adopt-  
27 ed under AS 05.40.200 - 05.40.290.

28 (b) An off-track licensee may not intentionally

29 (1) retain more than the percentage of gross receipts

1 provided for in AS 05.40.220; or

2 (2) compute breakage at points that are not multiples of  
3 \$.10.

4 (c) A violation of (a) or (b) of this section is a class A  
5 misdemeanor. In addition to penalties otherwise provided by law, the  
6 court may issue an order barring a person who violates (a) or (b) of  
7 this section from being at an off-track event conducted by a licensee  
8 under AS 05.40.200 - 05.40.290.

9 (d) Parimutuel wagering at an off-track event that is not au-  
10 thorized under AS 05.40.200 - 05.40.290 is a public nuisance.

Dear Senator ADAMS

I would like to express my opposition to the parimutuel bill that is now being reviewed in the Senate Finance Committee at this time.

I find no reason to adopt such a bill here in Alaska. Many of the other states have adopted one and some of them have had problems arise from the betting and also from the financial end. Omaha Nebraska has a large race track. At first the track was open for only a few months. Now it is open most of the summer. While it is open businessmen complain about lack of business and unpaid bills. They say that money they would get is being spent at the track. The police had added problems with compulsive gamblers, property theft, and child neglect.

I have a business here in Palmer and I see no way for my business to increase from having horse racing. While it helps the people who own and run the track, it hurts the community as a whole. It hurts people in business.

Another state is Texas; they voted in horse racing in 1987 and in less than two years Texas Racing Commission is nearly broke. The headline in a Feb. 17, 1989 newspaper said that they are going to ask the taxpayers for money to bail out the Commission. I don't want to see this happen in Alaska. (see insert)

# Taxpayers Should Not Bail Out Racing Panel

The headline in a major Texas newspaper for Feb. 17, 1989, says, "State may bail out racing commission." The story goes on to say the Texas Racing Commission, which pari-mutuel wagering advocates said would be self-supporting, is nearly broke and apparently will have to ask for taxpayer's money to continue operating. State Sen. O. H. "Ike" Harris, longtime pusher of legalized gambling in the state, and a chief voice in leading Texas voters to approve a gambling referendum in 1987 by telling Texans the gambling business would answer most of the state's economic problems, now is saying lawmakers will be asked to fund the racing commission out of general revenue. This means there could be as much as \$10 million of taxpayers' money asked for to keep the racing commission in operation.

Harris has been quoted as saying that he didn't think anybody would object because the commission "will make money."

Yes, sir! This is the same thin argument that a majority of Texans bought in the November 1987 vote on legalized gambling when the pro-gambling crowd said approving gambling would put money in the state treasury—not take it out.

Texans were deceived, and this recent action of Harris and the gambling crowd is proof. What happened to the bumper sticker that the issue was to raise horses rather than raising taxes?

The truth in the 1987 election as it is today is that the racing industry is sick and will cost taxpayers.

If the Texas Racing Commission is broke, let them go

out of business. Propping up the Texas Racing Commission with taxpayers' money is not right and should be opposed by letting the legislators in Austin know it.

And while contacting the state senators and representatives, they should also be told of opposition to the lottery bills which call for the establishment of a state-operated lottery.

The same crowd that deceived Texans before on the racing issue is using the same arguments to support a lottery by saying a lottery-kind of gambling will solve the financial problems of the state. Yes, about the same way the horse and racing business is doing, by trying to pass another law that will take money out of the state treasury to prop up an ailing racing commission.

Taxpayers should not bail out the Texas Racing Commission, and Texas does not need a possible lottery commission to have to bail out in the future. —PHW

Senator Al Adams

Juneau, Alaska 99811

Dear Senator,

You get many letters asking your support for various causes and this letter is no different. Economics more than theology is my major concern in this letter. My comments are my own and not necessarily those of the congregation.

The Alaska State Fair and the Palmer Chamber of Commerce are campaigning for a bill that will legalize parimutuel betting in Alaska. The fair does it because there will be increased profit. The chamber does it feeling that this will help the ailing business community in the valley.

