## MEMORANDUM

To: Senator Rick Uehling, Co-Chairman  
Senate Finance Committee

From: Senator Rick Halford *Rick*

Date: March 1, 1989

---

I would appreciate a hearing on Senate Bill 65 at your earliest convenience.

This bill allows veteran and retired veterans the opportunity to display distinctive license plates on their motor vehicles. It is a way in which the State of Alaska can honor veterans for the service they have given to our country.

Current law allows members of the Alaska National Guard the opportunity to request special plates. Senate Bill 65 extends that opportunity to individuals who are veterans or retired veterans of the armed forces of the United States.

A \$10 fee will be collected when the license is first issued and when replacement plates are necessary. This fee would be charged in addition to the annual registration fee for the vehicle in order to make the program pay for itself.

DEPARTMENT OF MILITARY AND VETERANS AFFAIRS

POSITION PAPER  
CSSB 65(SA)

Summary of Bill: This bill would authorize the Department of Public Safety to issue special license plates for veterans and retired veterans of the armed forces of the United States. The bill imposes an additional fee of \$10 for recipients of the veteran or retired veteran plates.

Background: This bill is identical to the House Transportation Committee Substitute for HB11.

Impact of Bill on Department of Military and Veterans Affairs: The Division of Veterans Affairs would publicize and promote the special license plates, but would not have any administrative responsibilities associated with the bill. No fiscal impact on DMVA is anticipated.

Departmental Position on Bill: The Department supports the bill.

Dear Senator Halford,

You recently received a "Work Draft" of a House Bill for an Act entitled: "An Act relating to motor vehicle license plates for Veterans." This draft was submitted by Mr. Jeremiah C. Harrington, President, Fleet Reserve Association, Branch 342.

Our members, in our last regular meeting on 3 January 1989, reviewed Mr. Harrington's proposal to enact a law in the State of Alaska, comparable to Revised Statute 47:463.18 of the State of Louisiana.

The members-in-attendance-at-that meeting, unanimously approved a motion that our Post officially support Mr. Harrington's proposal. We collectively urge your favorable consideration of his proposed legislation.

Yours in Comradeship,

Dear Mr. Martin:

The members of the executive board of The Last Frontier Chapter of the Association of the U S Army support Jeremiah Harrington's initiative to convince the State of Alaska to issue vehicle license plates similar to those issued by the State of Louisiana. His letter to you of October 14, 1988 explains the plates in detail. Thankyou for your help in achieving this worthwhile goal.

Jeremiah C. Harrington, President

Branch 342  
P.O. Box 763  
Elmendorf Air Force Base AK 99506

Dear Mr. Harrington,

The following information concerning the U.S. Veteran and Retired Veteran license plate is being provided as requested in your correspondence of September 22, 1988.

Revised Statute 47:463.18 (See attached copy) which allows the issuance of the above referenced license plates was passed in the 1987 Legislative Session. However, we did not begin issuing these plates until April, 1988. At the present time, we have issued approximately 4,000 of these plates.

In order to obtain the plate, the applicant has to submit a copy of the discharge papers (DD 214) showing an honorable discharge for a veteran license plate and a copy of the retirement orders for the retired veteran license plate. The plates are issued for private passenger automobiles, pickup trucks and vans. The fee for the special license plate is the same as regular plates (\$12.00 - Automobiles, \$40.00 - Pickup trucks & Vans). This is for a 4 year registration period. The plate bears the appropriate branch of armed service for which the veteran served. See attached copy of a veteran license plate and a retired veteran license plate. The branches of service for which we issue the plates are: Navy - Navy Retired, Army - Army Retired, USMC - USMC Retired, USAF - USAF Retired and USCG - USCG Retired.

The appreciation we have received from the veterans for this special recognition has been tremendous. Good luck on your efforts to give the same recognition to the Alaska war veterans.

If further assistance or information is needed, please contact this office.

HOUSE BILL NO. 352  
BY MESSRS. BRUNEAU, BRADY, MCCLEARY,  
MELANCON, PATTI, AND THERIOT  
AN ACT

To amend and reenact R.S. 47:463.18, relative to the issuance of special prestige license plates, to provide for the issuance of special prestige license plates for veterans and retired veterans of the armed forces of the United States, and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 47:463.18 is hereby amended and reenacted to read as follows:

§463.18. Special prestige license plates for veterans and retired veterans

The secretary of the Department of Public Safety and Corrections shall establish special prestige license plates for motor vehicles, restricted to passenger cars, pickup trucks, and vans, which may be issued to any veteran or retired veteran of the armed forces of the United States upon the veteran's application. The prestige license plate shall be of a color and design selected by the Veterans' Affairs Commission of the state of Louisiana and shall bear the name of the appropriate branch of the armed service.

A. The prestige license plates shall be issued in the same manner as other motor vehicle license plates. Retired members of the armed services of the United States applying for the plates shall present to the issuing official a copy of their active duty retirement orders or other proof of retirement from active service with one of the armed forces of the United States. Veterans of the armed services of the United States who are not retired shall present to the issuing official a copy of their discharge from active service with one of the armed forces of the United States. The charge for the prestige license plate shall be the same as for regular license plates.

