1 IN THE HOUSE BY THE HESS COMMITTEE

2 SENATE CS FOR HOUSE BILL NO. 479 (HESS)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 SIXTEENTH LEGISLATURE - SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act establishing an awards program to recognize
7 waste reduction and recycling efforts in school
8 districts; and providing for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. FINDINGS. The legislature finds that

11 (1) waste reduction and recycling must be a fundamental part of
12 a comprehensive solid waste management effort;

13 (2) the success of waste reduction and recycling initiatives are
14 largely dependent upon the current and future behavior of consumers in the
15 state; and

16 (3) while significant opportunities for waste reduction and
17 recycling exist, public education is required to ensure that consumers are
18 aware of these opportunities.

19 * Sec. 2. AS 46.11 is amended by adding a new section to read:

20 Sec. 46.11.070. REDUCTION AND RECYCLING AWARDS PROGRAM. (a) In
21 consultation with the Department of Education, the Department of
22 Environmental Conservation shall establish a waste reduction and
23 recycling awards program under which the Department of Environmental
24 Conservation may annually, subject to available funding, award grants
25 of up to \$10,000 each to school districts in recognition of their
26 efforts to reduce and recycle waste generated in the administrative
27 offices, classrooms, laboratories, cafeterias, and maintenance opera-
28 tions of the school district.

29 (b) The Department of Environmental Conservation shall, on

1 request, provide technical assistance to school districts concerning
2 their opportunities to reduce and recycle wastes.

3 (c) The Department of Environmental Conservation shall adopt
4 regulations to implement the awards program. For purposes of evaluat-
5 ing school waste reduction and recycling programs, the department may
6 group school districts according to geographical location, student
7 population, distance to recycling markets, or other criteria con-
8 sidered appropriate by the department.

9 * Sec. 3. This Act takes effect immediately under AS 01.10.070(c).

Section 1

Section 1 will not require any additional resources for the Department of Environmental Conservation.

Section 2

Section 2 requires the Department, in consultation with the Department of Education, to establish an awards program for waste reduction and recycling in the schools. Additionally, it requires technical assistance to be provided to school districts concerning waste reduction and recycling efforts. The Department will require \$40.0 to fund the award program. We will draft the regulations and provide technical assistance within our existing operating budget.