There is no popular movement in the valley crying out for parimutuel. The borough residents recently voted to establish a law to forbid nude dancing in the bars. That was a surprise to me.

My original home was Omaha, Nebraska where there is a large race track open much of the summer. For those related to the track there is added profit. Business as a whole suffers during the racing season. Businessmen complain of reduced sales and unpaid bills. They contend that money that would go to them goes to the track instead.

During the racing season the police have added activity dealing with the compulsive gamblers, increased property theft, and added child neglect. Parimutuel at Palmer would affect the entire Anchorage area.

The sagging economics of the valley and area would be helped more by the jobs created by the Wishbone Mine and Hatcher Pass ski area. The increase sales of hay to the horses would not be a big help to the valley. Horse racing will hurt people and business. **Please consider letting parimutuel die in committee.**

The familiar reason "gambling is here already so legalize it" is poor logic. To carry this forward we would need to legalize cocaine, bank robbery, and rape as it is already here.

My second issue concerns the food stamp program and the AFDC money. Everyday I deal with people in a large food bank operation at the church. At least once a week I give food to a new resident of the state who tells me, "we moved to Alaska because there is better welfare here than our home state." One single parent gave that reason for flying here with her five children from Florida.

Is there some way to help those who are in need without feeding the greed of those who want to be permanently supported by welfare? Raising benefits will attract more professional welfare receivers. Increasing the staff at the Public

assistance offices would allow more time to sort out the needy from the greedy. Greater benefits could go to those truly in need while eliminating so much of the fraud. (selling food stamps, working and receiving welfare by using two different names, etc.) I have only praise for the fine people at the Wasilla Public Assistance Office.

My thanks go to those who in previous session enacted some tort reform.

I'm a 17 year resident of Palmer and prior to that spent part of 9 years in Fairbanks. I'm on the board of the Palmer Chamber and a regular volunteer at the state fair. The chamber and fair people are good people who don't understand all the issues of parimutuel. No one, including me, understands all the welfare issues.

I want to thank you, and/or your staff member for taking time to read this.

Sincerely,

A handwritten signature in cursive script, appearing to read "Henry P. Guinotte".

Dear Senator Adams:

In regard to your Committee question on the amount of revenue which would occur if the satellite amendment were to become law, I would reply as follows.

Based on the Alaskan population of between 500,000 - 550,000 and four to six locations and further based on the formula in the Amendment and on the projections submitted to the Committee, I would estimate a daily gross of \$300,000. The revenue to the State would be \$8,000 per day ( Two percent of \$100,000, three percent of \$200,000), plus one percent on the exotic race wagering (Forty percent of the total) which would produce an additional \$1,200 per day for cities and state fairs.

Yours very truly,

HB 29 PROVIDES FOR THE ESTABLISHMENT OF AN ALASKA RACING COMMISSION AND DELINEATES THE REQUIREMENTS FOR THE CONDUCT OF "RACE MEETS". "RACE MEETS" MEANING THE ACTUAL PERFORMANCE OF LIVE HORSES RACING AT A TRACK FACILITY APPROVED BY THE APPROPRIATE STATE COMMISSION AND CONDUCTED BY A LICENSED RACE MEET OPERATOR IN ACCORDANCE WITH ALL APPLICABLE LAWS AND REGULATIONS. MUCH INFORMATION HAS ALREADY BEEN AVAILABLE ON THIS SECTION OF THE BILL SO THIS REPORT WILL CONCENTRATE MORE FULLY ON THAT PORTION OF THE BILL COMMENCING WITH ARTICLE 3, "OFF TRACK EVENTS".