B. The prestige license plates shall be used only upon personally or jointly owned private passenger cars, pickup trucks, and vans registered in the name, or jointly in the name, of the member making application, and when issued to the applicant shall be used upon the vehicle for which issued in lieu of the standard license plate normally issued for the vehicle. The prestige license plate issued hereunder shall not be transferable between motor vehicle owners. In the event the owner of a vehicle bearing the distinctive plate shall sell, trade, exchange, or otherwise dispose of it, the plate shall be retained by the owner to whom issued and by him returned to the issuing official.

C. The secretary shall promulgate such rules and regulations as necessary to implement the provisions of this Section. Oversight review of the secretary's proposed rules and regulations shall be conducted by the Joint Legislative Committee on Transportation, Highways and Public Works.

Approved by the Governor, June 8, 1987.

**Analysis:**

There are 70,000 veterans living in Alaska according to the Veterans Administration. It is difficult to estimate with any degree of accuracy how many would want this type of license plate. For purposes of this fiscal note the Division will estimate that 10,000 veterans will request the plate during the first year and in subsequent years the requests will be 2,000 annually.

These plates will be available at most offices in the State and the workload will be spread among the offices. The overall increase in workload would be the equivalent of one full-time position to change 10,000 vehicle record and perform other administrative tasks associated with the new program. This position will be in Anchorage where the majority of the registrations will be done. This position will only be needed for the first year of the program.

It is estimated 200 of the Purple Heart Recipient plates will be requested in FY90 and 50 each FY thereafter. Due to the small order, the cost would be \$7.00 per set of license plates. The cost for FY90 is \$7.00 per set of plates x 200 = \$1,400, plus postage at \$1.76 x 200 to mail the plates to applicants = \$352.

The breakdown of costs for the first year is as follows:

Personnel

1 PFT Motor Vehicle Representative I/II, Range 9	\$32.6
-----------------------------------------------------	--------

Contractual

10,000 veteran plates @ \$5.00	50.0
200 Purple Heart @ \$7.00	1.4
Shipping veteran plates to 30 offices	1.0
Postage @ \$1.76 per set to mail	
Purple Heart plates to applicants	.4
APSIN network charges	2.5

Equipment

APSIN terminal and printer	3.0
----------------------------	-----

TOTAL	\$90.9
-------	--------

After the first year the on-going costs will be \$10,000 for 2,000 veteran plates at \$5.00 each, and \$500.00 for purchase and mailing of 50 Purple Heart plates.

Revenue

A fee of \$30.00 over and above the cost of regular vehicle registration will be charged when the veteran and Purple Heart recipient license plates are originally issued. Using the estimate of 10,000 veteran and 200 Purple Heart recipient plates the first year the revenues would be 10,200 x \$30 for a total of \$306,000. After the first year revenue would be for 2,050 plates per year x \$30 for a total of \$61,500.

**Justification**  
This position is assigned the administrative tasks associated with the start up and first year's operation of the program. These tasks include design and ordering of the plates, forms design, and coordination with veterans organizations to publicize the program. During the first year of operation, 10,000 vehicle records will be updated with the new plates. Although the plates will be available at offices throughout the state, the majority will be done in Anchorage and that is where the position will be located. After the first year the position will no longer be needed and the workload will be absorbed by the offices.

Analysis:

There are 70,000 veterans living in Alaska according to the Veterans Administration. It is difficult to estimate with any degree of accuracy how many would want this type of license plate. For purposes of this fiscal note the Division will estimate that 10,000 veterans will request the plate during the first year and in subsequent years the requests will be 2,000 annually.

These plates will be available at most offices in the State and the workload will be spread among the offices. The overall increase in workload would be the equivalent of one full-time position to change 10,000 vehicle record and perform other administrative tasks associated with the new program. This position will be in Anchorage where the majority of the registrations will be done. This position will only be needed for the first year of the program.

The breakdown of costs for the first year is as follows:

Personnel

1 PFT Motor Vehicle Representative I/II, Range 9	\$32.6
-----------------------------------------------------	--------

Contractual

10,000 plates @ \$5.00	50.0
Shipping to 30 offices	1.0
APSIN network charges	<u>2.5</u>

Equipment

APSIN terminal and printer	3.0
----------------------------	-----

TOTAL	\$89.1
-------	--------

After the first year the on-going costs will be \$10,000 for 2,000 plates at \$5.00 each.

Justification This position is assigned the administrative tasks associated with the start up and first year's operation of the program. These tasks include design and ordering of the plates, forms design, and coordination with veterans organizations to publicize the program. During the first year of operation, 10,000 vehicle records will be updated with the new plates. Although the plates will be available at offices throughout the state, the majority will be done in Anchorage and that is where the position will be located. After the first year the position will no longer be needed and the workload will be absorbed by the offices.