THIS "OFF TRACK EVENTS" LEGISLATION IS SIMILAR TO THAT WHICH IS NOW IN EXISTENCE IN SOME 35 STATES. IT ALLOWS AN "OFF TRACK EVENT" LICENSEE TO PROVIDE FOR THE PUBLIC, SUBJECT TO THE RULES AND REGULATIONS PROMULGATED BY THE COMMISSION, FACILITIES WHEREIN ONE CAN WATCH LIVE RACING FROM STATES SUCH AS WASHINGTON AND CALIFORNIA MUCH IN THE SAME MANNER AS YOU VIEW YOUR TELEVISION AT HOME. THE THREE MAIN DIFFERENCES BEING (1) THE TELEVISION SCREENS WOULD BE LOCATED IN A SEPERATE BUSINESS FACILITY SIMILAR TO A RESTAURANT LOUNGE. (2) THE TELECAST WOULD BE VIEWED SIMULTANEOUSLY WITH ITS HAPPENING AT THE ORIGINATING RACE TRACK THROUGH THE TECHNOLOGY OF SATELLITE COMMUNICATIONS AND, (3) ONE WOULD BE PERMITTED TO MAKE WAGERS ON THE OUTCOME OF EACH RACE WITH ALL WAGERS REGISTERED INTO AND ALL PAYOFFS DETERMINED BY SOPHISTICATED COMPUTER SYSTEMS DESIGNED SPECIFICALLY FOR SUCH PURPOSE, EXACTLY AS ONE WOULD PARTICIPATE WERE HE/SHE ACTUALLY AT THE RACE TRACK.

LICENSEE'S SHARE

THE LEGISLATION DIRECTS THAT A MAXIMUM OF 17% OF THE DAILY GROSS RECEIPTS BE RETAINED BY THE LICENSEE FOR COSTS OF OPERATION AND PROFIT. THIS, COUPLED WITH THE 3% PROVIDED FOR STATE TAXES ASSURES A RETURN OF 80% TO THE PARTICIPANTS.

STATE REVENUE

THE LEGISLATION DIRECTS A DAILY MUTUEL TAX ON "OFF TRACK EVENTS" OF 2% OF THE FIRST \$100,000 OF WAGERING AND 3% OF WAGERING IN EXCESS OF \$100,000. ADDITIONALLY, 1% OF ALL EXOTIC (MULTIPLE WAGERS ie., DAILY DOUBLE, EXACTA, QUINELLA, PICK SIX, ETC.) WAGERING. ALL PAYMENTS ARE REMITTED ON A DAILY BASIS. ESTIMATED FISCAL IMPACT ON THE STATE OF ALASKA IS:

TOTAL DAILY HANDLE	\$150,000	
2% TAX ON \$100,000		\$2,000 per day
3% TAX ON 50,000		1,500 per day
1% TAX ON EXOTIC RACES 60,000		600 per day
(EXOTICS COMPRISE 40% OF TOTAL HANDLE BY NATIONAL AVERAGE)		\$4,100 per day
ANTICIPATED DAYS OF OPERATION		300
		\$1,230,000 PER YEAR

ADDITIONAL REVENUES WILL BE REALIZED FROM ADMISSION TAXES, FOOD AND BEVERAGE TAXES, AND CORPORATION INCOME TAX.

EMPLOYMENT

THE CREATION OF 30 TO 50 NEW JOBS IS CONTEMPLATED, DEPENDING ON THE DEGREE OF PUBLIC ACCEPTANCE.

ADDITIONAL BENEFICIAL CONSIDERATIONS

BENEFIT TOURISM EFFORTS BY PROVIDING RECREATION AND ENTERTAINMENT OPTIONS. PROVIDE ENTERTAINMENT TIE-IN WITH SPORTS COMPLEX DEVELOPMENT PROPOSED AT EAGLE RIVER AND HATCHER PASS AS WELL AS ALYESKA. COULD BE USED AS A NETWORK TO SIMULCAST PALMER AND OTHER FAIRGROUND RACES THROUGHOUT ALASKA BENEFITING THE FAIR CIRCUIT WITH ENHANCED PARIMUTUEL HANDLE. COULD BE ADAPTED TO INCLUDE FUR RENDEZVOUS, FAIRBANKS ICE CARNIVAL, AND IDITAROD DOG RACES FOR THE PURPOSE OF DEVELOPING PUESSE MONEY.
